***“I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones.”* - Albert Einstein**

People of Earth have signed two of the most unusual and extraordinary documents in the history of mankind: A treaty with the Intraterrestrials (aliens) in 1954; An agreement with Hitler and the Nazi New World Order in 1956. (Yes! After World War Two, for Hitler died in 1965)
Breaching any of these agreements will bring apocalypse upon Earth. Mark my word on it!

A Message from the Author

You have only one option to learn the whole truth about UFOs (Flying Saucers and Anti-Gravity Flying Discs): You go directly to the primordial sources and the historical and geographical origins of these enigmatic flying machines in a very chronological, intelligent, responsible and methodological manner, thus establishing a solid foundation for historical, social, scientific, military and intellectual veracity and authoritative arguments.

The present work anchors and explains the origin, history and reality of UFOs and flying saucers by defining and establishing in a chronological order, their various phases; from the very beginning with the Great Airship Scare “Flap” of 1896-1897, to the early German UFOs’ phase, which started in 1917 with Maria Orsic, the Ladies of the Vril, The Thule, and Dr. Schumann in Munich, to the present day.

A strong emphasis is based upon the threat of the German UFOs we see over the United States, Europe and other parts of the globe, and which are the wunderwaffe (wonder-weapon/miracle weapon) of NNWO (Nazi New World Order).

The book also provides the reader with: 1-A global picture of Germany’s UFOs and flying discs’ second important phase which continued with Post Nazi Germany outside Germany to the present day; this section of the books depicts all classes, types, categories and technology of German UFOs and flying discs, and covers subjects and events totally unknown to ufologists, historians, the media, and the general public.

 2-American UFOs’ modern phase which started with Harold Dahl (The Maury Island’s Sighting), and Kenneth Arnold’s sighting of a formation of nine German UFOs over Mount Rainier, to the present day.

As well as topics on:

 Other exotic inventions closely related to Germany’s UFOs Die Mutterschiff Einsatzkommando Neuer Bestellugsstrom Schwarzer Wind Deutsche Tornado-Wut

 Mehrlagige Kuppel Die Schwerkraft Aufhebemaschine The Harry Truman-Adolf Hitler-Nazi Affair Early allies intelligence reports on German UFOs German UFOs’ technology and designs

- Jenseitsflugmaschine Lippisch’s futuristic designs Operation Paperclip Scientists and engineers pioneering work on UFOs in Nazi Germany Scientists and engineers pioneering work on UFOs in the United States and Canada
- Sir Roy Fedden’s reports on German UFOs and super flying machines The early documented German UFOs The first German prototypes; Haunebu, Hauneburg-Geräte, or Reichsflugscheiben.
- The Foo Fighters The legendary German Dei Glocke (Bell-UFO)
- The Neuschwabenland The phase of the German UFOs designers and scientists during the Third Reich The RFZ 1 (Rundflugzeug 1) UFO
- The secret archives of the SS, the British and the American military intelligence on German UFOs Types, Classes, Categories and Models of German UFOs
- The American UFOs: After WWII, the United States continued to develop German technology, and to build German disc-craft at Boeing, Republic Aviation, Northrop, and Lockheed.

The 2 tomes (2 Parts) mirror and reflect the ABSOLUTE TRUTH about all sorts, classes and categories of UFOs, USOs, Anti-Gravity Discs, earliest and latest German Flying Saucers, and similar flying crafts allegedly or truly built in Canada, the United States, and by the Nazi New World Order in secret military bases around the globe.

All my research and findings are based upon historical events and facts, many unquestionable sources, authentic documents, statements, affidavits and testimonies given by those (Military-men, scientists, and civilians) who were directly involved with any type of UFOs, USOs, Flying Saucers, Anti-gravity Flying Discs, and secret crafts which were conceived, designed and built in Germany, Europe, South America, the United States, Canada, and at secret underground bases/colonies around the world.

No part of the present work is influenced and/or shaped by my personal opinions and beliefs. No part of the present work is dictated and/or imposed upon me, on my research team and associates, by official, semi-official or any other groups and entities which have alternative motives and questionable agenda, and/or answer and report to any government.
As an author and as a publisher, I am taking an enormous risk in disclosing very delicate material, and publishing my work. I am responsible for my action. The buck stops here; as it was well said once by President Harry Truman.

On a personal note:

It was reported, and posted on the Internet (after the public incident that occurred in June, 2012 during an interview I gave to a radio show in the United States, and which created tumultuous moments in my life) that I will never again appear on any show, give an interview, and/or will write another book on UFOs, the Anunnaki, and the United States Black Operations, and particularly on sensitive

issues pertaining to possible US-Nazi involvement with German and futuristic weapons.
These allegations have no merits.

I will make a few public appearances, and give interviews, if the subject is right, and the people involved in these appearances and interviews are beyond reproach. And I will continue to write and publish books until I drop dead. Dead from natural causes, that is!

In addition, avalanches of allegations (from people who never met me or had any clue who I am and what I do), portrayed me as a disinformation agent working for the United States government and intelligence/national security agencies. This is absurd!

In the past, I did serve several friendly governments in various honorable capacities, but never as a dis-informer or as a spy; is it against my nature and the fabric of my character to mislead or misguide people.

Since 201o, and only since 2010, a certain category of people in the United States who never met me or read my books or knew what I write about, or what I stand for, began to call me all sorts of things based upon fabricated stories and untrue rumors, spread and created by a woman who for a few months, was my girlfriend, and the dearest person to my heart.

There is another person who even wrote on several websites that I stole my name from a tomb stone from a cemetery, somewhere in New York City, not far from where I live. And now, this ridiculous story is all over the Internet. It is very amusing; I am a very old man, and I lived in the New York City for the first time in my life, some 6 years ago. Yet my name Maximillien de Lafayette appeared on several books I wrote some 50 years ago, decades before I came to America or visited any cemetery in New York.

In fact, I have never visited any cemetery in the United States, or in any part of the world. My ex-girlfriend spread rumours that I stole my name from a tomb stone of a soldier who died during WWI, from Père La Chaise cemetery in Paris, and tons of people believed her, even a famous radio personality known for his alert mind, who once interviewed me believed Ms. A.D.!!!!!!!!!!

The French people in Paris are laughing, and laughing loud, because there is no Maximillien de Lafayette's name engraved on any tomb stone in Père La Chaise cemetery. It is very easy to verify this…just contact the cemetry's management.

Now, every time I appear on a show, some characters, for reasons I know and reasons I don't, reject everything I say. And some even wrote bad reviews of some of my books before I wrote and published them; of course they missed the amazon.com announcement that those books are not published yet, but are forthcoming. Yes sir, they went ahead and criticized books I did not write yet. Some found out that they made a stupid mistake and immediately deleted their so-called reviews. While others kept them posted on purpose, just to smear my reputation. I was amused.

Now, this book is published. And bad reviews are already written before the book is made available to the readers. I am accustomed to this.
Some might even throw eggs at me; no problem, I can take it, I could use the eggs "to golden" my croissants.

Never ever, in my whole life, (And I have visited more than 150 countries) I have been called fraud, scam, killer, a spy, a narcissist, a mad man, a lunatic, an old charlatan, a liar, a con artist, a mother-fucker, until 2010, when Ms. A.D., my ex-girlfriend began to describe me as such, and to post continuous vicious and personal attack on me (Non-stop for 2 years, around the clock), using those words and posting and reposting her attacks on me on more than 150 websites. The Internet is filled with her postings and attacks on me. She even accused me of killing 3,000 Palestinians in the Middle East via a sneak attack orchestrated by the CIA, Colonel Zack and Commander Graig, and added that I took part in the Bosnia and Kosovo atrocities and civil wars crimes because I am a NSA/CIA agent. The truth is, I have never set foot in Bosnia or Kosovo, or killed anybody in my whole life. She also posted vicious and false accusations as a series of so-called "reviews" of no less than 75 books I wrote, on the website of amazon.

Thankfully, amazon removed all her so-called reviews, because they were abusive, fabricated and inappropriate, and consequently, she was banned from posting any additional vicious attacks and slanderous comments.

Yet, many idiots believed her; they copied and copied and recopied, pasted and re-pasted, posted and reposted, cycled and recycled her claims and personal attacks on me, my character and my work (*ad infinitum* non-stop and endlessly for 2 years and to the present day) on so many websites. They are all over the Internet. The moment you Google my name, (and for the first time in my life), the word "scam" and "fraud" will jump at you, directly below my name, because of what Ms. A.D., posted on zillions of websites, and because her friends or those who believed her, recopied, recycled, and reposted her "postings" from one website to another.

It is regretful and painful to me. It hurts. But it does not affect my mind; only my heart is bleeding.

I don't need to defend myself and respond to Ms. A.D., and to those who keep on (Almost weekly) recycling and reposting her lies, endlessly, *ad nauseam.* Because, first, my friends don't need it and second, those who believed Ms. A.D., and those who chose to become my enemies would never believe it.

Before your throw your arrow, dip it first in honey, my friends!

Thank you for all the good people and friends who brought joy to my heart, light to my eyes, and warmth to my soul. I am eternally grateful. May the Lord bless you and protect your loved ones.

And remember, each time you give from your heart and you share your meal with the needy, and knowledge with truthful seekers, you will grow one inch taller, and the sky is the limit…

Maximillien de Lafayette

Introduction

_____

The insider versus the ignoramus, and the insider versus the outsider:
There is only one route you can take to reach destination: UFOs and Aliens. And there is only one way that will lead you directly toward the understanding of UFOs (Aliens and man-made), the aliens' phenomenon and their super flying crafts, we commonly refer to as UFO, and sometimes USO: The TRUTH!
Almost 95% of these flying discs invading our skies are built by German scientists.
Forget those childish, idiotic and highly exaggerated theories, statements, and claims you hear about flying saucers, ancient aliens, ancient astronauts, coming right and left, up and down, from ill-informed TV shows hosts, and conspiracy theorists, because they don't know!

I said it in the past and I will repeat it here one more time in case you are reading my books for the first time; unless **the claimant** *(The person, the author, the TV show host, the so-called ufologist, the ancient aliens' theorist etc...who are advancing all sorts of idiotic theories about aliens and UFOs and coming up with stupid ideas and claims about extraterrestrials artifacts and illustrations on caves' walls and on ancient monuments)* ***is*** **an insider;** a participant in joint aliens-governments operations of any sort, type or nature, a scientist working on extraterrestrial technology (reverse-engineering), scientist (German, American or foreigner) working or has worked in the past, on anti-gravity spacecrafts, a government's contractor, and/or an adept, member, teacher, or student of the Anunnaki Ulema Jamiyah, his or her views, opinions, allegations, claims, assumptions, explanations, interpretations, and theories about UFOs and aliens are neither

truthful nor accurate, because they are not based upon: a-Facts; b-Direct involvement; c-First-hand observations; d-Participation's results; e-Experimentations' findings; f-Aliens-military-scientific operations and projects; g-Knowledge acquired from the Dirasaat and the Kiraat of the Anunnaki Ulema; h-Access to governments' secret files on UFOs and similar crafts, and extraterrestrials.

Why Ufology Failed?

For so many many many reasons.
No need to itemize all of them; instead, I will mention 3 reasons.

Reason #1: Ufology is vague; it is not a bona fide course of study, with a well-defined curriculum, outlined courses, credits, tests and exams, graduation requirements, etc.

Let's illustrate the situation: **Monsieur Albert talking to his children who just enrolled in college**

Albert: Bonjour Elaine, did you get the college's catalogue?
Elaine: Oui papa. It's here. Everything is clear, papa. I see all the courses I will be studying this year. It tells me everything, the subjects, students will study in the first year, the number of the courses, the name of the course, how many hours, credits we get for completing the course, even the name of the professor who will be teaching each course.
Albert: Everything?
Elaime: Mais oui papa. Look, look here.
You see here, the catalogue shows you the courses in the first year. Here is a course on introduction to sociology, number 201. Under it, there is a listing of all the subjects I will be studying this year. Here is 205; it is a course on statistics, and

under it, you will see the subjects, like history, methodology, etc.
And here papa, is number 303, it is a course on history, and you see …the listing of the subjects I will study in history, here we have a course on history of religions, here an introduction to modern thought, and here introduction to Middle Eastern history and civilizations, and there, history of languages, myths and folklore. Everything is clear.
Albert: Trés bien, trés bien ma chérie. And you will get a degree in what?
Elaine: Sociology, papa.
Albert: And you Bertrand?
Bertrand (Who grew up in America): Same deal dad.
I got everything, the whole nine yards.
Albert: The whole nine yards? What is that?
Bertrand: Dad, I mean the courses I will be taking this year; introduction to constitutional law, course # 430; introduction to international public law, course #433; civil procedures, course # 376; penal law, course # 398 and all the subjects for each course. It is clear.
Albert: After you study all these courses and pass your exam, you get your degree, right?
Bertrand: Yes dad, I will get my degree in law and political sciences. It is going to take 4 years, dad.

*** *** ***

Did you get my drill?
Did you understand the meaning of the discussion between Albert and his children? If not, let me tell you why I brought that scenario between the father and his children. Sociology and law are bona fide and well-defined academic study with outlined and well-prescribed courses, requirements and pre-requisites to successfully pass an exam.

- Does Ufology seem to be similar to sociology and law? No!
- Are there courses of study in ufology? I am not talking about UFOs hunting courses, and how to chase an alien!

No!

- Is there an academic or scholastic curriculum for ufology? No!
- Is there an accredited institution of higher learning offering courses in ufology? No!
- Are there accredited degrees in ufology? No!
- Are there recognized accrediting agency (ies) for ufology's colleges? No!
- In America, there are more than 13,000 institutions of higher learning. Is there any college among them that teaches ufology and grants a degree in ufology? No!
- What are the ufology's courses, a student must study? None!
- What are the exams a student must take? None!
- What are the requirements for graduation? None!

In other words, the term Ufology is empty, and the title ufologist means absolutely nothing. Who granted this or that person, the title "Ufologist"? What college?

What ufology's courses, a student took? What ufology's exams a person passed? And how many years, a person spent at an accredited college, studying ufology's curriculum to become an ufologist? Zip!

So please ladies and gentlemen, don't call yourself sociologist if you don't have an accredited degree in sociology.

Don't call yourself psychologist, if you don't have an accredited degree in psychology. Don't call yourself criminologist if you don't have an accredited degree in criminology.

And please, don't call yourself ufologist, if you don't have an accredited degree in ufology! Same thing applies to all those who call themselves "Extraterrestriologist", "Alienologist", and "Alien abductionalist"! It is hilarious.

*** *** ***

Reason #2: Childish and absolutely idiotic claims, assumptions and explanations.

Have you noticed how some producers and hosts of TV shows on aliens, ancient astronauts, extraterrestrials and UFO present and explain their case and idiotic theories?
First and almost always, they start their shows and statements by asking questions such as: “Is it possible that aliens did this or that… etc…etc…”

- “What if extraterrestrials from….. did this or that….?”
- Or, 3-“Does this or that (Picture, carving, a letter or a symbol on ancient Egyptian, Indian, Mayan, African inscription, figurine, slab, etc.) represent ancient astronauts, UFOs, extraterrestrial flying machines and alien technology?”

Have you noticed that they always ask wild and silly questions, followed by an avalanche of irrational claims and absolutely ridiculous assumptions, and thus misleading themselves and the public, instead of giving rational or at least reasonably intelligent explanations to what they are theorizing about?
In their minds, everything we do not fully understand, anything science cannot fully explain, and any mysterious and unfamiliar aspect or facet of ancient civilizations and art *Is* always the product of extraterrestrials!!
Every time there is something which cannot be explained and/or understood rationally, they rush to say: The extraterrestrials did it.

- Who built this ancient Hindu temple?

Their answer: The aliens did!

- Whose skull is this one?

Their answer: An alien’s skull!

- What does this sign, carving, picture or illustration on an Egyptian slab mean?

Their answer: Ancient aliens’ spacecraft; a chopper!

- What is this gadget?

Their answer: OH! This one? Alien technology!

- Why this soil is too dark?

Their answer: The aliens were here and they dropped an atomic bomb.

- Why the forehead of a Pharaoh is elongated?

Their answer: He is part alien.

- Why Martha looks funnier than Thelma?

Their answer: The aliens worked on her.

- Why Elmer has a lump under his skin?

Their answer: Don't you know? It's an alien implant.

- Why and how the German SS officers knew about anti-gravity flying saucers?

Their answer: They are aliens in disguise!

Rubbish! Idiotic! An insult to our intelligence!

Really embarrassing to the ufology community!

And yet, they are still on the air, on the tube, and entering our living rooms, every single week!!

Many (Not all) of ancient astronauts and ancient aliens' theories, accounts and explanations given by some (Not all) ufologists are a farce! And no one has explained it better than Elmer and Edna in their candid chat; here it is:

Let's illustrate the situation: Note: Taken from my book "Ufologists, Officials And Theorists False Claims About Aliens, Extraterrestrials And UFOs."

Aunty Edna, and Uncle Elmer talking about Ufos, Extraterrestrials, Aliens and a TV show on these subjects

Edna: So happy to see you back old timer. How was your trip to Peru?

Elmer: Out of this world aunty Edna. I saw everything…all the aliens I could see.

Edna: Get out of here!

Elmer: It is true sugar. They were there jumping and bumping like jambalaya crawfish pies all over the Nazca Lines. But they had some problems.

Photo right: George Adamski with his alien.

Edna: What did you do to them? Did you steal their pies?

Elmer: Nope. Nothing like that! It was their damned UFOs! They could not land on those lines, they were too narrow, 2 to 3 feet

wide. And their leader was so disoriented. He asked me if I had a GPS.
Edna: Geepee ess?
Gee wiz…What is that Elmer? Did you make it up?
Elmer: Global Positioning System. You can get it at Winn Dixie. I told the alien I can get him one. He was pissed off, because the lamas cows were shitting all over the place, and the poor alien could see no more the lines! He broke my heart. You see the aliens made those lines as runway for their UFOs. Really!
I heard it on “Ancient Aliens”…on the history Channel…you know the teevee show.
Edna: Bullshit! Who would say stupid things like that. Are you pulling my legs?
Elmer: I wish Edna, you are still soooo sexy…and I love those skinny legs of yours…bounce with me honeybunch. Well let me tell you what the aliens told me.
Are you interested? Great stuff!! They are going to make me a big star yessiree!!
Edna: Have you been drinking this moonshine shit again?

Elmer: Listen sweetheart. I am damned serious. The big head alien told me I am the CHOSEN ONE! And the aliens gave me a message for all the good folks in Louisiana to hear. Reverend Jesse will be proud of me.
Edna: A chosen one, a message, my ass! You barely know how to read. I am out of here!
Elmer: Will you listen…you old tree! The big head alien took me inside their UFO and introduced me to a very nice guy who was kidnapped in California while eating oranges and now lives on planet Zambar Ortis 300 in the Anciento Aliensos Constella-

yashen with Huey Long, Johnny Carson, Johnny Cash and Andrew Jackson!

Curly: Did you find the aliens?
Moe: I found one and I am looking at him.

A nice man, not bright but a good man, God bless his heart. He introduced himself as George Adamski and he said to me I am a very lucky man because the aliens are going to

take me to England, you know the country of Queen Victoria. You bet your gazebo.

Edna: Did you fall on your head or something?

Elmer: Okey dokey don't believe me. Admaski…Adamski knew what he was talking about. He said the aliens were organizing a Pickick…Piclick? Oh I remember the word now Picnic…Picnic to England. There is an old church there and under the church there are treasures, the cross of Jesus, The Ark of Covenant, the Ten Commandments and the Holy Grail. I know that's true because I heard it on the Ancient Aliens teevee show. Adamski told me the aliens chose a few good folks to go to England and start digging under Rosslyn Chapel. Johnny Carson will be there, Lucy and her husband, Bud Abbott and Lou Costello, Merle Haggard, Waylon Jennings, Mollie B., all the outlaws, Elvis and Tammy Wynette too, *Stand by your man…and show the world you love him…*

Edna: They are all dead knucklehead! Not Mollie B, she is a sweet angel…

Elmer: They are not dead. They are alive, but are little bit different now. You see Edna when we leave from here we don't

die. The Lord almighty gives us a new body. And I know that for a fact. I heard it on the teevee.
Edna: Where did you hear this crap?
Elmer: I heard it from Machoo Kashou…no no wait a minute… Michio Kaku that's the name, he teaches in New York, he is a city boy. He said all of us live in different worlds and the Lord made copies of us so he wouldn't forget.
I told Admaski…Adamski I am going. You take care now of my turtle and the truck…you hear?
Edna: You go to the barn and you stay there and take with you Elmers glue and sit on it. I am going to see Reverend Rodney… he knows what to do with you.
Elmer: Go ahead drive your truck with expired registration, no license plate, no driving license, no insurance, no spare tire, no brakes, no lights, no front seat, no engine…

Elmer in England…

Elmer is now digging with the 3 stooges in England…there are ETs' treasures in the Rosslyn Chapel basement. The aliens are watching and the stars of "… …" TV Show are reporting live from the basement! Stay tuned, but keep your remote control handy!

Uncle Elmer flew with the aliens to England.
Destination? Rosslyn Chapel's underground basement and tunnels, where extraterrestrial treasures are buried according to ancient astronauts theorists and the stars of Ancient Aliens TV show. Yah Right! Before landing on the lot of the Chapel, the UFO hovered over the site of Stonehenge for 50 seconds, and boom kaboum zoomed back into a space-time tunnel toward the Chapel. Elmer asked Adamski what is going on and what are those huge stones. Adamski replied they are refueling.
Elmer asked again, "Refueling what?"…refueling the UFO said Adamski, and added, "This is something I did not know before, even though I have built a few of those babies with Campbell soup cans and Popeye spinach."
Elmer asked, "How did you know they are refueling?" and Admaski replied, "I learned about it from the Ancient Aliens show…people on the show said the extraterrestrials built the

Stonehenge to charge their UFOs, they have to recharge their batteries, they cross the universe to come here and charge their spacecrafts."
Elmer: "You mean like Leroy's gas station in Baton Rouge?" Adamski: "Yes, something like that."
Elmer was puzzled by the size of the stones and asked, "Gee wiz…man! They are huge. So the aliens built these monsters?" Adamski, "Yes, some, and few stones flew in the air under the command of Merlin the magician." Elmer: "What are you talking about? Stones don't fly in the air! No foolin Mr. Adamski!!"
Adamski: "Merlin moved the stones by the magical power of his stick, didn't you hear it on Ancient Aliens?"
Elmer: "You mean like the sticks we use back home to catch snakes and rats?" Adamski, "Exactly! Now you're thinking!" Elmer: "Where did you learn all this stuff?" Adamski, "I told you Elmer, from the Ancient Aliens show, are you deaf or something? The show the show Elmer."
Edna: Who watches shows like that?
Elmer: Everybody honeybunch, everybody I know…George "The Animal Steel", the wrestling champin, Jessie "The Body" Ventura, Jack "The Snake" the son of Ruth, who got out of jail on Tuesday, Crystal the wicked witch from Beaumont who wrecked her Subaru last week and her fayancee (Fiancé), Ramesh Karesh Bandoor Bonjour the guy who owns seven eleven store, Harvey "The Alligator Man", Bernie the bouncer at the strip joint…
Edna: Wow! What a crowd! La karim dee la karim (La crème de la crème).
Elmer: There are more, Rose the midget from the swamps who hit the sheriff on the head…
Edna (Interrupting and furious): Stop here you knucklehead! Rose is deaf!
Elmer: It doesn't matter, Raoul is helping her…he listens to everything and tells her what's going on.
Edna: Raoul? Are you nuts? Raoul does not understand English!!!

Elmer: It doesn't matter, half of what they say on the show nobody understands anyway.
Edna: Is this a show for retarded people?
Elmer: No Edna, they are not retired, they all work.
Edna: I meant not very bright.
Elmer: They are bright alright. Some finished high school, yes yessiree. And the people who advertise on show are mighty good… Joey advertised his joint, you know "Joey Nacho The Macho" diner…all you can eat. Edgar too who has "Beaver The Happy Coat" store, you know…buy two get one free, and KLXDKP, the teevee station, I hate their weatherman when he says, fifty fifty chance of rainin'… and 33 degrees at the airport, for God's sake who lives at the airport!!
Edna: You are learning something.
Elmer: Yes sugar, I am learning everything, the show is great. It's good for business.
Edna: What business?
Elmer: Well, potatoes chips, crawfish in the bucket, popcorn, you name it…they are selling like hot cakes since people start to watch the show. They sit on the couch and yum yum gooly gooly and eat the whole damned thing…I love it. I love this show. It is better than Sesame Street!!

Reason #3: Ufology is not a Healthy Milieu. (Attributed to the very distinguished Nancy Birnes.) **a-Readers and so-called vicious reviewers:** I have never found offensive, vicious, defamatory, or vulgar words in a literary review of books by poets, philosophers and artists. Sometimes, we read very critical and busting comments, and occasionally colorful opinions on the ideology and persona of the author, but always within the perimeter of purely literary approach, and human decency. But almost 67% of so-called reviews of books on Ufology and works by ufologists, contain words and terms like dis-informer, liar, agent of disinformation paid by the government, con, con artist, scam, fraud, nuts, weird, weirdo, fake, mental case, sick, sicko, garbage, etc. This should tell us a lot about the character, the ethical standards, the manners, the morality, the

level of intelligence, the linguistic abilities, the education, the amount of knowledge, and the depth (Lack of depth) of those folks who write and post such comments and so-called reviews. You will see these sorts of postings and reviews only on UFOs' and aliens' websites. And 98.90% of defamatory posts, postings and blogs are based on hearsay, and previously posted articles on other websites; they just copy, post, repost and recycle what others wrote, even if what it was written is absolutely untrue. 85.70% of these folks breed on, and breathe gossip. Even the legendary Zecharia Sitchen was called fraud and fake, and one person even dared to write the following, in his so-called review of one of Mr. Sitchin's book, posted on amazon.com: "In America, we put people in jail if they do what Zecharia Sitchin did…" I found this, absolutely outrageous! (Note: Mr. reviewer of Mr. Sitchin's book: You are entitled to your opinions. Criticize Mr. Sitchen's work, but don't attack the man personally!) A lady or a gentleman criticizes the quality of work of an author, only a non-lady and a non-gentleman attacks the author. And this, unfortunately, happens all the time in the unhealthy world of ufology and those who claim to know anything about ufology and authors. Mr. Sitchin is just one example of those creative writers who have been maligned and stoned. I don't agree with all his theories, but there is absolutely no reason to attack the persona and character of the man; I have also been called fake, con, and scam by non-ladies and non-gentlemen. So yes, arrows are still in my wounds. Thus, those so-called reviewers are neither knowledgeable of the field, nor gentleman/lady like. And by doing so, they are hurting ufology and ufologists.

b-Ugologists and authors smearing the reputation of other ufologists: For the past 50 years, I have been involved with subjects, studies and writings pertaining to what the general public call "Ufology", as well as extraterrestrial civilizations. As an author and publisher of books, encyclopedias and "UFOs & Supernatural" Magazine, I had numerous opportunities to converse with "Ufologists", researchers and authors. Almost 53% of them ridicule other

ufologists and colleagues. Some dared to echo their opinion, publicly. Others, fearing retribution or counter-attacks, instructed their fans and readers to post negative comments and appalling reviews of their colleagues' books. It is disgusting. So yes, "Ufology" is an unhealthy milieu. Jealousy, ignorance, lack of knowledge and competence, competition, self-serving, gossip, evil attacks on authors' characters and works transmuted Ufology into a stinky reservoir, and consequently destroyed its credibility for ever. Those are some of the paramount reasons why millions of people around the globe don't take ufology and ufologists seriously.

From L to R: Lt. Colonel Philip Corso, Dr. Bill Birnes.
By writing the book "The Day After Roswell", Lt. Colonel Philip Corso and Bill Birnes rendered a huge favor to the ufology's community.

So many ill-informed characters, jealous ufologists, as well as the media and several websites called the authors and the book: Scam, Fraud, etc…never mind, it happened to me too.
The Guardian newspaper included "The Day After Roswell" as #8 in its famous list of "Top Ten literary hoaxes". It was unfair.
Michael Salla posted on his webpage that some ufologists and critics have called Lt. Colonel Corso and Bill Birnes a fraud and literary hoaxers. Salla mentioned Stanton Friedman, Dr. Kevin Randle and Brad Sparks as Corso's and Birnes' strongest critics.
Yet Mr. Friedman is one of the free-lance contributors to Mr. Birnes' UFO magazine. –Go figure. Dr. Michael Salla, a brilliant mind concluded that the documented background of the Lt. Colonel reflects credibility in his work. Dr. Salla said verbatim, "Corso's critics deserve to be admonished for distracting UFO researchers from the task of identifying the truth in Col Corso's

remarkable testimony." That's reassuring! My personal opinion: Lt. Colonel Corso and Dr. Birnes told the truth. You have my word on it! I have a lot of respect for those two authors, and their book is *de facto*, a great achievement. And *a son tour*, Mr. Stanton Friedman was also accused of fraud and scam because of the book he wrote on Majic12. Accusation such as this one: "It's all a scam, even well educated people like Friedman have bills to pay" is offensive, and it disturbs me. Why call Stanton a fraud and a scam? If you don't believe his account, just say it is not believable. If you have some doubt about the veracity of his statements, just say, it is hard to believe or it is unbelievable, but don't call the man scam and fraud. He is not a fraud! On www.reinep.wordpress.com, I read a long article written by the proprietor of the website or its editor/contributor that he is "*really annoyed and irritated by this Stanton Friedman character."* The website's writer or contributor seemed to be disturbed by so-called UFO experts who constantly try to discredit other authors, researchers and ufologists. He stated verbatim, "*One good example of a such a person is Stanton Friedman. Not only has Stanton Friedman been accused of being a CIA operative by the late William Cooper, but also I state that Stanton is a liar and NOT the grandfather of ufology as he states himself. Stanton Friedman constantly attempts to derail the careers of other ufologists, like when he said Bob Lazar was a fake."* Under the headline of "The Hypocrisy of Stanton Friedman", Timothy Goodness wrote that Stanton Friedman made a second career out of attacking other ufologists, authors and researchers and discrediting their credentials and opinions. Mr. Goodness stated verbatim, *"Some examples would be Michael Wolf, along with William Spaulding, who Friedman discredited in a letter that was even published in Travis Walton's book, "Fire in the Sky,"page 138)"* Note: I don't think Sitchin, Corso, Birnes, Friedman and Lazaar are fraud and a scam. They were/are brilliant in their own way.

Why did I write this book? I did, to bring to your attention the following, and to prove to you that: 1-Not all UFOs are of an extraterrestrial origin; 2-Few UFOs or USOs have an "alien"

origin; 3-Some types and classes of UFOs were jointly designed and built by American, Canadian and German scientists; 4-The overwhelming number of UFOs were/are built by German scientists during and after the collapse of the Third Reich; 5-German technology (Past, present and remnant) is the source of 98% of all exotic spacecrafts, and so-called unidentified flying objects. 6-The threat of the Nazi New World Order (NNWO) is real!

CHAPTER I

Ignorance is Costly!

- How did we hear about the German UFOs?
- How did we hear about the American UFOs?
- What kind of evidence, proof and documentation on German UFOs and extraterrestrial UFOs we currently have on hand?
- What do we really know and what we don't?
- Where to look for irrefutable evidence on extraterrestrial UFOs, German UFOs, and American UFOs existence, nature, origin, types, classes, models, and source?
- Are UFOs extraterrestrial or man-made?
- Are UFOs built by the Germans, remnants of the Third Reich scientists, Neo Nazi, secret societies, the Russians, the Canadians, the Americans or the little grey "gray" alien creatures and "space-monkeys" (As called by President Truman) from outer-space?
- Why aliens are invading our space?
- How come, so many ufologists, authors, hosts of TV and radio shows on aliens and UFOs, conspiracy theorists, ancient aliens and ancient astronauts' theorists are so wrong?
- Why don't the aliens reveal themselves?

- Why don’t the extraterrestrials land their spaceships in front of The White House?

I will attempt to answer these questions in the present book. And if we can truly, honestly and authoritatively answer all those questions, then, the UFO phenomenon would or could be solved, despite the denial of governments, the military, debunkers, and antagonistic skeptics, and the avalanches of childish allegations, ridiculous accounts and phantasmagoric stories by conspiracy theorists, ancient astronauts’ theorists and numerous ufologists who are day-dreaming.

But could we?

Yes, to a large degree, because we have:

- a-Solid documentations; b-Official reports; c-Affidavits and testimonies from American officers, and German scientists who worked on those spacecrafts (UFOs) during the Third Reich and after the collapse of Nazi Germany; d-Technical data, scientific research, sketches, drawings, and blueprints from scientists who worked on various projects of UFOs and USOs (Americans and foreigners); e-Detailed reports by American, British, German and Russian intelligence agencies during and after the Second World War.

And not entirely, because:

- a-We don’t know everything about extraterrestrials and UFOs, including the new waves of German and American “flying saucers”; b-We don’t have full access to all the secret files; c-Numerous scientists and military senior officers who were/are involved with any aspect of German, Russian, Canadian and American UFOs and USOs are not talking.

Nevertheless, what we got so far, is more than enough to prove that the:

1-The German UFOs were/are real.
2-Some of the German UFOs were built in NAZI Germany, and some were manufactured after WWII by German scientists outside Germany in secret military bases.
3-Some of the UFOs, people see are American-made.
4-Some of the American UFOs and USOs are de facto, a scientific reality based upon German technology.
5-Some of the UFOs and USOs are built and flown by aliens.
6-Some of the UFOs and USOs were/are built and flown by intraterrestrials aliens (Grays) 7-95% of UFOs' sighting reports can be explained, and are not related to real aliens/extraterrestrial spacecrafts.
8-97% of ufologists' claims and theories are either exaggerated or pure speculations.
What you are about to read in this work concerning UFOs and USOs is based upon facts, meticulous research, unquestionable sources, and top secret files.
None of the findings of my research and numerous compilations of authoritative reports is based upon claims and far-fetched or fabricated stories by authors with vivid imagination, conspiracy theorists, ancient aliens' theorists, ancient astronauts' theorists, questionable whistleblowers, alleged contactees and abductees, psychics, unreliable witnesses, fake channelers and mediums, and confused individuals.
Ufology (I rather call it, study of anti-gravity spacecrafts) is still in its infancy as many have suggested. In my opinion, ufology or the ufology of ufologists and its enthusiasts as we know it so far, is everything but ufology, by its very definition; UFO=Unidentified flying objects,
Logy from the Greek logos = reasoning, opinion, study, logic, thought, etc.
Ufology Is not a real, authoritative and accurate study of flying saucers, unidentified flying objects, and/or any type or category of extraterrestrial spacecrafts, alien or man-made, because:

- 1-It designates those objects as unidentified; 2-It considers UFOs to be of an extraterrestrial origin; 3-It refers to the pilots of those spacecrafts as aliens.

And because:

- 1-95% of reported UFOs' sightings are totally unrelated to extraterrestrial intervention; I am not here referring to atmospheric conditions, but to the "manufacturing" and origin of those spacecrafts; 2-96% of so-called witnesses' accounts and reports are fake; 3-97% of the claims, opinions, statements and stories of ancient aliens' theorists, ancient astronauts' theorists, and 97% of the allegations and hypotheses of ufologists were never ever totally based upon facts, solid evidence, unquestionable sources, verifiable technical data, and historical veracity, but rather on personal interpretations of events, far from the veracity provided by scientific, industrial and military documents pertaining to the origin, the nature and the various phases of production of UFOs (anti-gravity spacecrafts); 4-Childish theories which are based on total ignorance of art history and religions, and especially unfamiliarity with dead and ancient languages, numerous ufologists and ancient astronauts and ancient aliens' theorists have always referred to, and used as their authoritative and primordial source of information; as a reference and as a tool to back up their arguments; languages they couldn't read, languages they couldn't write, languages they couldn't understand!!

I am not an opponent of <u>all</u> ancient astronauts' theorists, ancient aliens' theorists, and ufologists. Absolutely not.
During my 50 years of research, study, exploration, learning and writing about UFOs/USOs (anti-gravity spacecrafts), I have met very honest and well-informed authors and researchers in the field. But they were few. Very very few.
Does the content of this book contradict what I have stated about aliens and UFOs in the 3 encyclopedias and 250 books I

have written so far on the subject? Absolutely not!

- I still believe that extraterrestrials, intraterrestrials and aliens exist.
- I still believe that UFOs (anti-gravity spacecrafts) appear in our skies.
- I still believe that some alien or extraterrestrial species have met with representatives from our governments, the military and the best of our aerospace scientists.

But,

- I don't believe that the "saucers" Mr. Kenneth Arnold saw flying over Mount Rainier in the Cascades, in Washington State, were aliens' UFOs, as claimed by ufologists, and ancient astronauts' theorists.

- I don't believe that the Nazca lines in Peru are runways for extraterrestrial and alien UFOs, as claimed by ancient astronauts' theorists; the flying machines and spacecrafts of highly advanced civilizations don't need runways. They can land and take off vertically. Besides, those Nazcas lines are less than three feet wide. How could possibly an extraterrestrial spaceship land on a 3 feet-wide runway?

- I don't believe that the circles drawn around the heads of prehistoric figures, cavemen and ancient people on caves' walls represent astronauts' helmets from outer-space.

- I don't believe that the drawings of lines above the skulls of cavemen, found on the walls of prehistoric caves represent antennas of extraterrestrial visitors.

- I don't believe that the Egyptian drawing of a triangular object with beaks of birds represents an alien craft.

- I don't believe that the Pit of Oak Island is where the Ark of Covenant is hidden.

- I don’t believe that the Holy Grail is hidden in the basement, the underground or the foundation of Rosslyn Chapel.

- I don’t believe that Pharaohs who had deformity in their skulls (Elongated skulls, elongated heads, cranes, so on) are alien gods because they had elongated skulls.

- I don’t believe that the SS Nazi and Gestapo’s officers are aliens and Grays disguised in German military uniforms.

Chapter 2

Our Former Presidents Saw a UFO!
All our Presidents except President Obama knew a lot about the Nazi UFOs!

_____

President Ronald Reagan and President Jimmy Carter, candidly and openly told us about their UFOs' sightings.

The account of President Carter:
President Carter reported seeing an UFO, right before attending a scheduled meeting with members of Georgia Lion's Club, in October 1969.
He described the UFO as a glowing circular object changing colors and shapes for an approximate period of ten minutes.
In fact, President Carter referred to his UFO's sighting while campaigning in 1976.

President Reagan reported seeing UFOs!

Lucille Ball: "Well…he (President Reagan) told me he saw a UFO…Nancy was there. Why don't you ask Steve Allen?"

Steve Allen and Lucille Ball told us that President Ronald Reagan said to them that he (And Nancy) saw UFOs on two

occasions; the first one occurred in 1953, and the second one in 1974.

President Reagan once said in public: “I was in a plane last week when I looked out the window and saw this white light. It was zigzagging around. I went up to the pilot and said, ‘Have you seen anything like that before?’ He was shocked and said, ‘Nope.’ And I said to him: ‘Let’s follow it!’
We followed it for several minutes. It was a bright greenish-white light. We followed it to Bakersfield, and all of a sudden to our utter amazement it went straight up into the heavens. When we got off the plane, I told Nancy all about it.”

President Reagan discussing UFOs and aliens’ threats with Shevardnadze and Gorbachev

September 15, 1987: While having a lunch with Shevardnadze, President Reagan talked with his guest about a possible threat to Earth from out of this world, and asked him, “Do you think the United States and the Soviet Union would be together to fight the threat?” and with a firm tone Mr. Shevardnadze replied, “Absolutely!”

A White House transcript referred to what President Reagan said to Gorbachev about UFOs and aliens; here is an excerpt: “How easy his (Gorbachev) task and mine might be in these meetings that we held if suddenly there was a threat to this world from some other species from another planet outside in the universe. We'd forget all the little local differences that we have between our countries …”

In 1987, in Moscow, Gorbachev stated that such discussion did occur. Here is an excerpt from Gorbachev’s statement, “The U.S. President said that if the earth faced an invasion by extraterrestrials, the United States and the Soviet Union would join forces to repel such an invasion.

I shall not dispute the hypothesis…”

Aliens or German UFOs' Threat?

President Ronald Reagan speaking about an alien threat at the United Nations

Excerpts from President Reagan's Address to the 42nd Session of the United Nations General Assembly in New York, at 11:02 A.M. in the General Assembly Hall, on September 21, 1987.

Ronald Reagan: "We look forward to a time when things we now regard as sources of friction and even danger can become examples of cooperation between ourselves and the Soviet Union. Can we and all nations not live in peace?
In our obsession with antagonisms of the moment, we often forget how much unites all the members of humanity. Perhaps we need some outside, universal threat to make us recognize this common bond. I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world. And yet, I ask you, is not an alien force already among us? What could be more alien to the universal aspirations of our peoples than war and the threat of war?"

In brief secret meetings, President Reagan echoed his concerns about UFOs' threats to Prime Minister Mohammed Khan Junejo

of Pakistan, and UN Secretary General Javier Perez de Cuellar de la Guerra.

Admiral Crowe discussing UFOs with President Reagan and Prime Minister Margaret Thatcher

Admiral William James Crowe, Jr., Chairman of the Joint Chiefs of Staff, talking to President Reagan: “German UFOs are no threat to national security.”

President Reagan also discussed the UFOs’ threat with Admiral William James Crowe, Jr., Chairman of the Joint Chiefs of Staff. Both men knew that UFOs were not of an alien origin, but rather a mind-blowing German technology.

President Reagan had limited access to the government’s secret files on German UFOs. Admiral Crowe reassured the President that the German UFOs are no threat to national security. He added that President Truman and President Eisenhower had some sort of an agreement with the “old school” and remnants of Nazi scientists who previously worked on these UFOs in Germany, Austria and Poland, and who are currently operating from Canada, Argentina and the Antarctic. While serving as the U.S. ambassador to Great Britain (1994-97), the Admiral had intensive talks with Prime Minister Margaret Thatcher about the Falklands war, and of course the UFOs. And again, he reassured the Prime Minister that the German UFOs are no threat to Great Britain and the United States.

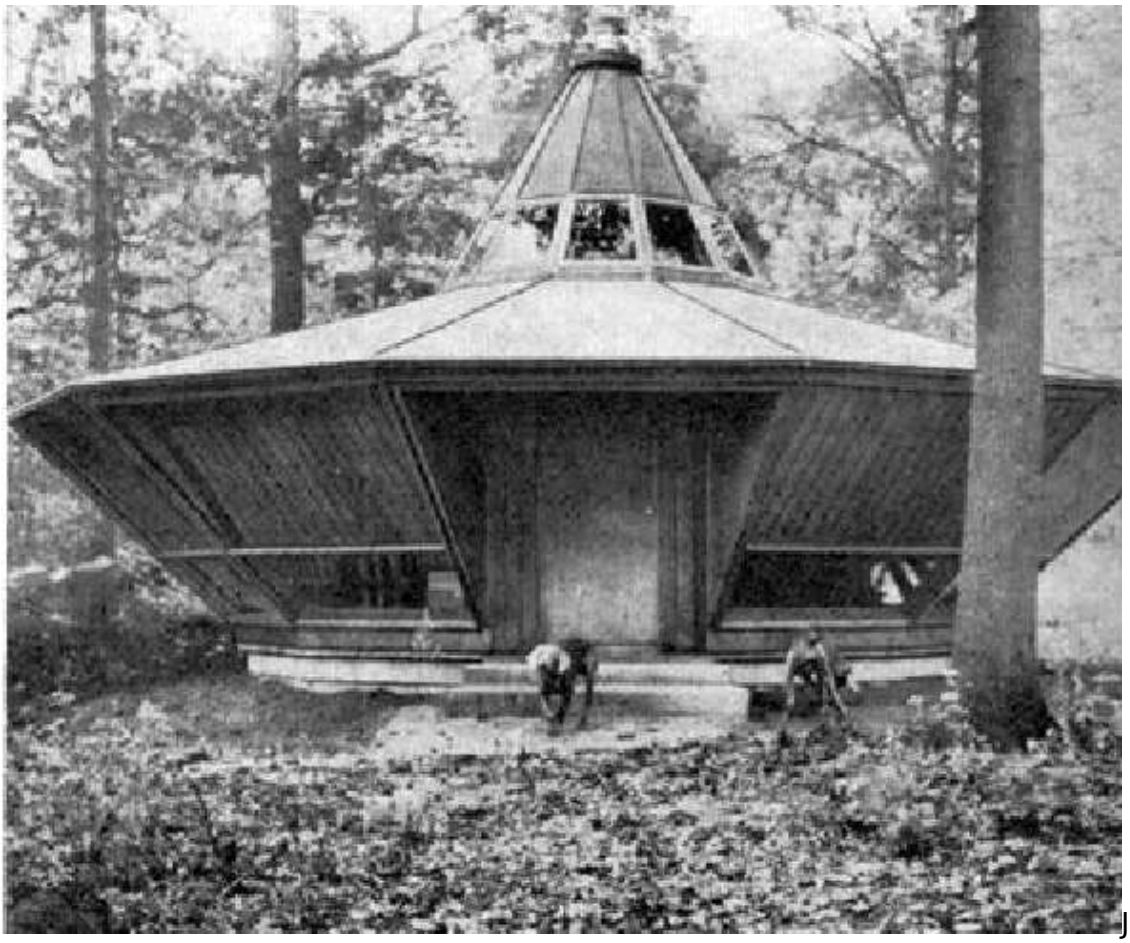
BRIDE SHOCKED ON WEDDING NIGHT – GROOM IS A WOMAN!
What you should know about your eyes
Jackie Gleason UFO Shocker!
I SAW BODIES OF DEAD ALIENS AT TOP-SECRET AIR FORCE BASE

If Jackie said so, it must be true:
Gleason spills the beans on the Feds.

President Nixon saw UFOs and much more!!
The account of Jackie Gleason.

Insiders as well as Jackie Gleason's own accounts revealed that "The Great One", thanks to President Richard Nixon (The Darling of the CIA) had access to secret German UFOs' files, reports on extraterrestrials, and more significantly, secret storage rooms at Homestead Air Force, where he saw with own eyes dead alien bodies. It did not take Gleason long to represent what he saw, for short after, he built a house to resemble a German UFO he saw, and called it "The Mothership".



Jackie Gleason storage house in Peekskill, New York.

Gleason built a house in Peekskill, N.Y. which he called "The Mothership” at Rock Hill Drive, Cortlandt Manor, NY, north of the intersection of Washington Street and Furnace Dock Road, to remind him of the German UFO he saw.

Sheila MacRae: “Jackie told me the UFOs are real. The Air force got them…some were aliens…some were Germans…”

Photo: Sheila MacRae.

Sheila MacRae (Alice Kramden) from the "Honeymooners", said Jackie described to her in detail the exterior and interior of UFOs and how concerned was the Air Force. He also told MacRae that these UFOs were made in Germany during the Second World War and the huge ones were made by German scientists who escaped Germany at the end of the war.

Bob Considine said that Gleason told the truth and President Richard Nixon was very-well informed about the German UFOs, not only that, but four of our Presidents were briefed on Germany’s UFOs by the United States Air Force, and all covered-up the whole thing.

Photo: Beverly McKittrick Gleason with husband Jackie Gleason.

Beverly Gleason, (Jackie Gleason's second wife) told friends, movie stars and the media that her husband in the company of President Richard Nixon, saw the bodies of dead aliens in South Florida in 1973 or 1974.
She said verbatim, “After he got back, he was very pleased he had an opportunity to see the dead little men in cases.” When the word got out, Jackie Gleason did not deny the story. In fact, in 1987, Jackie Gleason told Larry Warren, who was stationed at RAF Bentwaters in Great Britain where he served in the Air Force Security Police of the base.

Mrs. Gleason added that President Richard Nixon took her husband to Homestead Air Force Base where he saw with his own eyes small aliens in a secret storage area. Jackie Gleason confirmed the story on several occasions, and gave additional stunning details.
He stated that he went (with President Nixon) through few areas and laboratories at the Base, until both of them reached a room, where and when President Nixon told him that this very room was the storage room of the wreckage of a flying saucer and the remains of dead aliens’ bodies placed in large wooden containers.
Then, the President and Gleason entered another larger room, and saw six or eight glass-topped containers/freezers containing the remains of some mangled creatures which did not look humans at all.

Beverly McKittrick, Gleason: “Richard Nixon told Jackie that the UFOs were made by the Germans.”

Beverly was really confused because her husband kept changing particular segments from his story. Sometime he would tell his wife that the dead bodies the Army retrieved were aliens, and when he was not drinking too much, he would say the UFOs were German-made, but some of the UFOs were piloted by aliens.
Lucile Ball said that Jackie Gleason did tell her a lot about German UFOs but she did not take him seriously.
According to Lucille, Gleason said that Richard Nixon told him that all the former Presidents knew very well what was going on, and that the Germans were flying their UFOs over the United States as a “Challenge”.
Gleason stated that the President of the United States knew that the UFOs were real, and a few years later, after the collapse of Nazi Germany, we (U.S.) collaborated with UFOs’ German scientists brought to America from Germany, Austria and Poland.

General R. O’Donnell: “Jackie’s right.”

Photo: General Emmett "Rosie" O'Donnell.

General R. O’Donnell, then, head of the Strategic Air Force Command, who was listening to Jackie Gleason while talking to

columnist Bob Considine, smiled and said verbatim: “Jackie’s right.”

Jackie Gleason Saw Bodies of Space Aliens at Air Force Base

By BEVERLY GLEASON

Space aliens exist! Ask Jackie Gleason — he's actually seen them.

I'll never forget the night in 1973 my famous husband came home, slumped white-faced in an armchair and spilled out the incredible story to me.

He was late. It was around 1:30 p.m., and I'd been worried. As soon as I heard his key turn in the lock of our golf course home in Inverrary, Fla., I jumped to my feet and asked, "Where have you been?"

His reply stunned me:

"I've been at Homestead Air Force Base — and I've seen the bodies of some aliens from outer space.

"It's top secret. Only a few people know that the President arranged for me to be escorted in there and see them."

I knew that he and President Nixon were buddies, so that didn't surprise me. But the story that followed was incredible.

"No one would tell me the full details, but a spacecraft has obviously crashed near here," said Jack.

"When I arrived at the base, I was given a heavily armed military escort and driven to a building in a remote area.

"We had to pass guards at the door then were shown into a large room.

"And there were the aliens, lying on two separate tables.

"They were tiny — only about two feet tall — with small hands and disproportionately large eyes.

"They must have been dead for some time because they'd been embalmed."

I started to smile. It seemed just too much to believe.

But Jack caught my look and stared at me for a long time. He then begged:

"It sounds incredible, but I swear it's true," he said. "I'll never forget it ... ever."

President Nixon Arranged for Him To See Them

A FIRM BELIEVER in UFOs, Jackie Gleason actually saw the bodies of seven aliens, according to his ex-wife Beverly, shown at left with Gleason as they posed happily on their wedding day.

Jack was fascinated by anything involving the occult and believed in UFOs.

He read anything he could get his hands on about new UFO sightings around the world.

"You see — there's another one," he'd say, pointing to an article about a sighting.

He was fiercely patriotic and even paid his taxes happily.

But one thing he detested about the government was what he called its cover-up on UFOs.

"They know all about

coming from a friendly place, and we should communicate with them," he'd insist.

And he was triumphant when his own beliefs were bolstered by a backstage meeting with one of the astronauts.

Jack was co-hosting a TV show, and one of the guests that night was one of the early American astronauts in space.

When the show was over, Jack and the astronaut became absorbed in a private discussion about UFOs. And when Jack told the man that he was a believer in UFOs, the astronaut confided to him:

"You're right. They do exist. I've seen one with my own eyes during our mission.

"But we've been sworn to secrecy and the government will never let the information out to the public."

Jack was thrilled — and furious. He was thrilled to be given right at that first go as to have all records about the sightings confirmed.

And, of course, actually seeing the bodies of those aliens was the final proof.

He's intrigued by anything involving the occult and the psychic. He has thousands of books in his library and many of them deal with supernatural subjects.

There was no doubt in Jack's mind that he had lived before, as a swashbuckling English duke in the days of King Henry VIII.

He felt as a 16th-century duke had evidently been just as exciting as his present one. He'd tell me how in his nightmare dreams he rode into battle, dressed in a suit of gleaming armor and mounted on a snow white horse. Of course, he was always victorious!

And through his dreams he would recall how he lived

The story of Jackie Gleason, President Nixon and the aliens' bodies written by Beverly Gleason and published in the "National Enquirer" on 8, 17, 1983.

President George Bush Sr.

Former President George Bush Sr. was and still is one of the world's most knowledgeable persons on the subjects of extraterrestrials.
President Bush was the Director of the Central Intelligence Agency from 30 January 1976 to 20 January 1977.

Some passages taken from official reports but never mentioned in the AT (Aliens Transcripts,) clearly indicated that President George Bush Sr., is one of the most knowledgeable persons on the subjects of extraterrestrials, alien abduction, and their spacecrafts. President George Bush had a direct access to the Aliens Transcripts, Top Secret and Above Top Secret reports, studies and testimonies from civilians and the military (Army senior officers, air force commanders and pilots), and other semi-official and governmental agencies.
While serving as Director of the Central Intelligence Agency (CIA), President Bush gathered and reviewed the world most detailed and documented reports and findings on aliens' spacecrafts, their technology, and extraterrestrials, including their interactions with a few "non-human beings."
President George Bush's files on UFOs and extraterrestrials are nowhere to be found. But they DID exist!

We see all our presidents (Past and present) smiling when reporters ask them questions about UFOs. Some, like President Truman and President Clinton would smile and answer in a humorous manner, others like President George Bush Sr. and President George Bush Jr. would evade the questions, etc.
But now, everything has changed, and the humor and the smiles would no longer do the trick, for the German New World Order's UFOs has become a serious threat.

You should know that it was never the intention of the CIA as an entity to mislead the general public on matters and issues related to alien technology, the UFO phenomena, and other pertinent subjects. Misleading was NOT the CIA objective. Look for your answers in the Oval Office and secret files of the USAF, and nowadays in the drawers of NASA.

The CIA and the NSA quite rightfully and legally withheld delicate information on these subjects because revealing such information and declassifying certain files will absolutely jeopardize national security, the safety and sanity of the American people, as well as many people around the globe.
It was not the CIA or the NSA which decided to keep the UFO question an Above Top Secret matter, but two powerful (Former) Presidents, and an extremely influential committee/panel consisting of Archbishops, some of the nations' leading businessmen, and of course extremely influential generals and admirals from the army, the navy and the air force.

United States Presidents and Senators are not Allowed to View UFOs' Secret Files!

When he assumed the office of the President of the United States, President Jimmy Carter summoned George Bush, Sr., then, Director of the CIA, and asked him to be provided with the CIA's files on UFOs.
The Director replied that those files are classified "Above Top Secret" and he (The President) does not have enough "Security Clearance" to see the files, because they were classified under the jargon "No Need To Know".
In other words, President Carter was not allowed to view the UFOs CIA files, because he "did-not-need-to know!"
-Go figure!!

President Carter was shocked!
Then he asked the Director, what he had to do to see those file, and the Director candidly but firmly told him that he must ask a certain congressional committee to declassify those file.
The President was furious, and at one time he tried to get rid of the CIA, but of course he failed.
President Richard Nixon was the only American President who had access to the UFOs' secret files.

United States Senators are not Allowed to View UFOs' Secret Files!

Senators too are not permitted to view UFOs' files or even to ask to view them!
When Senator Barry Goldwater tried to view some UFOs' files, and see the Blue Room, at Wright-Patterson Air Force Base, where allegedly 3 aliens' dead bodies were stored, the Senator was refused entry. On more than one occasion, the Senator told

the story of being denied access to view the secret underground facilities at the base.

Senator Barry M. Goldwater’s statement on the Larry King Show.

In 1994, in an interview conducted by Larry King and broadcast on CNN, Goldwater said, "I think at Wright-Patterson, if you could get into certain places, you’d find out what the Air Force and the government does know about UFOs. Reportedly, a spaceship landed. It was all hushed up. I called Curtis LeMay and I said, ‘General, I know we have a room at Wright-Patterson where you put all this secret stuff. Could I go in there?’ I’ve never heard General LeMay get mad, but he got madder than hell at me, cussed me out, and said, “Don’t ever ask me that question again!”

Senator Barry M. Goldwater, a powerful politician, a former presidential candidate, a former Major General in the United States Army Air Corp, and a member of the US Senate Select Committee on Intelligence for many years, could not see the UFOs’ files and enter the “Blue Room”.
Senator Goldwater continues, “I have investigated that incident (Roswell) through every possible agency that may have had some responsibility, the FBI (Hoover who shut me off quickly), The NRO, DIA, NSA, etc., and have gained nothing other than hell from the Pentagon. I'm as curious about those facts as you. The reaction I have had from General LeMay and the on-site Roswell facts known by General "Butch" Blanchard, etc., has told me one thing that it did happen and is a major secret regarding UFOs and aliens of our time. Perhaps of all time.
General LeMay Chairman of the Military Joint Chiefs of Staff at the Pentagon very angrily told me that I had no need to know. Butch Blanchard was a very valued friend of mine since WWII. He was the person who announced that a disc had crashed near Roswell in 1947.

This cussing out did awaken me to one fact, that the UFO situation is the highest level of national secrecy… Much higher than the H-Bomb was and more than anything else that is known within the Pentagon, FBI, CIA, DIA, NSA, etc.
That is, nothing is higher security than aliens being here on this planet. Then I realized Curtis was correct. And I never again approached him on the subject. That seemed to prove to me that UFOs were a fact, and do exist.
But, are they all aliens?
I highly suspect a majority are!
Hell, they are no doubt far ahead of our level of intelligence.”

Senator Goldwater was denied access to the government’s secret files on UFOs.

General LeMay, Former Chairman of the Military Joint Chiefs of Staff at the Pentagon.

Senator Goldwater’s letter to Lee M. Graham.

Mr. Lee M. Graham 526 West Maple Monrovia, California 91016
Dear Mr. Graham: First, let me tell you that I have long ago give up acquiring access to the so-called Blue Room at Wright-Patterson, as I have had one long string of denials from chief after chief, so I have give up. In answer to your questions, "one is essentially correct." I don't know of anyone who has access to the “Blue Room”, nor am I aware of its contents and I am not aware of anything having been relocated. I can't answer your question six, in fact, I can't find anyone who would answer it.
To tell you the truth, Mr. Graham, "this thing has gotten so highly classified," even though I will admit there is a lot of it that has been released, "it is just impossible to get anything on it." I am returning your papers because I know they are of value to you.
Sincerely,
Barry Goldwater

Dear Mr. Steinman:

To answer your questions, I have never gained access to the so-called “Blue Room” at Wright Patterson, so I have no idea what is in it.

I have no idea of who controls the flow of "need-to-know" because, frankly, I was told in such an emphatic way that it was none of my business that I've never tried to made it my business since.

I wish you luck on your investigation. I'm one of those people who believe that with some two billion planets scattered around our universe, there has to be a couple of more that can support life on it.

Sincerely,

Barry Goldwater

Chapter 3

President Harry Truman-German UFOs Cover-up!

U.S.-German UFOs Question The Administration-Military-Clergy Cover-ups Nikola Tesla

---

Why to coverup? And the military aspect of UFOs' cover-up:

From day one, President Truman and the Pentagon did not want us to know a thing about UFOs. So for now, let's keep the NSA and the CIA on the back burner.

The President had multiple reasons to cover-up everything, while the military had only 3 reasons outlined as follows: 1-The UFOs are a purely "Military Secret", thus, the whole situation should remain exclusively under military jurisdiction and authority; 2-Preventing the Russians from knowing what the military knew about the German UFOs, and what the military was doing; 3-The military could not come up with a plausible explanation of what these UFOs were in reality, and how to reassure us that the UFOs were no danger to the American people.

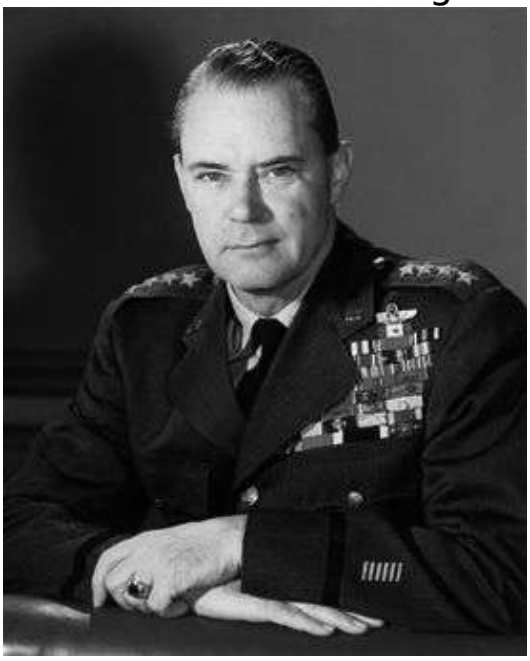
Before February 1947, the United States military believed that UFOs were extraterrestrials. The OSS and the legendary Richard Helms concluded that the UFOs were German-made, and the Nazi and occult groups in Berlin and Munchen who had some sort of connection with extraterrestrials were an intricate part of the creation and development of UFOs, and other enigmatic flying machines.

In other words, the UFOs were part German, part extraterrestrial. For an extended period of time, top German

scientists (Nazi or not Nazi) who were recruited by us would not talk about the *true* origin of the UFOs.
Some would say that the UFOs were German-made, others, like Dr. von Braun and Dr. Herman Oberth, reluctantly would admit that the German got help from extraterrestrials.
We have on record, a statement by Dr. Oberth which *de facto* ascertains that the German scientists got help from the aliens.
After April 1947, the military changed its opinion about the nature and origin of the UFOs, and became convinced that the UFOs of the era were the results of the research of Victor Schauberger, General Dr. Dornberger, Dr. von Braun, Alexander Lippisch, Dr. Richard Miethe, Karl Schapeller, SS General Jakob Sporrenberg, General Ernst Udet, Dr. Schumann, perhaps Maria Orsic, so on.
They based their original convictions on UFOs' patents registered in Germany, and drawings, maps and sketches of engines, machines, and crafts invented by Nazi scientists, such as, to name a few: Lippisch aerodune, Lippisch DM-1 (Delta Wing Plane), Lippisch's supersonic and transcontinental bomber (Prototype of the Aurora), Arthur Sack's circular flying machine, the German ME 163, Rudolph Schriever's technical data, Alberto Fenoglio's sketches and blueprints, the Horten 229, Heinrich Focke 1939 patent of his VTOL HW Schnellflugzeug Rochen, the sketches of the Geist Vril series, sketches of UFOs found in hangars in Letow, Breslaw and Dresden, the notes of Karl Haushofer, interrogations of General Friedrich Wilhelm Müller, photos of the Andromeda Gerät, the photos and technical data of the Rundflugzeug RFZ series (7 types) and the Haunebu series, and of course Schauberger's Repulsine and Repulsator, so on.

The UFOs were considered a "Military Secret":
In summary, the German UFOs were considered by the military as a top secret military affair, and consequently the American public, the media, as well as other intel and national security agencies should not know a thing about UFOs. Only the military should deal with UFOs.

It was a “Military Secret” and had nothing to do with politics.



General Hoyt S. Vandenberg

General Hoyt S. Vandenberg’s intimidation and cover-up: One of the master-minds of this theory was General Hoyt S.

Vandenberg, a hero in his own right, and who was considered to be one of the most feared and powerful generals in American history.
Probably, the General was right, taking into consideration that German UFOs were a “military secret”. And military secrets should never be divulged. I totally agree with him. However, I totally disagree with General Vandenberg’s tactics to deceive and even to intimidate all those (military, high ranking officers, scientists) who were assigned the duties to investigate German military technology and report on UFOs and DISTORT the truth! In my opinion, he was the architect *par excellence* of the most elaborate UFOs’ cover-ups in military history.
Here is a brief synopsis of what he did.
In April 1948, intensive investigations and assessment of German UFOs, as well as recent UFOs’ sightings reports were sent to General Vandenberg, for in that year, the General was in charge of everything related to UFOs. The reports included very clear photos of the UFOs, new testimonies by German scientists, and witnesses’ accounts (Pilots and military-men who saw the UFOs). The General refused the reports and commented that the UFOs’ sightings and the witnesses’ accounts could and should not be taken seriously for lack of evidence.
In other words, he categorically rejected everything!
Why the General did not believe his own people?
And why did he discredit the professional assessment of military experts?
But did he?

No, ladies and gentlemen, the General believed every word in the reports, but he wanted to crash all sorts of stories about UFOs, silence witnesses, and discourage anybody, including his own men from reporting any thing on UFOs! Furthermore, he instructed his people to describe the UFOs’ sightings as hoaxes, to discredit and ridicule all those who report UFOs sightings.

In addition, he threatens captains, majors and colonels who pursue and authenticate UFOs sightings and credible reports, and let them know that they will be court-martialed!!

General Omar N. Bradley
Richard Helms _____

Note on Mr. Helms: Mr. Richard Helms did not share with President Truman what he knew about the German UFOs. And he had a good reason for not revealing secrets about the German UFOs, for he did not want the Russians to know a thing about the NAZI UFOs' program.
This is quite proper, legal and understandable.

President Truman was the first and most informed American President on anything related to UFOs and aliens.

Harry Truman was the first American President to fully control the CIA, simply because he created the agency by signing the National Security Act of 1947, and after abolishing the OSS (Office of Strategic Services) and getting rid of General William Donovan, a protégé of President Franklin Roosevelt and former head of the OSS. The CIA was his baby.
President Truman was also the first and most informed American President on anything related to UFOs,

intraterrestrials and extraterrestrial affairs, seconded only by President George Bush Sr., who served as Director of Central Intelligence from January 30, 1976 to January 20, 1977. (Replacing William Colby) President Harry Truman was also the first American President to receive full report and detailed data on the German UFOs, Nazi exotic weapons, and Foo Fighters.
President Truman was delighted to see ufologists and a large portion of the general public spreading stories and allegations about aliens and extraterrestrial UFOs. The CIA warned him; he was told that the whole charade could backfire, but he did not give a damn. Insiders talked about how much President Truman distrusted the CIA. He learned and inherited “distrusting people and agencies” from his boss, President Roosevelt.
By the end of the forties and the beginning of the fifties, President Truman knew that he will be dealing with German UFOs, instead of extraterrestrial UFOs.

Harry Truman, Dwight Eisenhower and George Bush Sr. were vividly interested in the UFOs’ question; but Truman was the first to create a protocol and procedures on how to initiate and conduct investigations, and gather information about UFOs.
President Truman allocated huge secret budgets for research on German UFOs, and how German flying saucers could be used militarily. However, by the end of his presidency, he lost interest in UFOs and aliens, who once he called “Space Monkeys”! But did he?
There are quite a few top secret Presidential memoranda signed by President Harry Truman, President Dwight Eisenhower and President Richard Nixon, which gave full authority to the CIA to disseminate information to confuse, disorient and misinform the Soviet Union.
In one of President Truman’s secret memoranda, a reference was made to the aliens’ influence and remnants of Nazi aerospace engineers’ total control over strategic military points that could cause embarrassment to the United States Air Force, Navy and Army.

Nevertheless, the term “Alien Technology” was quickly and secretly replaced by “Nazi UFOs” and “German Technology.”

Truman did not trust anybody.

He made it clear that these subjects should NOT be made public, communicated to the armed forces, and shared with other agencies.
He Okayed operations to uncover and investigate anything and everything related to German UFOs. He ordered the CIA to gather everything they could find, here and abroad on German UFOs, and investigate/assess OSS reports and findings on German technology and scientists.
By the same token, he specifically informed the agency that he is NOT interested in reading their reports on German UFOs and learning about their findings. (One of his deceptive tactics!) He gave the agency carte blanche, with unlimited authority and power.
He also authorized the agency to solicit the help of foreign agents, if necessary. The agency did. European spies, Russian operatives and British agents worked for the agency.
The agency recruited four former British code breakers, who cracked the code of the German Enigma Machine at the signals intelligence center at Bletchley Park in England.
In fact, two scientists from Poland were the first to unlock the complicated mechanism of Enigma, and decipher its codes, and not the Brits.
Alan Turing, was one of the first British code breakers who joined the agency’s efforts to learn more about aliens symbols and codes. Again, the word “Aliens” was replaced by “German Technology”.
On more than one occasion, President Truman told the head of the agency not to bother him anymore with UFOs/aliens’ stuff.
In the same time, he made it clear to him, that nobody, no other agency, no one, not even the Air Force should know about this.

In other words, and simply put, the agency had to report to nobody, to no one!
Director of the FBI, Edgar J. Hoover and the military found out and were pissed off. Later on, when the Pentagon and the Air Force became heavily involved with UFOs, and took over the whole thing, Director Edgar J. Hoover wrote to them and asked to be permanently informed. In one of his letters he precisely showed an interest in the recovered dead bodies of three aliens.
The military ignored his request, and he went berserk.
But somehow, Hoover managed to get some very important documents from the intelligence agency.

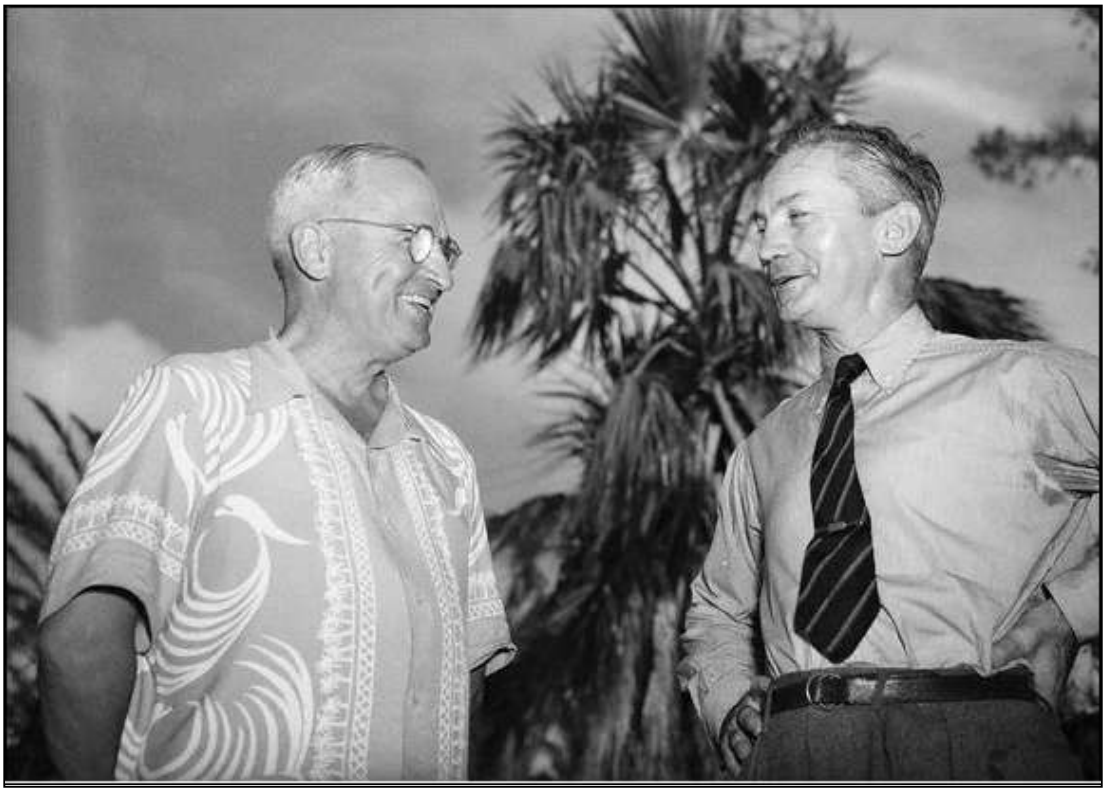
Although President Truman gave full authority to the agency to take care of the German UFOs' business, secretly, he created his own committee to oversee what the agency was doing.
It is very ironic, because in a previous secret memo, and during a verbal communication with the director of the agency, President Truman made it clear to him that he is not interested in reading the reports and findings of the agency on UFOs and aliens (He called them "Space Monkeys!") In fact, it is not so ironic, if you know a little bit about the character of President Truman.
He did it and said it on purpose, so he would and could legally and "honestly" deny any knowledge of the aliens, and UFOs.
He was protecting the "integrity of the office of the President of the United States."
Later on, it was found out that President Truman's intention was much broader. President Truman wanted to set the foundation of isolating any politician, any senator, any congressman, including future presidents from knowing anything about German UFOs. It seems bizarre, but it did happen.

His last communications with the Director of the agency would occur exclusively in the Oval Office, and only Marshall was

allowed to be present. Defense Secretary James V. Forrestal was barred from all the meetings.

General William Donovan receiving a medal from President Harry Truman. And short after, Tuman fired Donovan. History repeats itself!

George Tenet, a former Director of the CIA receiving his medal from President George Bush. And short after Bush fired Tenet. History repeats itself! Mr. Tenet (A great patriot) was victimized!



From left to right: President Truman, Defense Secretary James V. Forrestal. President Truman got rid of Forrestal.

Did Secretary Forrestal commit suicide or was he killed? Was he the first UFOs' cover-up victim?

On May 22, 1949, the ousted Forrestal committed suicide at the Bethesda Naval Hospital, Maryland, USA.
He was "quarantined" on the 16th floor suite, for psychiatric evaluation and intensive care. Report on his death as issued by the hospital stated that he jumped from a window in the 16th floor.
A very close associate of his said they killed him! The Secretary was taken by force to Bethesda Naval Hospital, on order from President Truman. And around the clock, 4 MP were guarding his room. A polite way to say, he was under a constant watch, not for his own safety, but to make sure that what was

“planned” would be carried out without interference and suspicion.
Many believed Forrestal was the first official victim of German UFOs/Aliens Cover-up. The “AT Transcripts” did not make any reference to the suicide incident.
However, insiders could not keep their mouth shot; frustrated, they spread the rumors that hired operatives from a secret US agency closely related to the US military intelligence (Not the CIA) killed him and threw him out from the window.

To set the record straight:
Yes! They knew about German UFOs and their post-war secret bases.

During the Second World War, Germany was sending fleets of submarines, ships, and exotic spacecrafts (UFOs) to their unofficial colony, the Neu Schwabenland in the Antarctic, and to other secret locations and underground bases known only to Himmler, Kammler and to an elite of their military scientists.

Insiders, as well as United States and British intelligence confirmed that those underground secret bases were later used by the Germans after the war, as their new headquarters and center for their UFOs. Files upon files confiscated by the allies at the secret German bases in the Harz Mountains, Thuringia and Peenemünde referred to the Antarctic’s locations.
The OSS and United States military intelligence compiled lists and dossiers on highly advanced types and new classes of post-war German UFOs which were built at those locations.
In 1950, one of the CIA’s secret memoranda revealed that in fact, a highly advanced type of German UFOs, as well as the UFOs seen over the United States and Europe came from the Antarctic’s German new headquarters.

Photo: Allen Welsh Dulles .

In 1951, the Soviet Union and the United States secretly and jointly sent two expeditions to Antarctica to spy on post-war Germany's new UFOs' centers and underground factories in Neu Schwabenland.
The expeditions were mentioned in a secret CIA memorandum issued by General Walter Bedell Smith, then director of the CIA, and in a secret memorandum issued by Allen Welsh Dulles, then the Deputy Director of the Agency.

Photo: General Dr. Walter Dornberger.

In addition to the immense Neu Schwabenland's UFOs' centers, post-war Germany's scientists also established secret UFOs'

factories in remote areas in Canada; this was confirmed by: Dr. von Braun,
Major Erich Hatmann,
Erna Flegal,
Rudolph Schriever,
Dr. Hermann Oberth,
General Dr. Walter Dornberger,
Dr. Heinrich Richard Miethe,
Dr. Albert Kochendoerfer,
Dr. Bruno Wolf Bruckmann,
Robert Seamans (Associate NASA Administrator),
Walter Haeussemann (NASA Director of Astrionics Division), Major General John Barclay, and of course, by Lt. Colonels Walter and Reimar Horten.

Some powerful people who were involved with the UFOs' question, reports, findings, disclosure and cover-ups.

Vital roles played, and extraordinary influence "imposed" to prevent full disclosure by some of those powerful personalities remained totally unknown to ufologists and the general public

From left to right: Dr. Vannevar Bush, President Harry Truman, presenting James B. Conant with the Medal of Merit and Bronze Oak Leaf Cluster on May 27, 1948. Dr. Vannevar Bush was one of the principal architects of all UFOs' cover-ups.

General John Samford played a major role in the Roswell’s incident’ coverup. He issued a ridiculous statement, but he was following orders.

General Roger Maxwell Ramey distorted the whole truth about the Roswell’s incident. He was also following strict orders from The Pentagon.

General Curtis LeMay was the master-mind behind many UFOs/USOs' cover-ups. He was tough like steel.

General Arthur Gilbert Trudeau was the most honest one! He was the first high ranking military officer to work on UFOs' reverse engineering, and to allow German and Nazi scientists and engineers to participate in numeous reverse-engineering programs.

Chairman of the Joint Chiefs of Staff, General Nathan F. Twinning revealed explosive information about UFOs/USOS, but was silenced.

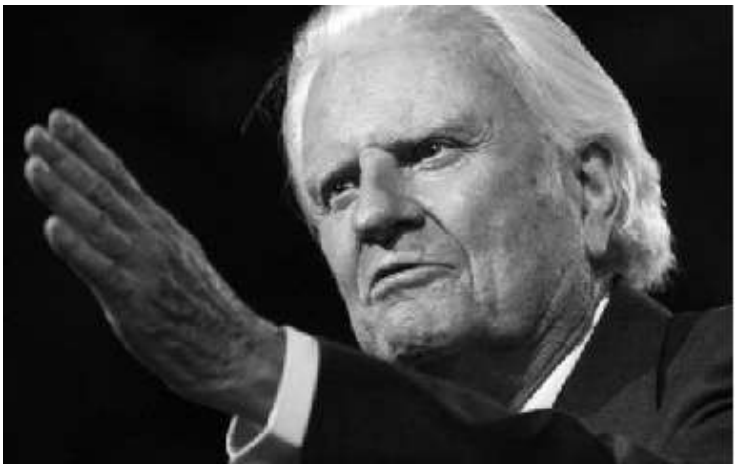
The Clergy's Influence _____

Two very influential American Catholic Archbishops were instrumental in shaping the non-disclosure policies about the UFOs crash near Roswell and dissemination of information about the existence of extraterrestrials.

Both were Archbishops of New York.
1-Francis Joseph Cardinal Spellman

2-Terence James Cardinal Cooke.

Cardinal Spellman Cardinal Cooke



Reverend Billy Graham

Reverend Billy Graham was officially consulted by two American Presidents on extraterrestrials' affairs, nature, and encounters.
Billy Graham shared the opinions of the Catholic prelates and recommended that the aliens' question should not be discussed publicly, and any pertinent information should be handled in utmost secrecy, fearing public's mass hysteria.

The Tesla’s Affair

Nicola Tesla’s files on extraterrestrials and German UFOs.

One of the most sensitive and frightening topics involving Nikola Tesla, was his "Death Beam" invention, which was identical to the Nazi “Death Ray”. The FBI and the United States military intelligence units/branches became extremely interested in his invention, and its practical use as a weapon.
Our intelligence agencies have already gathered an intensive amount of data and information on the German “Death Ray” which the Nazi scientists have added to their UFOs.

The White House and the Pentagon feared that Tesla’ beam blueprints might fall into the hands of the Soviets, who tried through the NKVD and their contacts/meetings with German scientist Dr. Sanger in Geneva to learn as much as possible about this frightening technology. In fact, the Russians tried several times to kidnap Dr. Sanger but fortunately they failed.

Tesla’s files included more than the blueprints of the “Death Beam”. Special agent “A”, and Special Agent “C” stumbled on a Tesla’s file called “Exotericon Gama”, which outlined precise details on the mode of operations of UFOs.
On the back of the file, the word “Government” was written in blue ink. At that time, nobody took the Exotericon very seriously.
The top brass at the Pentagon thought Tesla is “Nuts”, despite the fact, that they were fully aware that some of Tesla’s undisclosed inventions could change the face and history of modern weaponry.

Written in code, Tesla described in the Exotericon (Later, to be called Tesla Government File): **1.** How extraterrestrials communicate;

Nikola Tesla (Fourth from left) with King Peter II of Yugoslavia in Hotel New Yorker in New York, on July 15, 1942.

Third from left is Tesla nephew Sava Kosanovic.

Tesla's papers were seized by the FBI, after he passed away in his room at the New Yorker Hotel. His papers included elaborate details, drawings and blueprints of an anti-gravity flying machine, which closely resembled the German Bell-UFO.
The Tesla Society stated that "Marshal Tito of Yugoslavia wished to place the Nikola Tesla commemorative plaque when he visited New York. But it could not be done for political reason." Sava Kosanovic reported that his uncle Nikola Tesla told him a lot about the German Bell-UFO, and in one of his secret correspondences with Marshal Tito, he explained to the Yugoslavian leader how these machines could work.

---

 2. The sequences of dots, “1”, and “O” in the extraterrestrials’ messages; **3.** A warning sent by an extraterrestrial civilization to another galactic colony; **4.** Maria Orsic’s technical formula and Dr. Schumann’s German Vril/UFOs notes.

At the end of World War Two, the United States government (Possibly, President Truman’s Secretary of State, General George C. Marshall was in charge of the secret correspondence with the British) asked the help of the decipherers at the British Admiralty to decipher Tesla’s code, related to aliens’ recorded messages by the elusive genius, and the technical data on UFOs written in a dead language (Possibly Sumerian).
In a documentary on Tesla’s legacy, PBS stated, word for word, and unedited: “The morning after the inventor’s death, his nephew Sava Kosanovic hurried to his uncle’s room at the Hotel New Yorker, in New York. He was an up-and-coming Yugoslav official with suspected connections to the communist party in his country. By the time he arrived, Tesla’s body had already been removed, and Kosanovic suspected that someone had already gone through his uncle’s effects.
Technical papers were missing as well as a black notebook he knew Tesla kept—a notebook with several hundred pages, some of which were marked “Government.”
Note: The notebook marked “Government” is the very same file originally called by Tesla “Exotericon Gama”.

Foxworth, then, assistant director of the New York FBI bureau was called in.

P. E. Foxworth, then, assistant director of the New York FBI bureau, was called in by Hoover to investigate, to gather all Tesla’s scientific documents (Available and missing) and to come up with a list of Tesla’s friends, especially those who were know to have a tie with the communists.

Back then, Foxworth stated that the United States government was "vitally interested in preserving Tesla's papers…for posterity…and further scientific studies…”
Now we know, the United States government’s interest in preserving Tesla’s papers was neither of an academic nature, nor the preservation of the work of a genius.
My sources tell me that “Just two days after Nicola Tesla's death in New York, four officials from the Office of Alien Property (OAP) went to his room at the New Yorker Hotel and confiscated everything Tesla had in his room.
Absolutely everything, including his “robe-de-chambre” and shoes.”
The FBI and OAP used the word “possessions”, instead.
Note: The word “Possessions” means all his possessions, including all personal effects, scientific drawings, formulae, and particularly the “Beam Death” file (N. Tesla Death Ray as later called by the FBI), and the “Government” file.

J. Edgar Hoover, Dr. Trump and Tesla’s files:

The “scary report” of Dr. Trump.
J. Edgar Hoover, then, director of the FBI called Dr. John G. Trump, a scientist (An electrical engineer who worked at the National Defense Research Committee, established by the Office of Scientific Research and Development “OSRD”), and asked him to study and assess the two files in question.
At that time, the OAP has already sent to Hoover, a duplicate of those files. My sources tell me, that Dr. Trump provided Hoover with a “scary report”. This is exactly how Trump’s report was viewed and called by Hoover himself, and the director of the FBI bureau in New York.

Clyde A. Tolson hides Dr. Trump’s report.

Hoover, as usual, a smooth talker and a master of disinformation and threats, kept the original report of Trump in the secret vaults of the FBI. Fearing that something might

happen to the secret vaults, Hooper asked his close friend Clyde A. Tolson to hide Trump's file somewhere nobody could find.
Later, rumors surfaced that Tolson kept Trump's report in the attic of an aunt of his who lived on Wisconsin Avenue, Northwest, Washington, DC.

Hoover falsified/switched Dr. Trump's report.

Pressed by the Pentagon, OSRD, and OAP to release the report of Dr. Trump, Hoover at once, summoned Trump and asked him to come up with a new version of his report, and to delete any references made to extraterrestrials, and to the "Ray of Death". A deja-vu camouflage that echoes the infamous fake photos of the Roswell's "Weather balloon" wreckages, manufactured and displayed by the military.

Dr. Trump's conclusions:

Here are Dr. Trump's conclusions: "His thoughts and efforts (Meaning Nikola Tesla) during at least the past 15 years were primarily of a speculative, philosophical, and somewhat promotional character often concerned with the production and wireless transmission of power; but did not include new, sound, workable principles or methods for realizing such results." And that was the end of the story and Tesla's files saga.
But was it? No!

Tesla, Brigadier General L. C. Craigie, and Patterson Air Force Base, and the "Project Nick."

My sources tell me that around November 17 or 19, 1947, the Pentagon called Brigadier General L. C. Craigie to inform him, that they will be sending him Tesla's "Government File" (Exotericon), and "Tesla Beam File" for further study.
The big boys at the Pentagon became convinced that the extraterrestrials code deciphered by Tesla could help them

solve some of the mysteries of the alien technology and the “Beam Stick” they found on the site of a UFO crashed near Roswell.
On November 21st or 22nd, 1947, the files were dispatched to Patterson Air Force Base in Dayton, Ohio, where Brigadier General L. C. Craigie started a secret operation code-named "Project Nick". Nick refers to Nikola Tesla.
Dr. Teller and von Braun were called in to participate in the operation, and lend their scientific expertise.
Craigie began a series of experiments with no apparent success.

*** *** ***

Note on Brigadier General L. C. Craigie:
Lt. Gen. Laurence C. Craigie's Promise to Truman:

Reporter Billy Cox has reported that there may have been yet another General sent to Roswell following the July 1947 crash. That General was Major General L. C. Craigie. Although he never disclosed what he discovered, according to his personal pilot, he promised President Harry Truman that he wouldn't talk about what occurred in Roswell.
The official Truman calendar shows the only times Truman met Craigie was at the presentation of the Collier Trophy to Lewis A. Rodert, Chief of the Flight Research Section at the Cleveland Laboratory of the National Advisory Committee for Aeronautics on December 17, 1947.
Craigie was also famous in that he sat on the JRDB which was headed up at the time by Dr. Vannevar Bush. Dr. Bush was described in a Top Secret Canadian memo as the head of a "small group looking into UFOs.

Cox adds, “The Research and development Board also had many other key figures on its board who have been tied into the original effort to coverup about what was known about flying saucers in the late 1940s. This follows the same pattern

as Edwin Easley, who as Provost Marshall for the Army Air Force was in charge of security and clean-up at the Roswell site."
"His daughter Nancy Easley Johnson, stated on the July 1, 2003 Larry King Live Show that her father had promised not to talk about what had happened in Roswell after making a promise to President Truman. On his deathbed, Easley finally told his two daughters that he had seen "creatures" at the Roswell crash site." Reported by Billy Cox, in the Herald Tribune.

More scientists, including Fermi were called in.

One week later, Dr. Fermi was called in. On January 17, 1948, an Italian scientist who apparently has worked on some projects started either by Guglielmo Marconi and/or his associates was flown from Rome to Dayton, Ohio.
Around June 1948, the military discontinued "Project Nick". And that was the end of the Tesla's files on German/AlienUFOs, extraterrestrials and ray of death. Really?
Not really!!

"Project Nick" is now "Project Lexicon"!

Few things we know for sure:

a- All the files of Tesla vanished from the face of the earth.
b- The military instructed Teller, von Braun, Fermi, and the "Marconi Guy" (As he was called by peers) to keep their "mouth shut."
c- The military continued "Project Nick" under a new code-name: "Project Lexicon"!!!!! Wow! Very a propos, considering the military interest in deciphering the extraterrestrials' language, coded messages between two alien spaceships, and above all, the warning the military received from aliens they have apparently met on two occasions on a military base.

Extraterrestrials and German UFOs' warning.

From Nikola Tesla’s notes on the extraterrestrials and Germans’ warning, military scientists concluded that the extraterrestrials are fighting each other, some alien species are already here on Earth, preparing for a major confrontation, and the Nazi UFOs are an imminent threat.

What’s left from Tesla’s files were sent to the former Yugoslavian army.

My sources tell me that in 1952, and upon the continuous requests and demands of Yugoslavia’s Tito to release Tesla’s papers, a bulk of Tesla’s files and some personal effects were released to Sava Kosanovic.
A colonel from the Yugoslavian army met with Kosanovic to take possession of Tesla’s papers.
Reluctantly, Sava Kosanovic released Tesla’s “remaining” papers to the Yugoslavian colonel.

For years, no scientist or journalist from the West was allowed to see Tesla’s papers. And nobody knew what kind of secrets and/or military weapons blueprints Tesla’s papers contained.
But everything changed in 1950, when a scientific committee in Belgrade announced, that Tesla’s papers will be finally displayed in public, and the scientific community will gain direct access to Tesla drawings and blueprints of his scientific discoveries, and inventions.

Soviet Premier Nikita Khrushchev’s announcement to the Supreme Soviet (Presidium).

In 1960, Soviet Premier Nikita Khrushchev told the Supreme Soviet that "A new and fantastic weapon was in the hatching stage."
Perhaps he was referring to Tesla’s inventions, or German UFOs’ reverse-engineering. Who knows?

Some double agents claimed that Khrushchev was bluffing as usual.

Tesla was concerned about the “Safety of Earth”!

In 1953, Sava Kosanovic told a close friend that Tesla on two occasions showed a serious concern about the “safety of earth”.
According to Kosanovic, Tesla told him that the world is no longer a safe place, and that he was working on a weapon system to counter attack any alien hostile invasion of earth. A few years later, Kosanovic added, “German UFOs are now the major threat.”
He added that Tesla also told him, that he has learned from an intercepted extraterrestrial communication between two alien races, that the aliens are fighting among each other, and one race is intending on colonizing Earth.
The rapture in the Council of Extraterrestrial Colonies has divided the aliens, and a hostile alien race which is no longer a member of the Council will invade earth and enslave all of us. In another statement, he linked the Nazis to the aliens.

Sava Kosanovic taken under custody for two full weeks.

My sources tell me, that the military and intelligence agencies in the United States learned about what Kosanovic has said to his friend, and took him under custody for two full weeks. And what happened to Kosanovic after his detention?
Nobody knows, because Kosanovic has vanished from the face of the earth!

Further investigations of Tesla’s scenario of the alien rapture.

The Nikola Tesla’s “Aliens’ Rapture” and German UFOs’ threats scenario were neither disregarded nor ignored by the military and intelligence community. Further investigations of the

“Rapture”, Tesla’s “Death Ray” (Beam Weapon), and German UFOs continued until 1958. Alert minds have concluded that our government’s serious concerns about the German UFOs remain critical to the present day.

President Eisenhower allocated a huge budget.

In fact, before the end of 1958, President Eisenhower, secretly, and without telling the Congress, allocated a huge budget for a Top Secret project, requiring the creation of a military base for the purposes of: **a**-Studying and developing a charged-particle beam weapon based upon German technology and especially the German UFOs.

- **b**-Developing a military defense strategy to face any possible alien invasion caused by the “Aliens’ Rapture”; **c**-Exploring the possibility of entering into a “final and friendly agreement with aliens” to prevent any clashes with hostile aliens.
- **d**-Opening a dialogue with the remnants of Nazi scientists and SS UFOs engineers who escaped from Germany after the Second World war, and established a new center for their anti-gravity flying machines and other wonder/miracle-weapons.

Note: The 1958 original blueprints and specs of Eisenhower’s proposed military base were used in their entirety, when the military built AUTEC base in the Bahamas. Of course, the latest weaponry systems, and the world’s most advanced technology were added to the repertoire of AUTEC.

“Project Seesaw”

In 1958, the Defense Advanced Research Projects Agency (DARPA) began to work on a top secret project code-named "Seesaw".
Phase one of the research started at the secret military base. Phase two and phase three continued at the Lawrence Livermore Laboratory.

During all that time, military scientists who worked on these “Black Projects” were fully aware of Tesla’s papers, including the menacing “Aliens’ Rapture”, and the threat of the German UFOs.

The Russians built their first Tesla’s beam weapon facility.

In October 1958, the Soviets who had access to some of Tesla’s “Aliens Rapture” (Government File), and the German anti-gravity flying machines, smuggled via a double agent in Washington, and another major spy in Istanbul, Turkey, began to work on similar projects.
Fortunately, nothing came out of it.
But in November 1970, the Russians (A joint team of scientists from Russia, Armenia and the Ukraine) built their first Tesla’s beam weapon facility in the Sino-Soviet border, in Southern Russia.

Operation Paperclip 1945-1948

German Nazi Scientists in the United States (Recruited by Dr. von Braun)

Major General Hugh Knerr, “We needed the Germans…”

Back then, Operation Paperclip was a top secret operation.
The word got out in 1972, and by 1973-1974, Operation Paperclip was declassified.
This operation was deemed necessary, and recruiting Nazi scientists was authorized by President Harry Truman.
According to Major General Hugh Knerr, then, the Deputy Commander of the United States Strategic Forces in Europe, “The Germans were way ahead of us, especially in the development of weapons systems.” And based upon what he read and discovered in numerous files of the SS and the Luftwaffe, the Allies captured in Germany, General Hugh Knerr advised President Truman to “round up” Nazi scientists and “ship” them to the United States.

He also wrote two detailed reports on Germany's rockets and "other" unidentified flying objects, which he submitted to 4 star General Carl Spaatz.
General Spaatz said to President Truman, "If we don't get the German scientists, first…the Russians will…" General Donovan, head of the OSS warned the President that recruiting Nazi scientists is illegal. President Truman was very concerned.

Lt. General Spatz.

Then, he ordered (Briefly) the OSS and other military intelligence units to check up on the political affiliation of those scientists, and stated very clearly that any German scientist who had a close tie to the SS and/or is a member of the Nazi party, will not be recruited and sent to America. Mr. Hoover, then Director of the FBI did a magnificent job in investigating the German scientists.
Dr. von Braun managed to convince the President that America needed those scientists whether they were Nazi or not.
Reluctantly, the President accepted, and many of the allegedly criminal records of German scientists vanished from the face of the Earth. And thus, two military intelligence units and later, the JIOA (Joint Intelligence Objectives Agency) began to establish the recruitment's procedures under the direct control of Captain Bosquet Neill Wev, then, the Director of the JIOA.

“Nazism no longer should be a serious consideration.”

In a secret memo issued on April 1948, and sent to the Director of Intelligence at the Pentagon, Wev stated word for word, “Investigations conducted by the military have disclosed the fact that the majority of German scientists were members of either the Nazi Party or one or more of its affiliates.” However in mid of March 1948, Wev wrote a letter to the State Department, in which he stated the following, “Nazism no longer should be a serious consideration from a viewpoint of national security when the far greater threat of Communism is now jeopardizing the entire world.”

During 1948, Wev and other high-ranking officers facilitated additional Nazi scientists’ recruitments and “friendly” meetings and interviews with Germany leading UFOs’ scientists, such as Lt. Colonel Reimar Horten, the inventor of the Horten 229 (The UFOs spotted by Ken Anorld). Below, you will find a self-explanatory document (Draft of Captain Wev). It is authentic, and secret.

IMMEDIATE RELEASE

OUTSTANDING GERMAN SCIENTISTS
BEING BROUGHT TO U.S.

The Secretary of War has approved a project whereby certain understanding German scientists and technicians are being brought to this country to ensure that we take full advantage of those significant developments which are deemed vital to our national security.

Interrogation and examination of documents, equipments and facilities in the aggregate are but one means of exploiting German progress in science and technology. In order that this country may benefit fully from this resource a number of carefully selected scientists and technologists are being brought to the United States on a voluntary basis. These individuals have been chosen from those fields where German progress is of significant importance to us and in which these specialist have played a dominant role.

Throughout their temporary stay in the United States these German scientists and technical experts will be under the supervision of the War Department but will be utilized for appropriate military projects of the Army and Navy.

4:30 P.M.

Back then, everybody believed that recruiting Nazi scientists and UFOs/Exotic flying spacecrafts, and the notorious Kraftstrahl Kanoen/Kraft Stahl Kanoen (Nazi Ray of Death Weapon) experts was the right thing to do. The White House, The Pentagon and the State Department were acting in the best interest of the United States, even though the investigations revealed that 98% of those German scientists were 100% Nazi.

In addition, our administration welcomed noted Nazi spies because of their impressive knowledge of the NKVD and Stalin's regime. The most notorious Nazi spy was Reinhard Gehlen.

List of Hitler's and Nazi Germany scientists

Below is a list of Hitler's and Nazi Germany scientists who were recruited by our government, the military, as well as multi-million Dollars companies in the United States and Canada. The list is by no means complete; it includes a few hundreds instead of thousands.
List of German scientists and engineers who previously worked on UFOs' related projects, avionics, propulsion systems, and exotic weapons systems, in Germany, and later on, worked on similar projects for NASA, the United States Air Force and the United States army.
Those German scientists and Hitler's wonder-weapons and technology experts were brought to America and Canada (Occasionally, when working on UFOs' Canadian-American joint programs) because of their UFOs' expertise, and research in related fields.

Blueprints, sketches, illustrations, charts, maps, photos, graphs, and extremely well-documented archives, files and

dossiers on various types and classes of UFOs, anti-gravity flying machines, and experimental flying discs were captured by the United States and Russia after WWII.

Note: I can’t give you the names of scientists who worked for our intelligence agencies, for obvious reasons. Thank you for your understanding.

Chapter 4

Wrong Information and False Explanations

Ufology has suffered enormously from false accounts, fabricated stories, exaggerated statements, childish and idiotic theories and assumptions, and above all, from silly explanations of ancient and contemporary events such as the ones I have discussed on the following pages. You will be the judge.

Any one to blame?
Any one to distrust and/or to ridicule?
Any one to fully trust?
Who is telling the truth and who is lying to us?

Well, I do not have justified reasons or bad intentions to accuse any one. But for argument sake, on the pages to follow I am giving you a few examples that illustrate how all parties concerned (Ufologists, ufology's zealots, the military, the skeptics, the debunkers, some of the ancient astronauts' theorists, the ancient aliens' theorists, conspiracy theorists, the widely misinformed public, and the media) can be equally mistaken, wrong and/or intentionally camouflaging the truth, or simply ignorant.

A high-dive military balloon transporting anthropomorphic dummies; this or similar balloons (Weather balloons, Mogul spy-balloon) had nothing to do with the object that has crashed near Roswell.

Some of the Major False Claims and Interpretations

Example #1: The Roswell Incident

a-The military's version:

Some high-ranking military officers at the Pentagon fabricated false, inconsistent, contradictory and hard to believe statements and stories about the crash of a certain object near Roswell.

I said some "High ranking military officers", and not the Department of Defense, the United States Air Force, or the

United States Government.
There is a big difference; pause for a few seconds and think about what I have just said and you could possibly understand what I meant.

First, they told us that they captured a flying saucer. A few hours later, they changed the whole story, and we were told, it was a weather balloon. It did work for a while, but they changed their story once again, when people began to dig deeper inside the belly of the saucer and the balloon, and we were told that it was a high altitude top secret spying balloon from Project Mogul, which started one year later!
The three versions did not tell the truth, for military records show that the United States military did not experiment with high altitude spying balloons to spy on Russians nuclear tests before 1948.
This is an ABSOLUTE fact!
Besides, the crashed object was not a saucer-shaped object, but a crescent-shaped object, similar to the German Horten's crescent-wingless crafts.
So they lied to us on all counts.

b-The ufologists' version:

The ufologists and their followers rushed to conclude that was has crashed near Roswell was an extraterrestrial flying saucer piloted by aliens, based upon eye-witnesses accounts. So far so good. But what amuzed me tremendously was their explanation of the crash; a scientific explanation given by ufologists who have earned masters degrees in nuclear physics and astrophysics, and some even in avionics and aerospace engineering.
Those learned so-called "scientific" ufologists told us that the extraterrestrial flying saucer crashed because it was hit by lightning.

This kind of nuclear detection balloon, (Similar to the CIA's Mogul spy-balloon) targeting the Soviet Union started in 1948, and not in 1947, the year that witnessed the crash of an object near Roswell.

This explanation does not make sense at all. Most certainly, the extraterrestrials from highly advanced civilizations who conquered space, infiltrated the fabric of time-space, bent time, reversed the laws of physics, and traveled 15 to 150 light-year distance, should know by now how to shield their spacecrafts from lightning and protect their crafts against electrical charges.

The highly advanced aliens, who are millions of years ahead of us, must have developed by now, some sort of technology, a tool, or an instrument to avoid electrical charges and lightning strikes. We did!
So when the reasoning behind and the justification for an argument or a theory lack logic, common sense and especially basic knowledge of facts, the theory itself, the argument itself, the explanation itself, the justification itself crumbles instantly.
The unidentified flying object or aliens' saucer if you prefer, did not crash for that reason. Ufologists' scientific explanation of the crash is not scientific at all; it shows how little they know about aliens' crafts, mode of operation, mechanism, nature, time-space, and anti-gravity spacecrafts.

According to what it is known to us as the "1947-1948 Aliens Transcripts" or "The 1947-1948 Aliens Meetings Transcripts", the Roswell flying object crashed because it "missed a time-space pocket." But what is a "Time-Space Pocket"?
Always according to the Aliens Transcripts, aliens spacecrafts do not fly, they jump; they jump from one time-space pocket to another time-space pocket.
This is why they have sudden and sharp turns and irregular-angular "flight" patterns and maneuverability that defy our laws of physics. And these time-space pockets open up for a few seconds, sometimes, a fraction of a second. If the alien craft does not penetrate that pocket before it closes up on itself, the craft "smashes itself against a time-space wall."

This was the scientific explanation given to us by the aliens we met in 1947 and in 1948.
The aliens' explanation was fully accepted some 35 years later, by quatum physics scientists who were contracted or employed by the United States Army, USAF, CIA, NSA, DOD, DOE, NASA, and various governmental intelligence and space research and programs agencies.

c-The Nazi and or German space technology theorists:
Those who belong to a group of scientists, authors and theorists who believe that all the flying saucers were/are built by German scientists during and after the Collapse of the Third Reich were mistaken when they argued that the flying saucer that crashed near Roswell was built by German scientists.
They were very much mistaken because German rockets pioneers and illustrious scientists, Dr. Oberth, and Dr. von Braun, father of the American space program who put us on the Moon, and who previously worked on anti-gravity flying discs during the Third Reich, both confirmed in two separate secret memoranda that the crashed craft was neither of a German origin, nor based upon German technology.
They should know better than anybody else, since for years, both have worked on similar flying discs in Nazi Germany.

*** *** ***

d-The skeptics and debunkers' version:
They argue that the crashed object near Roswell was nothing but a weather balloon, or a spying balloon. They are mistaken for we already know that the military's version is a pure fabrication, and a messy cover-up.

Example #2:

The flying object, saucer, disc or UFO that crashed in Pennsylvania.

_____

I will be brief on the subject. On December 9 of 1965, an object in the form of a fire-ball landed or crashed if you prefer in the small town of Kecksburg in Pennsylvania.

a-The military's version:
We were told by the military that it was a meteorite. Wrong! Canadian, Australian and American space scientists working for the military and NASA unanimously stated on record that the landed or crashed object was one of Nazi Germany Bell-UFO types, built during the Third Reich.

However, the German scientists who were brought to the United States under the umbrella of Project or Operation Paperclip and were still working for our government in various capacities and at different facilities and agencies stated very clearly that the object was indeed a very particular type of Bell-flying discs very similar to the original Nazi Bell anti-gravity flying discs, but it was not built during the Third Reich; it is rather a new version built somewhere else, possibly in a secret hideout or a military base under the control of other German scientists or remnants of the old group of Nazi scientists, outside modern Germany.

b-The ufologists' version:
They claimed that the crashed object in Kecksburg, Pennsylvania was an extraterrestrial flying saucer. They were wrong, for the German scientists who were very familiar with various types of German "UFOs" recognized the crashed object

as a different or a new version of one of their own Bell-UFOs anti-gravity flying discs.
Case closed, let’s go home!

Is this the German Bell-UFO that crashed in Pennsylvania?

You will be the judge.

An artist’s vision of the Bell-UFO (Die Glocke).

Surprisingly it matched one of the early drawings and blueprints of German anti-gravity flying machines, found in SS secret files, and which were seized in early 1946 by the United States army and the Red Army in Berlin.
In the “Garbo Report” sent to the Allies (the American and British military intelligence during WWII) a reference was made to the Bell, and a list of a few Nazi scientists who worked for the SS and UFO Bell build up was included in the report.

The glowing circular-shaped objects hovering in the sky of the nation’s capital, were totally unrelated to extraterrestrial UFOs.

Example #3: UFOs sighting over Washington, DC in 1952.

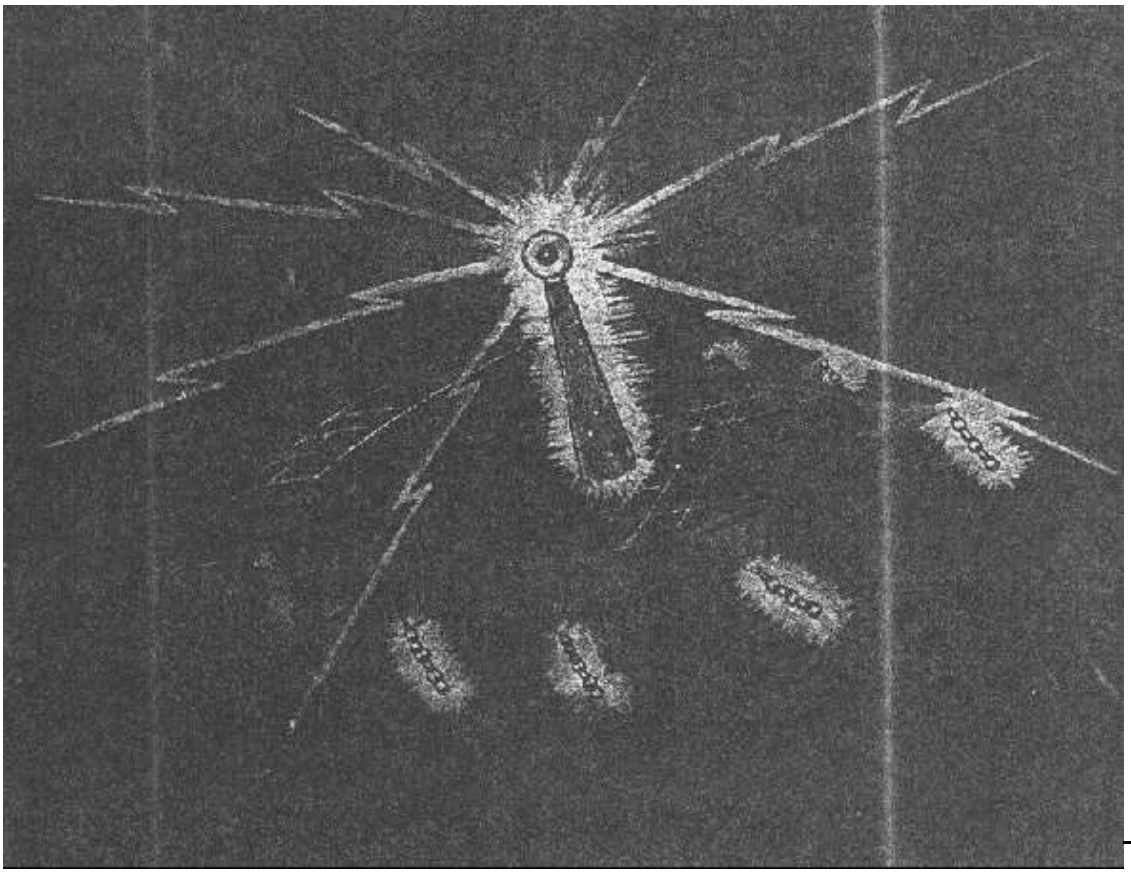
Summary: Civilian and military radars spotted a formation of glowing circular-shaped objects hovering in the sky. Ufologists claimed that these objects were extraterrestrial UFOs. They were wrong.
I can assure you that --after having reviewed official top secret documents-- these objects were not of an extraterrestrial origin.
These flying discs were made by German scientists at one of their secret bases in Canada. And our government knew about it!
Dr. von Braun told President Truman ***“Mr. President, this is simply intimidation, nothing to worry about, we are working on it.”*** Dr. Ed Teller commented as follows: “It is harassment!”
You interpret the meaning of “Intimidation and Harassment”! In my opinion, it is German blackmail.

Here is a synopsis of the sightings, based upon absolute facts and secret reports, and the background of the story.

On April 18, 1952, the United States Air Force issued a secret report on the sighting of unknown spacecrafts seen in the skies of the United States, and described those spacecrafts as “dangerous”. The word “dangerous” was underlined. Said report which was kept secret for a few days was related to unknown crafts spotted near Nome in Alaska. This is a fact.

The United States Air Force issued an order to intercept the UFOs. Less than 45 minutes later, the order was lifted when the USAF received a “communication” from an intelligence agency explaining the scope and nature of the sighting.
An insider alleged that the UFOs flew directly from a “No-Fly Zone” in Canada, and hovered for 3 minutes over a Canadian airbase in North Bay, Ontario, Canada *en route* to Washington, DC. The commander of the Canadian air base in North Bay informed the intelligence agency that 8 German UFOs flew over his base and were heading toward the nation’s Capital.
Furthermore, the commander advised the intelligence agency not to intercept the German spacecrafts; this was transmitted to the USAF, the Pentagon, and The White House.
The intelligence agency explained to President Harry Truman that the German flying saucers are not jeopardizing national security, and there is no reason to worry.
In addition, the agency informed President Truman that the German flying saucers will be displaying a *tour de force* over Washington, DC.
President Truman asked the intelligence agency “Should we prepare a statement?” And the answer was “No, Mr. President,

we will handle this...”



This drawing of the German UFOs over RCAF Station North Bay, Canada was published by the Daily Nugget, on August, 31 1954.

The first published photo of North Bay's own UFO was recorded on film by NUGGET Staff Photographer Bud Berry, Monday night. The picture, taken at between four to six minutes time exposure, indicates perfectly the slow movement of the mysterious object seen over North Bay skies. The light turned to bright sparkling red, green and white.

Reporter Joan Holloban wrote, “A Naval veteran with seven-years service at sea, now employed as a civilian by the North Bay RCAF station, accustomed to the sight of planes and weapons, declared today that he had seen something “like nothing I ever saw before" over the air base Monday morning.”

Left: Photo of the UFO and caption by the Daily Nugget.

President Truman was not fully convinced and satisfied. And as sightings became to intensify, he sought the opinion of Dr. von Braun who commented on the sightings as follows: “Mr. President, this is simply intimidation, nothing to worry about, we are working on it.”

Some insiders have alleged that Dr. von Braun’s answer was something like that: “Mr. President, we know who they are. Nothing to worry about, we know how to deal with it. It is simply a matter of intimidation. I know this type of spacecrafts. We know how to deal with it…”

Dr. Edward Teller’s (Father of the H Bomb) brief comment was slightly different. He said: “Mr. President, it is only harrassment, that’s all…the bastards (NAZI) … we know where they (UFOs) came from…”

Simply put, executive decision makers, national security and intel top echelon knew they were German UFOs…they knew what they were capable of and where they came from!

President Truman asked John R. Steelman, (Then Assistant to the President of the United States) to prepare a statement (A brief release for the press). But upon listening to General Omar N. Bradley (He served as Army Chief of Staff, and Chairman of the Joint Chiefs of Staff), President Truman changed his mind.

On July, 20, 1952, at exactly 12:40 A.M., C.A.A. radar of Washington, DC traffic control center registered on its screen 8 unidentified objects nearby Andrews Air Force in Maryland, flying at a speed ranging from 100 to 130 miles per hour. At 1:00 P.M., the radar’s blips vanished from the screen, and 2 minutes later, the flying objects were spotted over Washington, D.C.

For reasons behind my comprehension, at that critical moment, neither the CIA nor the NSA got a reading/chart/report/graph or a print out of the C.A.A. and A.T.I.C. radars.

On July 26 at 9:08, twelve German UFOs were spotted over Washington, D.C., and were caught on C.A.A. radar. Two jets tried to intercept them without success.

And on July 29, the mysterious crafts reappeared again over Washington, D.C, flying at a speed of 100 miles per hour. The White House received full report on the sightings from Harry G. Barnes, senior controller at C.A.A. Another report came from Washington's National Airport indicating that the unidentified scpacecrafts flew at an astonishing speed of 7,200 miles per hour. No further action was taken. The President read the reports; and soon after, they vanished from the face of the earth…nowhere to be found. As the records/reports show, and in virtue of the statements of Dr. von Braun and Dr. Edward Teller, the spotted UFOs over Washington, DC were not extraterrestrial. Yet, ufologists and conspiracy theorists kept on insisting that the UFOs over Washington were of an extraterrestrial origin. I can't blame them, because they are outsiders. And I fully understand their reaction and allegations.
Among their rank, there is more than "one" Adamski!
Back then, unfortunately, we did not have persistent, inquisitive distinguished and flamboyant journalists and authors like Clyde Lewis, Art Bell, Dr. Bill Birnes, Dr. Lynne Kitei, Dr. Bruce Maccabee, Dr. David Jacobs, Dr. Alfred Webre, James Fox and George Knapp to make waves and a big buzz. In the forties and early fifties, the government's word was "Gospel Truth", and the candid public would believe that pink elephants could fly, should the government had said so!

George Knapp Clyde Lewis

Dr. Lynne Kitei James Fox

Henceforth, it was not the CIA or any other intelligence/national security agency which put a heavy lid on the affaire, but rather the President of the United States, himself!
In fact, at one time, Walter Bedell Smith who was the head of the CIA advised President Truman to release some sort of statement to satisfy the curiosity of the press and concerned groups. This does not mean that the CIA is Mother Theresa.
De facto, the CIA had access to top secret German files on: (just to name a few) UFOs
 USOs
 Vril Series
 Geist Vril 7
 Thule Gesellschaft Rudolf von Sebottendorf Medium Maria Orsic Aldebaran Raumschiffe Arado-Brandenburg

 Dr. Ernst O. H. Friedrich Dr. W. Otto Schumann, professor at the Technical University of Munich Dr. Walter Haeussermann General Dr. Hans Kammler Dr. Heinrich Richard Miethe Dr. Eugen Sänger General Jakob Sporrenberg General Dornberger

And vital information on multiple German anti-gravity flying discs, long long before the Roswell’s incident occurred, and what General Curtis LeMay, General Roger Maxwell Ramey, General Arthur Gilbert Trudeau, Major General John Samford, Chairman of the Joint Chiefs of Staff, General Nathan F. Twinning, Lt. Colonel Philip Corso, Major Jesse Marcel Sr., and others knew anything about UFOs.

Mucholapka in Poland, allegedly where The German Bell-UFOs were tested in 1942.

Example #4: The Mucholapka and the German Bell-UFO

Ufologists claim that the Mucholapka's circular constructions in Poland, were used by German scientists to test the German Bell-UFO in 1942. Two German engineers (On the payroll of NASA) who worked for Albert Speer, Hitler's architect and Minister of Armaments and War Production of the Third Reich, as well as Joseph Andreas Epp who worked on the Schriever-Habermohl project at Prague and on other similar anti-gravity flying discs in Breslau and Dresden told officers of the United States Military Intelligence in Europe that these constructions were never used to test saucer types or flying discs in Poland… they were part of a series of cooling towers.

Note: Epp tried hard to sell his services to the United States but he was turned down.

Example #5: The Great Airship Scare (UFOs Sightings Waves) of 1896-97

Note: Read more on this subject in Part 2

---

a-The sightings:

The waves of UFOs sightings began in October 1896, when Miss Hegston, a resident of San Francisco spotted a glowing object moving in the sky near her house.

Then, on November 1 of the same year, another person (Mr. Brown) told a newspaper reporter that he saw an “airship” flying over Bolinas Ridge.

And on November 17, hundreds of Californians spotted a bright light flying at a low speed over dispersed areas at an altitude of 300 to 400 feet.

On November 20th, thousands of people witnessed what they called “flying balls of fire”, “airships”, and “cigar-shaped crafts” flying over Okland, Twin Peaks and Mission areas.

And some have claimed that they had contacts with their pilots.

In April of 1897, the UFOs sightings waves invaded almost the whole country. There is no question about it. It did happen, and nobody can deny it.

Extensive articles on these sightings appeared in the “New York World” on April 7, 1897, in the “New York Sun”, on April 3, 1897, in the “New York Times”, in the “Chicago Times”, in the “New York Herald” on April 15, 1897, and in other publications.

I don’t have any problem with these sightings and witnesses’ accounts, for I know for sure that it did happen.

But what bothers me a little bit, and of course amuses me in the same time, is what ufologists have said about these sightings, and the UFOs, people saw and their occupants.

b-Ufologists’ claims, accounts and explanations:

Ufologists have claimed that what people saw in the skies of 1896 and 1897 were extraterrestrial UFOs piloted by aliens. As usual they are wrong, and I am going to prove it to you. They argue that back then, no airship or any kind of a spacecraft was built, and/or was man-made in 1896 and 1897, simply because we did not have the technology of space-flight.

Little did they know that de facto in 1852, several types of crafts were built in Europe, and in 1894, 1895, 1896, and 1896, American entrepreneurs, businessmen and pilots began to build their own flying crafts, and kept them shrouded in secrecy, so competitors and business entrepreneurs would not know about it.

*** *** ***

Several types of crafts were built in Europe:

In early 1852, French Henry Giffard built the world first three-horse-power steam engine airship; a mechanical flying machine. And on September 24 of 1852, Giffard flew his craft from Paris to Trappes at an approximate speed of 8 kilometers per hour, covering an approximate distance of 27 kilometers.

In 1853, Sir George Cayley created the world's first airplanes' model and flew an airship at a speed of 6 kilometers per hour. In fact, in 1809, Sir Cayley wrote mathematical formulae for space powered flights, and established technical data pertaining to drag and thrust.

In 1872, German flyer Paul Haenlein flew his airship at a higher speed and at a higher altitude, and took Europe by storm.

In 1883, French engineers and pilots Gaston Tissandier and Albert Tissandier built the world first flying machine powered by an electric engine "Moteur Electrique".

In 1884, French Charles Renard and Arthur Krebs built and flew "La France", an airship powered with an electric motor at an approximate speed of 23 kilometers per hour.

In 1894, Australian Lawrence Hargrave invented a motorized kite-plane which lifted a load of 208 pounds.

In 1897, German engineer David Schwartz built a revolutionary airship powered with a gasoline engine.

In 1898, Brazilian-French aristocrat Alberto Santos-Dumont flew a gasoline-powered dirigible, (round-trip) from Saint Cloud to the Eiffel Tower.
Santos-Dumont was the world's first pilot-entrepreneur to charter regular passengers' flights with his airship called No.9 dirigible.

Austrian German Otto Lillienthal (See below), nicknamed "The "Birdman of Berlin" had to his credits over 2,000 flights, but unfortunately his illustrious career ended in 1896 with a fatal crash.

Several types of airships were built in the United States.

American inventors and builders of airships:

Do not underestimate the American entrepreneurial spirit!
During the American Civil War, Solomon Andrews built an airship and flew short distances.

- **In 1869,** British-American Frederick Marriott developed a model for transcontinental travel.
- **On July 2, 1869,** the 37-foot-long hydrogen filled balloon, “Avitor” powered with a steam engine and propellers mounted on its two wings flew, and became America’s first controlled-flight aircraft.
- And at the San Francisco’s Mechanics Fair, the “Avitor” flew 7 days a week, and transported thousands of spectators.
- **In 1889,** in Chicago, French-born Octave Chanute wrote “Progress in Flying Machines,” which was considered back then as the world most authoritative aviation's technical reference and manual.
- **In 1891**, The Smithsonian Institution published “Experiments in Aerodynamics”.
- **In 1895,** Cornell University granted Bachelor of Science degrees in aeronautics.
- **In 1895,** “The Aeronautical Annual” on flying machines was published.
- **On August 11, 1896,** Charles Abbot Smith received a patent number 565805 for his airship.
- **On April 20, 1897,** Henry Heintz received a patent number 580941 for his airship.
- **In 1896,** S.P. Langley flew two types of airships.
- **In 1896,** MIT began to offer courses in aeronautics and aviation, and MIT first degree in aeronautics was granted

in 1892.

- **In 1896**, MIT built its first wind tunnel.

- So, back then, in 1896 and 1897, we had the technology, the know-how, and the means that could have allowed us to fly. And there is no doubt that airships were built in America during those years.
- But many pilots, inventors, businessmen, entrepreneurs and financiers of airplanes construction enterprises kept

their inventions, airplanes and plans wrapped in secrecy for obvious reasons; business secrets and competition threats were two justifiable reasons for utmost secrecy.

Example #6: Kenneth Arnold's Case _____

On June 24, 1947, Kenneth Arnold took off from Chehalis airport. At 3:00 P.M., he spotted 9 silvery flying objects over Mount Rainier. Estimated speed of the flying machines: 1300 miles an hour.

What did he see?

Ufologists claim that Arnold saw extraterrestrial UFOs. They are mistaken! In fact, what he saw was a formation of 9 German Horten 229.

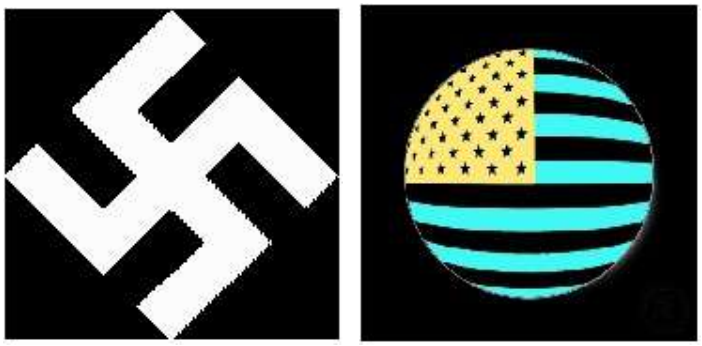
CHAPTER 5

Warning!
Achtung! Achtung!



Why the United States is still Refusing to Admit the Reality of UFOs?

Is it an American Government Conspiracy?
Or a World's Governments Conspiracy?

People keep accusing the United States government of hiding the truth about UFOs. In other words: A Conspiracy! A Cover-up.
How About Russia, Great Britain, France, China, Germany itself, and other countries? Are their governments too, hiding the truth and covering up "something" we shouldn't know about?
Have you ever asked yourself these questions?

Is it only an American conspiracy or a global conspiracy?
And what do we mean by global conspiracy? And WHY?
Some might answer and especially the ufologists, that it is a world conspiracy headed and orchestrated by the United States.

Part of the answer is correct, but the major part is wrong, simply because China and Russia and many European countries do not take orders from the United States. In fact, they despise us! Their loss……
Then, it must be something else. Something more macabre, more frightening, and more apocalyptic than an American conspiracy.
This “something” that world’s governments are hiding from us in unison must have a global effect on the human race.
Otherwise why the governments of the world have willingly and so eagerly agreed to cover up everything about UFOs?
A “something” world’s governments are not ready yet to deal with, how to cope with, and how to explain it honestly to the citizens of Planet Earth! It seems that for once, in the history of mankind, all governments have agreed to take a unanimous decision and reach a global agreement to keep their mouth shut; a phenomenon unheard of, before the UFOs’ massive and ever-increasing sightings all over the world.

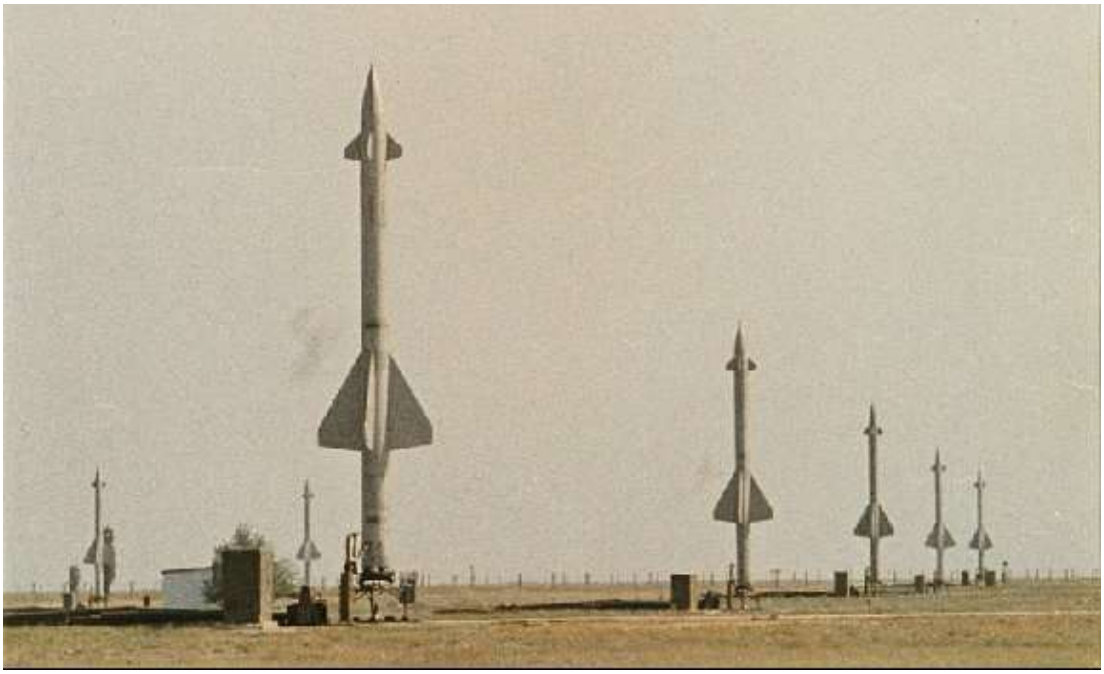
In other words, world’s governments, and especially the military are very concerned with and about that “something” they are hiding. In fact, they are scared to death.
But as long as it is hidden from the public, it appears to them that they can deal with the situation, and gradually find a safe exit.
They are fully convinced that if the truth is revealed, Earth’s population will freak out; global chaos, mass hysteria, people will go nuts, and religions will collapse, the world will go bankrupt, regimes and governments will disintegrate. And they are absolutely right!
So how big is this threat? And what kind of threat, are we talking about? The truth I tell you, none of you is prepared to deal with it and to face it.
It is way above you and beyond your comprehension. The fear will paralyze you. My advice to you is to remain calm –for the time being –and let the United States government and the league it created to deal with this danger, and work on this

frightening situation. They don't have yet all the resources, all the means, all the answers, but they are working on it.
I can't tell you everything in this first volume. I have to wait and see how it goes… what it is going to happen once this first tome is published. I must remain considerate and very cautious.
At one time, the United States and other countries considered the possibility of aliens' intervention as manifested in those UFOs' sightings and even landings. They were right to a certain degree. Because it did happen in the past.
But now, everything has changed.
Aliens are not interfering in our affairs. And alien abductions have ceased long time ago.
Today, Planet Earth is facing a totally new kind of threat: The emergence of an ANGRY, FURIOUS New Nazi World Order. And the ever-increasing number of UFOs all over the world is an indication that the NNWO (Nazi New World Order) is angry and ready to hit us hard…to annihilate us! But few will be sparred.
YES! The ever-increasing number of UFOs' sightings is an indication that the Nazi New World Order is furious and has become an imminent threat to the world, and particularly to the United States and Russia. Somebody did not make good on his promise to the Nazis and to Hitler.

German UFOs attacked the Soviet Union.
Attack on Kapustin Yar.

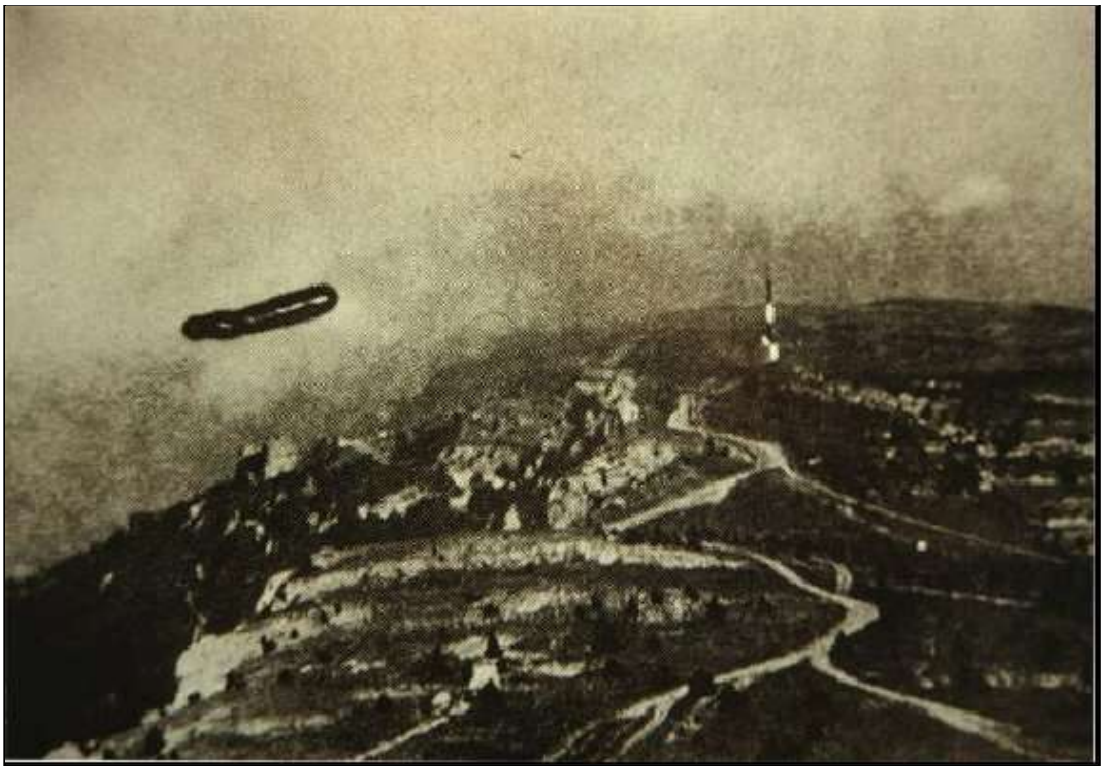
De facto, it is a global threat. And should you decide to call this threat or covering-up this threat "a conspiracy", then you better call it a "global conspiracy", because Russia too, has been hiding the truth and the German UFOs' threat for decades.
In fact, Soviet Union's military bases and missiles launching pads were attacked by the German UFOs on two occasions, and two Russian MIG 19 & 21 were shut down over Russia by German UFOs; the German UFOs attacked the Russian base Kapustin Yar, and the attack and the shooting of German Fire-

Balls were caught on film by the Russian military, and confirmed by the KGB.



S-25 Berkut / SA-1 Guild battery at Kapustin Yar.
Twice, this facility was attacked by aliens and German UFOs. It is on record in the Russian military secret dossiers. And the United States intelligence is fully aware of it.

Russia’s Kapustin Yar.



A German cigar-shaped spacecraft over Russia.
This UFO flew over Russian territories on numerous occasions; the sightings were fully certified/documented by the Russian Air Force.

Note: At Kapustin Yar, the Russians with scientists from Kiev in the Ukraine, Tbilisi in Georgia and Yerevan in Armenia were experimenting with a weather weapon system, capable of creating climate/atmospheric catastrophes.

Statement of Igor Maltsev, former Chief of Air Defenses of the Soviet Union

In 1989, Igor Maltsev, then, the Chief of Air Defenses of the Soviet Union confirmed that the UFOs seen over Russia were real. He said verbatim that: “They are not optical illusions or atmospheric anomalies. We don’t know for sure where they come from, their origin could be extraterrestrial, or perhaps man-made. We don’t make them in the Soviet Union, and we know without any doubt that some of UFOs’ types are not made in the United States. Then, they must come from secret

places here on Earth…and on two occasions our pilots chased them but they disappeared at the speed of the light.
I have no further comments.”

Statement of Russian Colonel, pilot and cosmonaut Marina Popovitch

Russian cosmonaut, Colonel Marina Popovich

In 1992, Colonel and pilot Marina Popovich, who is also the wife of Pavel Popovich then, head of the Soviet Union Committee on UFOs stated that three cigar-shaped flying saucers and a group of fire-balls attacked Kapustin Yar, and destroyed the launching pads and sites of ballistic and intercontinental missiles.
It is her belief that they were man-made, and not extraterrestrials, but she could not confirm their origin.
Fearing retribution from the Soviet military command and the KGB, Colonel Popovich refrained from the telling the truth about the origin of the flying saucers. But members of her team were fully convinced that the UFOs were German-made. But she admitted that the Soviet Union had fragments from the wreckages of 2 UFOs that crashed over Estonia, and Dalnegorsk.

Attacking Earth

The difference between an alien invasion and German UFOs' attacks.

There is an enormous difference between an alien invasion of Earth, and German UFOs' attack on Earth. *Grosso modo,* the difference could be explained as follows (Briefly):

I-Should the aliens decide to attack Earth.

a-What the aliens or extraterrestrials would not do:

1-Contrary to what it has been said and depicted in movies, the aliens or extraterrestrials would not station their mothership over Earth and block the sun. The mothership will not stand still over New York or Washington, DC, and let our jets and missiles aim at it. *Au contraire,* the mothership will remain beyond Earth's orbit, and/or very far away from Earth and our site.

And no satellite, no radar or any detection system known to mankind will ever detect and register its location, simply because it is not a conventional flying machine, but a time-machine, or more precisely a time-space-pockets' machine.

2-They will not lower down gigantic robots with funny looking heads and bizarre mechanical bodies to roam our streets and avenues, walk over cars, and smash buildings with their iron or steel toes, and in the process destroy all objects and life-forms on Earth.

They have invaded Earth for purposes that should be protected and accomplished by preserving Earth, and not by destroying it, otherwise, they would have defeated their own agenda and objectives. Such purposes could be harvesting and collecting Earth's resources, and destroying these resources would be a blow to their invasion.

3-They would not exchange fire with United States army, ground forces and air force. Simply because they would not use “fire”.
Instead they will deploy galactic weapons and weather-weapons systems beyond our imagination and comprehension.
4-They would not send robots/mechanical/machines-creatures to houses and buildings’ basements searching for those who shot at them or are hiding underground.

b-What the aliens or extraterrestrials would or could do:
There are lots of incomprehensive things, the aliens could do to us. The list is endless.
But just to name a few:

- 1-They could/would suck up the oxygen in the air, and we will suffocate in minutes or seconds.
- 2-They could/would shift Earth’ axe, and as you already know, Earth’s fate will be sealed.
- 3-They could/would surround Earth with their “Plasma-Anti Matter Belt”.
- 4-They could/would incapacitate us physically, all of us in seconds.
- 5-They could/would alter our genes, DNA, molecules, cells and the very structure of our organism, body, etc.
- 6-They could/would use the “Compressor” (the “Black-Conic-Box Weapon System-BCB) that evaporates, transposes, transports and moves cities and continents from one place to another.

Nota bene: B.C.B is an acronym for the infamous Black Conic Box, also called “Compressor”. It was reported that the United States military is currently working on phase one of an exotic weapon system known as the BCB. Testing is done at AUTEC, an American military naval base in the Bahamas.
Insiders and scientists nickname the program, or the “gadget” the “Compressor”. The gadget consists of a small black cylindrical container, 1 foot in height by ½ foot in width. “It is a movable (Mobile) device, that functions without an external source of energy,” claimed a foreign scientist working for the

military on an anti-gravity-electro-magnetic project, based on quantum physics. In other words, it works without an electric current, batteries, or any similar source of power. It is neither electronic nor atomic. It is programmable and re-programmable. It draws its energy from within.

An internal cell located in the very inner circle of the cone emits an enormous amount of “sucking power” capable of absorbing, transporting, resizing, and condensing a large amount of contents and materials into the cone. “The ‘sucked up’ materials can be anything, all sorts of things…the box can suck up everything you have in your apartment, absolutely everything, chairs, tables, furniture, your bed, your closets, your clothes and even your pets, melt them like ice-cream and boom, shoot them right in the box…” said a well-informed insider, who allegedly works at AUTEC, where pertinent experiments are conducted.

It was heard from the grapevine, that the “Sucking Power” of this device has the capability of de-fragmenting any object, and reducing it to any desirable size, density, format and weight.

This is based upon the fact, that everything in the universe is made out of molecules, and the density of the molecules dictates the nature, weight and size of any object, any substance, any matter in the world.

By reducing, decreasing, increasing and/or altering the properties of molecules, any object can be reduced and/or enlarged either to the biggest or smallest desired shape, and consequently be transported to any destination, regardless of space and distance.

The process can also de-fragment the molecules to a certain point, where the biggest object can fit inside the smallest possible container.

Some have claimed that this or a similar “Sucking Technology” device was responsible for the vanishing and/or disappearance of many ships and airplanes in the Bermuda Triangle.

A French-American scientist who vaguely described the black box (Sucking Device) stated verbatim, word for word, “Only

those anomalies of the Bermuda Triangle that have occurred after September 1958 were unintentionally caused by extraterrestrials-US joint programs.
The government is not so vicious to cause all these tragedies.
In the first phase of their operation, they (United States) needed some adjustments; they did not know how to regulate the equilibrium and the opening (Sliding and Bumping) of the “Tectonic Vacuum”.
It is not exactly a tectonic vacuum, but pretty close.”
The BCB can suck up your whole life, everything you know, everything you are thinking about, your thoughts, your ideas, your health, your memory, your brain, and store them in the conic box. They can reprogram you, and send back information and disinformation to disillusion your brain and screw up your life.”
The insider went on to say: “The BCB can destroy or confuse a person’s ATP (Adenosine Triphosphate), which is the energy coin of the cell. When cells are destroyed, molecules and membranes die.
The “Sucking Machine” de-regulates the transfer of energy and all sources of vitality from chemical bonds to your body absorbing energy called Endergonic, and causes destructive reactions in the cell.” When asked to elaborate further, he replied calmly, “I don’t want to end up like Bender!”

- 7-They could/would incapacitate our mental faculties, erase our memory, freeze us in time, etc…in this context, the BCB becomes extremely effective, because it can also be used as a “mental weapon”. It controls everything in your mind and in your body. It creates new habits, and makes you addicted to “something you don’t want in your life”.

Nota bene: Because it empties your brain from all its contents, and put in (in your brain) new things, new information, new habits, new desires and new thoughts, the person who is operating the machine becomes your master. He is in charge now, and you become his puppet. It controls your dopamine.

Dopamine is an important neurotransmitter (messenger) in the brain. Science defined Dopamine “as a catecholamine (a class of molecules that serve as neurotransmitters and hormones.) The BCB is more than a military weapon…” explained a former military scientist who worked on mind control programs, sponsored by governmental agencies.

He added, “In the past, and for many years, the government tried unsuccessfully to understand how this horrible alien technology worked.

The extraterrestrial scientists who were working with military astrophysicists in secret underground military labs/installations demonstrated to us how this machine works. But none could really understand what made it work.

- 8-They could/would disable all our communications systems and satellites, including radios, TV transmissions, Internet, military and industrial information and communications’ channels.
- 9- They could/would neutralize all our weapons systems, military bases, missiles, submarines, defense facilities, etc.
- 10-They could/would shut off electricity and all our sources of energy, all over the world.
- 11-They could/would shower Earth with germs, bacteria and diseases, and wipe out the entire human race.
- 12-They can hit us from outer space and from multiple galactic/space locations, we can never reach or destroy with our current technology.
- 13-They could/would alter our ecological system; create apocalyptic tsunamis, earthquakes and unstoppable volcanoes’ eruptions around the globe.
- 14-They could/would eliminate Earth’s ozone layer, nullify Earth’s protection shield, and expose Earth to the deadly cosmic radiations.
- 15-They could/would interfere with Earth’s gravity, and make the Earth spin in all directions, and its inhabitants (humans and animals) and all objects float in the air like feathers.

- 16-They could/would electrocute everything in our waters (oceans, seas, rivers, lakes, reservoirs).
- 17-They could/would burn us alive with their “Death-Beams”, simply by redirecting and intensifying the solar rays and energy; they will reduce us to ashes.
- 18-They could/would take us back in time and space, and dump us in the infinite void.
- 19-They could/would hit us and pulverize us from their own planet (s), without flying one inch.
- 20-They could/would shoot down every single missile and jet we have at our disposals, and destroy all the jet carriers and nuclear submarines of all nations in minutes.

The list is endless.
Thus a direct confrontation with aliens/extraterrestrials will never occur, as you usually see in movies.

Nota bene: We are not referring to the Intraterrestrial Aliens who co-inhabit Earth.

II-Should the German New World Order UFOs and their scientists decide to attack us: The German UFOs’ tactics, techniques and attacks would be very different, and similar to a certain degree, simply because the Nazi New World Order has a totally different agenda. They are not seeking the total annihilation of Earth, *au contraire,* they want to preserve a major part of it, so they would/could dominate what’s left from Earth, and control every aspect of our life.
The German UFOs are capable of so many catastrophic things, to name a few:

- 1-They could disable all our communications systems and satellites, including radios, TV transmissions, Internet, military and industrial information and communications’ channels.
- 2-They could neutralize all our weapons systems, military bases, missiles, submarines, defense facilities, etc.
- 3-They could/would shoot down every single missile and jet we have at our disposals, and destroy all the jet carriers and nuclear submarines of all nations in minutes.

- 4-They could shut off electricity and all our sources of energy, all over the world.
- 5-They can hit us from outer space and multiple galactic/space locations, we can never reach or destroy with our current technology.
- 6-They could alter our ecological system, change Earth's weather and climate, create apocalyptic tsunamis, earthquakes and unstoppable volcanoes' eruptions around the globe.
- 7-They could electrocute everything in our waters (oceans, seas, rivers, lakes, reservoirs).
- 8-They could/would use the "Black Liquid" which was described in the Aliens Transcripts (AT). I have written about the "Black Liquid" in my previous books; here is an excerpt about the Final Stage of an attack: From the bottom of the spaceships, a special substance will be diffused, and will land in huge, swirling streams.

It is a black liquid, mixed with light and electricity, and some strange sparkling particles, which is a form of energy or radiation. It smells like fire and brimstone, but strangely, it is cold to the touch. Yet, it burns everything that touches it. This is a tool of annihilation, a tool that no one can fight.

The substance slithers inexorably over the ground, the buildings, and the stranded cars like icy cold lava waves. It sweeps away many people, killing them instantly. Once it covers a large area, it begins to coagulate, expand and rise up, foot by foot, until it reaches the height of the tallest building on Earth. Slowly, it will harden, and solidify itself into steel-like state.

Huge stacks of smoke will rise up into the sky, cars will melt, buildings will collapse, and fires start everywhere, seemingly not only by the touch of the substance, but spontaneously, when the wind carries the particles of energy into flammable materials. The combination of images and sounds will be that of chaos, pain, confusion, total destruction and death.

The fire and brimstone smell mix with that of burning flesh and of melting metal, plastic and rubber. Then, all of a sudden, the

substance stops growing, and assumes the appearance of craggy mountains, with sharp edges and canyons.
A very few who had survived, but had nowhere to go to, now tried to climb on the substance, since the earth itself was buried in it. This was futile, since the substance was too slippery for the climb. They started to fall and slip, and were instantly killed. These conditions will continue over the entire world for two days; no one will be left alive on the scorched Earth…"

- 9-The Nazi New World Order scientists and their UFOs could/would use weapons systems capable of holographic zooming, and slowing down time, or prolonging it indefinitely; this was discussed by our military scientists.

Imagine people accustomed to working from 9 am to 5 pm, going to work in the morning to a day that seemingly never ends.
Or an ambulance with a patient that needs emergency treatment never seeming to reach the nearest hospital. What should be a five or ten minute ambulance ride takes five weeks to travel the same distance in normal time. Obviously the patient will expire, and the 9 to 5 employee will collapse and die from complete physical exhaustion. What seems to be going on here, is that the physical body is straining under the conditions of the slowing down of time, that the mind seems to be completely unaware of.
Imagine the scenario seen by people on the ground, of airplanes dropping like stones out of the sky, due to the fact that they have run out of fuel before ever reaching their destination. On the pilot's instruments, everything has slowed down except for the fuel consumption by the plane's engines.
The stewardesses have run out of food and drink in the galleys, due to the indeterminable length of the flight, and ask the pilot and co-pilot why they have run out before the plane has landed, when they knew they were sufficiently stocked before the flight took off. This particular flight from Washington D.C. to New York City, which normally takes only 50 minutes, has been airborne for a month.

Here is another another frightening example of a passenger onboard this flight, having an urgent need to go to the bathroom, taking up to a week to unzip and pull down his pants!
What then would happen to the rest of the world, and people's daily lives?
Work schedules and appointments, food and medical supply deliveries, nuclear plants that generate electricity needing maintenance, and nuclear warheads needing fuses and detonators to have scheduled maintenance and replacement? Or picture a parent going to pick up their kids after school, and taking what seems forever to reach them. Or a woman going into labor but never delivering the baby? She will be in labor for ever.

Is there any way to solve this problem?
Unfortunately, there is no way to solve this problem, as the mind has no way of becoming aware of what is happening, or realizing what to do about it.
The purpose of such a weapons system is to completely break down the fabric of society, and incapacitate all faculties and tools of humans, to defend themselves against the Nazi New World Order (NNWO) and/or aliens' attacks.
By how much is time is slowed down, and is there any way to quantify or measure the rate of the slowing down of time?
The NNWO, the Lyrans, the Dracos (from Alpha Draconis), the Zeta Reticulans and the Anunnaki, as well as other civilizations from the Ashtari constellations have this weapons system and can slow time down 100 percent, to the point where time particles begin to disintegrate, and an entire race of beings can be transported back in time. It was reported that the Nazi scientists and their occult societies which were in direct contacts with aliens have already mastered this weapons system. And it is frightening.

Project Omega:

There was a “Project Omega”, which remains completely unknown to this day to any Ufologist, which dealt with this technology. In 1957 and 1958, the Gray aliens told President Dwight Eisenhower about this technology.
The American military and President Eisenhower did not believe it is possible, until the Grays “rewound the tape of time” to the point where they were able to not only see a holographic projection of Jesus, but listen to his voice as well.

The Grays, General Marshall, President Eisenhower, and D-Day.

General Marshall was present at this meeting, and decided to ask the Grays if they could re-project an event that occurred in World War II, known only to General Omar Bradley, General Patton, General Eisenhower and himself. He gave them the date and location of this event, and waited for the holographic projection. What they then saw before them, was accurate down to the very last detail. The Grays then went even one step further to reveal two letters within the holographic projection: One, a speech to be given by Eisenhower in the event of a successful storming of the beaches of Normandy on D-Day, and another speech to be given, in the event that this D-Day event was a failure. The existence and contents of the two letters were known only to Generals Bradley and Eisenhower. Also shown were the six draft letters written by Eisenhower and his secretary.

The device used to create a holographic projection.

“What is the device used to create this holographic projection system that can show past, present and future events in time?” It is called the Miraya.” Many extraterrestrial civilizations have this technology.

HZ: An acronym for Holographic Zooming.

From talking to a European scientist who is allegedly working on reverse-engineering the alien’s or the German “HZ”, the

following was obtained, verbatim, “Holography as applied in the project means the projection of a picture or a substance that has been de-fragmented and transported via a grid. It is similar to what you see reflected in a mirror. However, it is more realistic, because it interacts with you, and can be programmed and reprogrammed.
In other words and simply put, you take anything you want, a tank, a building, a car, a whole city and you create the tank, the building, a city, in a sequence of numbers (ones and zeros). The sequence has its own language and frequency.
The language is used for command.
The sequence is used for programming. In doing so, you will be able to know what constitutes the substance and “inertia” of everything in the world. And inertia has also its one substance. And the substance itself can be broken like an atom. Much more, you can divide the inertia into molecules. Each molecule will have its own sequence, like a DNA. By doing so, you can change and/or totally alter its nature. For example, you take the Empire State Building. You enter its blueprints into the grid. The grid will read its sequence which was created through the re-programming using the code of ones and zeros. At distance, and without even touching the Empire State Building, you can disintegrate it, erase it, and destroyed…you wiped it from the face of the earth by a simple holographic process.
Another fascinating characteristic is the creation of something that does not exist at all. For instance, you can create a whole city with the holographic grid, and project it on a huge scale, big, as big as a small city. On your grid, it is a virtual image. But on a landscape, it is a reality. Mind you, it is not an alternate reality. It is not a camouflage. It is real. This technique can be used to deceive the enemy, and of course to confuse everybody.
You can transport New York from its actual location to another, and substitute or replace it with the holographic projection you have created.”
The measurements of genome/DNA chips of any substance, and pertinent holographic reconstruction have enormous

military applications. It is difficult to understand how extraterrestrials and some Nazi scientists manage to do this. Scientists have already done something with these measurements, but in a different area.
They call it “microarray measurements.”

- 10-The Nazi New World Order scientists and their UFOs could/would use the “D.S.I.”

A French-American scientist who claims to be one of the “brains” working on D. S. I., stated (As is, word for word and unedited): “D. S. I. makes things disappear without leaving behind any trace or evidence. It is a formidable source and tool of energy that cannot be detected; a sort of plasma-gas bubbles vortex that can suck up ships and planes and make them vanish. We have seen these phenomena when German and unidentified spacecrafts not from this world appeared over the Bermuda Triangle. ” Asking him, “Is it similar to those notorious rising methane bubbles?”
He laughed, and said: “Yes, on the surface, (For lack of proper wording) but it is more complicated and more destructive than you can imagine. Don’t ask me how the system works. But one thing I can tell you, the energy comes from the bottom of the sea or some hidden areas serving as a temporary base for UFOs. You know, D. S. I. can open a wide section deep down in the ocean and create a vortex-vacuum capable of swallowing a 85,000 tons ship, in matter of seconds! The ship goes down instantly, and dissipates inside the ‘Hollow-Opening”!!

Are we ready to fight back the UFOs?
NO! And this is one of the paramount reasons, our governments would not admit the reality, existence and threats of UFOs. So let’s move on.

The New Wonder-Weapons of the Nazi New World Order

Those flying machines you see in the skies are not extraterrestrial or American-made. They are German UFOs which can destroy the world in minutes, to name a few:

- **1-Die Mutterschiff Einsatzkommando. S1 & S2** (The Mothership, also called The mother-ship Striking Force. It flew over many areas in the United States, including Arizona, Texas, Nevada)
- **2-Neuer Bestellugsstrom** (New Order Stream)
- **3-Schwarzer Wind (**Black-Wind. It flew over Belgium, Brazil, Mexico and the United States)
- **4-Deutsche Tornado-Wut (**German-Tornado Fury. It flew over Brazil, Belgium, Mexico, Chile, Peru, The Bahamas, Bermuda Triangle area, the United States.)
- **5-Mehrlagige Kuppel** (The Multi-layered cupola. It flew over Russia, Poland, Holland, the United States.)
- **6-Die Schwerkraft Aufhebemaschine.** (The XV1 Anti-Gravity Sphere Machine. It flew over Mexico, Chile, The Bahamas, Bermuda Triangle area, the United States)
- **7-Jenseitsflugmaschine** (Version V-12)
- **8-Die Glocke** (Version UV3)

Nota Bene: The Vril, Geist 7, the Haunebu's first 7 types, the RFZ 1 (Rundflugzeug 1), the Reichsflugscheiben or Hauneburg-Geräte, The Foo Fighters and other types of German UFOs are now a relic from the past by German standard.

Consequently, they are no longer in the arsenal inventory of the Nazi New World Order.

What we are currently seeing in our skies is: German Nazi challenge, harassment, intimidation and an Ultimatum. And there is nothing we can do about it, except seeking shelter.

And let me repeat one more what I have said previously: We must right away start building underground cities, as Switzerland did, long time ago.

No country on Earth is safe from this apocalyptic annihilation except…

No country on Earth is safe from this apocalyptic annihilation except Canada, Argentina, The Vatican City, Spain, Austria, Antarctica, Portugal, the Bahamas' area, and a few Latin and Middle/Near Eastern countries, including Palestine/Israel. (The New German World Order considers Israel as an Arab state, so no reason to destroy Israel!)

We should unite, we should forget our differences, we should stop hating and discrediting each other and join our efforts (individuals, nations and governments) as one universal family to face the forthcoming global catastrophe, which some alert and bright minds have already called: World War Three. We might succeed! We must!!

And for a while, I laughed at the "Apocalyptic man" with a bright mind who predicted UFOs' WWIII.

And he replied, "People laughed too at Noah as he commenced to to build his boat in the middle of an arid land."

Hitler did not shoot himself in the Bunker!

HITLER ESCAPED ABOARD A BELL-UFO

ADOLF HITLER'S SKULL WITH BULLET HOLE IN IT CAME FROM AN UNKNOWN WOMAN, NOT THE FUHRER!!

A general view of what Russian officials claim to be a fragment of Adolf Hitler's skull, at an exhibition in Moscow, Wed April 26, 2000. Photograph: Mikhail Metzl/AP. Source: The Guardian.

History or legend has it that Adolf Hitler committed suicide by gunshot on Monday, April 30, 1945 in his Führerbunker in Berlin. A small fragment from his skull with a bullet hole in it, which was kept in the Russian KGB and NKBD secret archives seems to convince many military historians, that de facto, Hitler shot himself. For years everybody believed that Hitler was 6 foot under. But, recent DNA meticulous study of the alleged skull revealed that it couldn't be Hitler's skull, simply because it belonged to a young Russian woman!! The Guardian and the Observer stated (A Headline): "Tests on skull fragment cast doubt on Adolf Hitler suicide story. Bone with bullet hole found by Russians in 1946 came from an unknown woman, not the German leader."

The Guardian added, "Some historians expressed doubt that the Führer had shot himself, speculating that accounts of Hitler's death had been embellished to present his suicide in a suitably heroic light. But a fragment of skull, complete with bullet hole, which was taken from the bunker by the Russians and displayed in Moscow in 2000, appeared to settle the argument.

American researchers claim to have demonstrated that the skull fragment, secretly preserved for decades by Soviet intelligence, belonged to a woman under 40, whose identity is unknown. DNA analyses performed on the bone, now held by the Russian State Archive in Moscow, have been processed at the genetics lab of the University of Connecticut.

The results, broadcast in the US by a History Channel documentary, *Hitler's Escape*, astonished scientists. According

to Connecticut archaeologist and bone specialist Nick Bellantoni, it was clear from the outset that something was amiss. “The bone seemed very thin; male bone tends to be more robust,” he said. “And the sutures where the skull plates come together seemed to correspond to someone under 40.” In April 1945 Hitler turned 56.”

Many insiders and SS officers are absolutely convinced that Hitler escaped from Germany aboard a UFO, which was originally designed by Maria Orsic and the Ladies of the Vril, and built by Dr. Otto Schumann.

In the early sixties, Dr. Otto Schumann told Hanna Reitsch that Hitler escaped on a Bell-UFO he built himself.

This confession was burried by the United States government, because Dr. Schumann was recruited by Dr. von Braun for “Operation Paperclip”, initiated by The White House. Dr. Schumann added, “We built 2 anti-gravity flying machines based upon technical data Maria Orsic (Medium) received from Aldebran’s aliens.

Hanna Reitsch reported this to Leni Riefenstahl, and in 1972, Leni *a son tour* told me what Reitsch revealed to her; this is how I learned about this maccabre story.

Here is a synopsis of the story with additional information I did not include in my books on Maria Orsic for personal reasons.

Message to Hitler: Get out of Germany, right now!

In March of 1945, Maria Orsic abandoned her mission, for she had received extraterrestrial messages predicting the defeat of Nazi Germany before the end of 1945, and instructions from the Aldebaran’s messengers to get out of Munich and fly to the 33.33 degree station line, where their mothership will pick her up. Maria told the Horten brothers to get out of Germany as soon as possible, and explained to them how and when Germany will loose the war, and Maria also predicted the suicide of Hitler (Contested), and the Soviet domination over the entirety of Eastern Europe. The Hortens believed her and historical records show that they fled Germany to Argentina in

1945. The Hortens advised Maria not to talk about it in the presence of SS officers, for they will think she is a traitor and will shoot her on the spot. However they did advise her to warn a few civilian scientists who have worked with them on the Horten 229. And Maria did.

Gudrun Burwitz, Himmler's daughter never forgave Maria Orsic upon learning what she knew and what she did. On that event, the daughter of Goering remained quiet, however she did confess to a confident that her father Herman Goering already knew about the inevitable defeat of Germany, but he was not very much alarmed, because he sincerely believed that he could negotiate some kind of a deal with the Americans.
He was mistaken.

From L to R: Psychic-Medium Maria Orsic. Traudl Junge in 2002.

In 2002, Mrs. Junge told me: “We did receive a message from Maria Orsic, and it was delivered to Mrs. Goebbels by Inge Schulz… Bormann read it first…”

Maria’s message to Magda Goebbels:

Inge Schulz, one of Maria’s associates who had a direct access to powerful figures in the military hierarchy, managed to reach Magda Goebbels, the wife of Josef Goebbels and delivered what she later called “Message of Escape”. She told Magda Goebbels about the vision of Maria, and Maria’s sincere concern for the lives of her daughters. Unfortunately, Mrs. Goebbels did not believe her, and the rest is history.

Magda and Josef Goebbels before committing suicide asked Dr. Helmut Kunz to poison their six children. Junge stated that an urgent message from Maria Orsic was delivered to Mrs. Goebbels, and contained a reference to a secret aircraft (UFO) but unfortunately nobody took it seriously. Rochus Misch, who worked as a telephone operator in Hitler’s bunker also reported that a message from Orsic was sent to Mrs. Goebbels and Hitler. Magda told Erna Flegal about Maria’s message, and added that Maria had a way of getting her out of Berlin with her daughters, by some sort of a new type of airplane she had at her disposal.

She added that Hitler will be using a second super flying machine to get out of Germany. Erna Flegal immediately replied, “Please madam, leave right now…take the children and go…” Magda replied: “I belong to my husband. And the children belong to me. I can’t leave Joseph…”

Erna Flegel, Hitler’s nurse, left in 2005, right in 1933.

Erna Flegal said, “She broke my heart, because I was very fond of her, she was an extraordinary woman, and I loved her children…they were charming.”

Erna Flegal’s testimony remained classified and secured in Richard Helms (a former CIA director) vaults, and who in 1945, was the United States intelligence chief in Berlin.

Erna Flegel with Adolf Hitler.

Controversial and contradictory statement of Flegal as appeared in European journals: “The next day Hitler shot himself, there were a few people who heard the shot. Others didn’t…the remaining staff then had to decide whether to stay or not to stay.” A close friend to Flegel said, this statement of hers was not true. And so said Hanna Reitsch and Leni Riefenstahl.

Martin Bormann (Hitler’s private secretary) knew about Maria Orsic’s spacecraft.

Traudl Junge, during the Second World War.

Traudl Junge in 2002.

In 2002, Mrs. Junge told me: “We did receive a message from Maria Orsic, and it was delivered to Mrs. Goebbles by Inge Schulz… Bormann read it first…”

Leni Riefenstahl’s account: Hitler escaped!

In January 1972 in München, I had a long chat with Leni Riefenstahl (Helene Berta Amalie). We spoke about so many things; the Third Reich in general, and Hitler, Eva Braun, Josef Goebbels, his wife Magda and the rumors surrounding the escape of Hitler, and of course her “Triumph des Willens”, and her two favorite films “Das Blaue Licht”, and “Die weiße Hölle vom Piz Palü” a film she co-directed with G W Pabst. And what she told me was mind-bending. For instance:

Leni Riefenstahl

a-Hitler had a lot of respect for women.

He thought women were more creative than men on an artistic level. Adolf Hitler admired few people in his life, mostly women…Zarah Leander, he called her the “Divine Zarah”, which made Josef Goebbels a little bit jealous… Hitler had a very special affection for Magda Goebbels who thought of her as the “Most perfect German woman”, Eva (Eva Braun) of course, Hanna Reitsch, Princess Stephanie Marie von

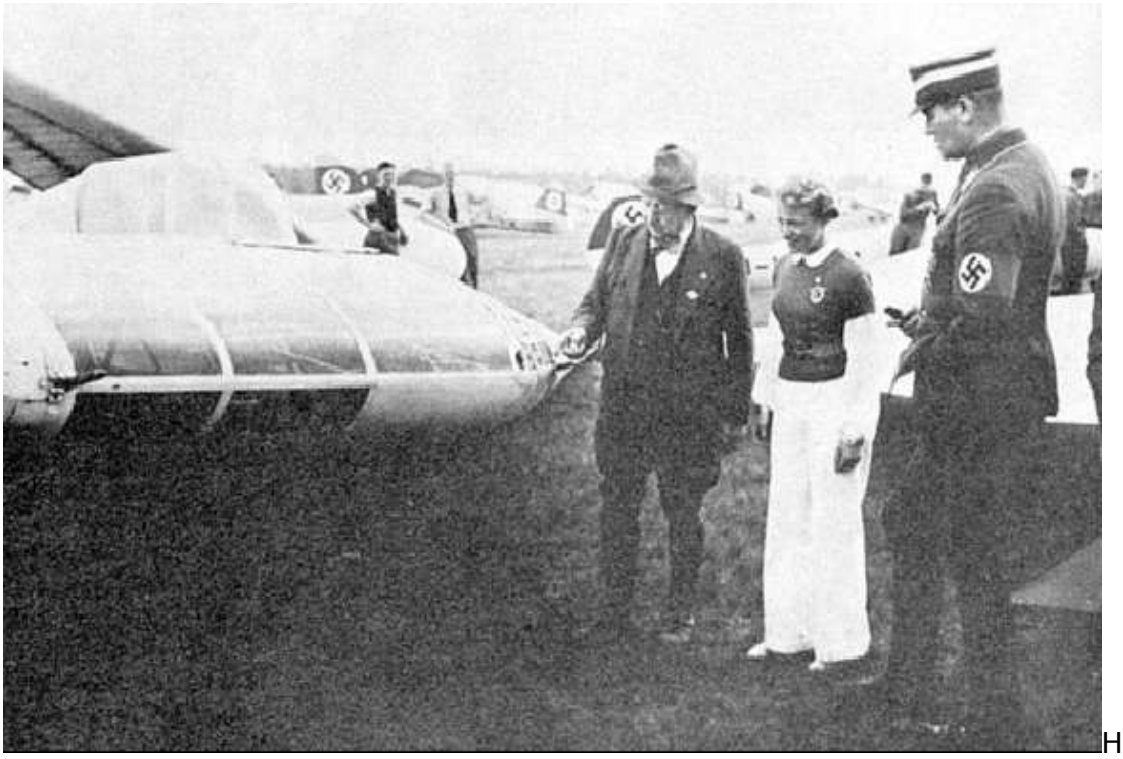
Hohenlohe's (She was Jewish), who gave her so many gifts and a castle…and me (Leni) to a certain degree.
b-Josef Goebbels was not a "pure Aryan"; he was half-Jew.

Leni Riefenstahl with Adolf Hitler.

---

c-Hitler himself had something Jewish in him…in his blood, and he created a new family tree to hide that secret that haunted him all his life. His nephew William Patrick knew about it and he was constantly blackmailing him.
d-Hitler and Eva did not die in the bunker in Berlin; they escape with Martin Bormann, two days before the Russians entered the bunker. I know that for sure. I don't know all the details, nobody does.
But from what I heard, during his last stand, Hitler received a message from a mysterious woman to get out of Berlin. The message contained a reference made to a secret airplane capable of flying 6,000 kilometers non-stop. People at the bunker did not take the message very seriously. Another message was delivered to Magda. I think it came from Maria Orsic.
Magda would not leave her husband.

I am absolutely certain that Hitler, Bormann and Kammler escaped aboard what the Americans call a UFO. The craft made a short stop in Poland and continued its flight to Argentina. People who where very close to Hitler were saying that Hanna Reitsch flew the craft.



Hanna Reitsch, then, the world most famous woman pilot, inspecting a German UFO.

In 1975, Hanna Reitsch stated that Maria Orsic's vision launched Germany's Bell-UFO programs. Hanna Reitsch was unnecessary put on trial. She survived the war and died on August 24, 1979 in Frankfurt, from a heart attack.

Hanna Reitsch

Adolf Hitler awarding Hanna Reitsch the Iron Cross 2nd Class in March 1941.

Leni continues her story: Two or three years after the war, I heard a new story about Hitler's escape, totally different from the first one, and it goes like this: Hitler, Eva, Bormann and Kammler were taken to a secret location on the Baltic Sea where the Luftwaffe and SS were experimenting with a new kind of airplanes...call them UFOs if you want. Two special spacecrafts of a bizarre shape were waiting for them.
One crashed in the Baltic Sea, and the other one managed to fly in an unconventional manner. Its flight pattern was strange. This very craft took them rapidly to a secret naval base, where they boarded a U-Boat. More SS officers would later join Hitler.

The legendary U Boat 977.

The U 977 when it reached Argentina after approximately 120 days a sea; a world record for a submarine!

They did the same thing…they flew aboard one of the “Vrils” which was stationed in the "Alpenfestung"…they fled the base to South America, and Neuschwabenland without leaving any trace.

Captain Heinz Schaeffer, Captain of the “U-977”.

Walter Reinmar told me that Heinz Schaeffer, Captain of the “U-977” (German submarine) which was stationed in the Baltic Sea took Hitler, Eva and Bormann to Argentina.
It took them almost 4 months to reach Argentina. They manage to escape with the help of a very powerful British Lord and the American military high command. From Argentina, they went to a military base in the Antarctic. After the war, Schaeffer was recruited by the Americans. Worth mentioning here that Heinz Schaeffer was questioned by the Argentinian and American authorities and was released short after.” -End of the the account of Leni Riefenstahl.

We learned about Hilter’s escape from various sources. Some are most reliable; others raise a big question mark. The most noted ones were: 1-Confidential account of Hanna Reitsch, which was never mentioned in any of the Allies’ reports and pertinent investigations and interrogations of Reitsch.

- 2-Leni Riefenstahl’s story.
- 3-Walter Reinmar’s account as told to Leni Riefenstahl.
- 4-Captain Heinz Schaeffer’s account as told to SS Lt. Colonel Walter Reimar.

- 5-Leaks from Agentina’s secret service.
- 6-Confidential statement by Major Erich Hartmann.
- 7-A buried report I found in Egypt’s former president, Gamal Abdel Nasser’s Moukharabat.

Chapter 7

The Hitler-Triumvir Meeting after WWII

After WWII, Dr. Edward Teller, Dr. Wernher von Braun, and Dr. J. Robert Oppenheimer met with Adolf Hitler in 1953 in Argentina. The CIA (created by Truman in 1947; its predecessor was the OSS “Office of Strategic Services”) and the NSA (Created by President Truman in 1952; its predecessor was the AFSA “Armed Forces Security Agency which was created on May 20, 1949) never knew about the meeting.
Hitler told the triumvir that the New World Order (Germanic New Order) will destroy the United States in a heart beat with Germany’s terrifying wonder-weapons (Like Anti-gravity flying machines; ie UFOs, which Germany could not put to an effective use during the war) should the United States interfere in the GNO’s affairs.

Adolf Hitler showed them the underground factories of the most recently developed and manufactured German flying saucers such as (To name a few):

- **1-Die Mutterschiff Einsatzkommando. S1 & S2**
- **2-Neuer Bestellugsstrom 3-Schwarzer Wind 4-Deutsche Tornado-Wut 5-Mehrlagige Kuppel 6-Die Schwerkraft Aufhebemaschine 7-Die Glocke RFZ**

Argentina’s Juan Perron, who benefited from Nazi Technology, and opened his doors to Hitler until he died in 1965.

Hitler introduced the triumvir to Juan Peron, who benefited tremendously from the Nazi’s technology. The triumvir also met with Lt. Colonel Walter Horten and Lt. Colonel Reimar Horten,

inventors of the Horten 229 (H-229) and the lesser known 209 H-V1. (The H-229 were the half-crescent-shaped, winged crafts spotted by Ken Arnold, and which were mistakenly called flying saucers).
And at a later time, Dr. von Braun and Dr. Edward Teller met with German scientist and Nazi pilot Kurt Tank who was very important to Juan Peron, because he modernized Argentina' Air Force.
Under the leadership of Kurt Tank, Argentina produced two highly advanced jet aircrafts, which reached a speed of 1,000 kilometers per hour, and later the IA 58 Pucara and the IA 63 Pampa, but never a UFO proper.

Note: *The United States and Great Britain tried very hard to recruit Kurt Tank but to no avail.He stayed with the Führer.*

The Russians out of the Loop!

The Russians knew what was going on through their agents and spies in Argentina, Brazil, Peru, Portugal, Spain, Sweden and Chile.

At one time, they even tried to obtain pertinent information from their “communist” priests-spies inside the Vatican. The Russians did not get the whole picture. They tried again to recruit spies and double agents, as well as new spies from the circle of scientists who worked at Los Alamos.
A former general at the NKVD wrote an extensive report on Hitler-Triumvir’s meeting and tried to sell it to Der Spiegel. The report was either intercepted or allegedly bought by one of America’s most powerful families, who in the past financed major enterprises in Germany.

Jewish passengers/refugees from Nazi Germany aboard the "St. Louis." They were forced to return to Europe after the U.S. government denied them entry. A dark page in the history book or our country. But we were so eager to welcome Nazi scientists, simply because they were useful to our military and the build-up of new weapons’ systems. C’est la vie!!

The head of this powerful American family was known for his anti-Semitism, and some of his close American and Austrian associates and partners played a paramount role in convincing the American administration to not allow more German Jews to enter the United States before and during the Second World War.

Anti-Semitism as Usual

In 1939, the German ocean liner, MS St. Louis had aboard 937 Jewish refugees from Germany and Holland, seeking assylum in America. But our government denied them entry to the United States.
Usually, we talk about World Jewish Conspiracy, but in this particular case, it was a World Conspiracy against the Jews. And Presidents Roosevelt and Truman were part of it. To this day, the Third Reich remains active and extremely powerful.
It never stopped. Innocent middle to lower social classes Jewish folks from Germany were sent back to their imminent death in Germany, Holland ans Austria.

But Nazi scientists were received and honored by the military. The public was told that few Nazi engineers and scientists were recruited by our government via the efforts and auspices of Dr. von Braun. In fact, more than 3,700 of them settled in the United States after the collapse of the Third Reich. Almost 98% worked for the Nazi war machine, and no less than 62% worked in various capacities to develop destructive rockets, missiles, wonder-weapon, and anti-gravity flying machines (UFOs and similar spacecrafts). On many occasions, General Donovan expressed his disgust and warned President Truman.
And what was the reaction of Truman? He abolished Donovan’s OSS, and fired him!
Many German scientists have claimed that they were not Nazi. I assume that it is possible, but during the Nazi era, and especially during the victorious days of Hitler, almost

everybody in Germany, including children worshiped Hitler as the Germanic Messiah.

Talking to Hitler

Dr. J. Robert Oppenheimer did not like what he heard from Hitler and what he saw in Argentina. He was planning on going public. The administration began to watch him very closely.
And Teller enjoyed the show. In 1954, Dr. Oppenheimer lost his top security clearance; it was revoked that year.

Lt. Colonel Reimar Horten, inventor of the Horten 229, met with the Triumvir in 1953 in Argentina.

The administration discredited him, and he had to face an imminent danger, perhaps death, unless he keeps his mouth shut. This was his life’s greatest and most horrifying demise. Many observers link his demise not to his sympathy for communism, but to what he was going to disclose.

The man lost everything, but his life was sparred. He understood that spilling the beans and breaching the oath of secrecy is treason. He faded away. And all the Glory went to Teller who ironically was a Jew--- go figure!!

It was a great opportunity for Teller to get rid of his Los Alamos Boss, Dr. Oppenheimer. He hated him. He was so jealous of his success and fame.

As a matter of fact, in 1954, Teller testified against Oppenheimer in the infamous Oppenheimer's security hearing orchestrated by the administration and the United States Atomic Energy Commission.

Teller spread rumors that Oppenheimer was a Russian spy. He was Not! The spy was Theodore Hall, a young physicist at Los Alamos. From the PBS American Experience, “Teller testified very cleverly. And in the years since then, he's denied that he planned it all out in advance, but the record is very clear that he discussed his testimony at least a month before he arrived in Washington, with several people. Teller testified that he felt the nation would be more secure if Oppenheimer were not in government. He didn't say he was a security risk. He said, "I would feel personally more secure." Richard Rhodes stated publicly, “But he (Oppenheimer) was destroyed. And he died. And that was the end of Robert Oppenheimer.

A really tragic event. The Dreyfus of America, if you will.” What a shameful scam! Rhodes added: “Teller was an outcast, as a result of that testimony. There was a famous incident at Los Alamos soon afterward, where people refused to shake his hand. And he was shaken, and went back to his room, and was extremely upset.

And lost his friends. Was a pariah in the physics community, really, ever since then. In a way, that was a further tragedy, because he aligned himself with the industrialists; he aligned himself with the Lewis Strausses of America; he aligned himself with the right wing." It was so obvious and so bizarre, that von Braun and Teller became "close friends" short after their meeting with Hitler. History books do not always tell the truth, especially if they are written by the victorious and the powerful.

Dr. J. Robert Oppenheimer testifying before the Joint Congressional Committee on Atomic Energy, in 1954.

Dr. Edward Teller.

Intelligent and decent people don’t suddenly believe bad rumors and gossip. Idiots and vicious people do, and they rush to give ill and venomous judgments based solely on hearsay and false allegations.

The Internet and many blogers are a perfect example.
The administration remained *à bâtons rompus* in touch with the Germanic New World Order and Adolf Hitler until his death in September 1965.
One observant reported that the triumvir learned “alarming and highly significant stuff” from its meeting with the Nazis after WWII, and it was “extremely vital to the national security of the United States, and the future development of formidable weapons programs to be carried out, coordinated and co-accomplished with German scientists.”
And as history showed us, it did happen.
No aliens/extraterrestrial UFOs ever flew over Washington, DC.
It was dirty politics and a major cover-up of German/Nazi Super Technology!

Chapter 8

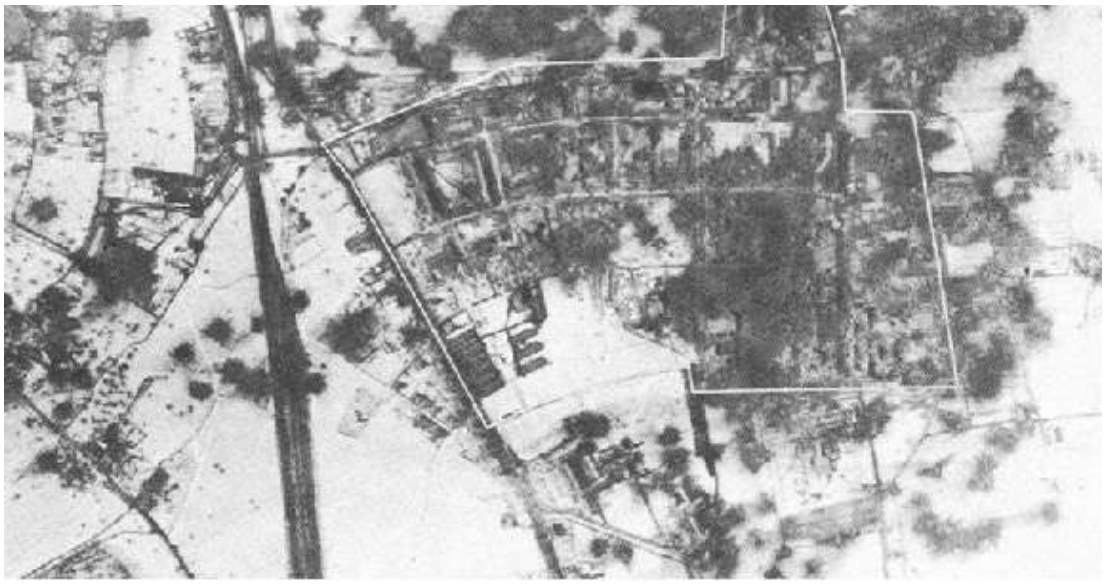
What kind of documents and files do we have on German UFOs?
The Phase of German UFOs (1917-1945)

_____

1-What kind of documents and files do we have on German UFOs?

Plenty. I have reviewed more than 3,500 reports and files on German UFOs. Below is a list of files, reports and documents that verify the existence of German UFOs/USOs: Just to name a few: 1-OSS, MI5, NKVD (Narodnyy komissariat vnutrennikh del “The People's Commissariat for Internal Affairs”), the Russian MVD and the MGB huge files on Maria.

- 2-A set of correspondences between Maria and Rudolf von Sebottendorf, (aka Rudolf Glauer), founder of the “Thule Gesellschaft”, seized by the SS, and the NKVD.
- 3-Maria’s personal notes on the beings of lights and Aldebaran.
- 4-Sketches of the UFO Geist Vril 7 by a medium from the Vril Society, 1943; the first prototype which was built in 1943, and was successfully tested at the Arado-Brandenburg hangars.
- 5-Additional sketches by Vril psychics/mediums (Aldebaran Raumschiffe).
- 6-Reports on Maria by the British Occult Bureau, an official branch of MI5.
- 7-Personal accounts of Dr. Herman Oberth.
- 8-The JFM file on “Jenseitsflugmaschine”, found by the Allies at Messerschmitt’s facility in Augsburg.
- 9-The OSS report on the Peenemunde.
- 10-The 1939 SS files on Hans Kohler.
- 11-Statement of Dr. Ernst O. H. Friedrich, a noted German scientist who was recruited by the United States through Operation Paperclip, and later on, worked for NASA.



Messerschmitt’s facility in Augsburg.

- 11-Notes and files of Dr. W.O. Schumann, professor at the Technical University of Munich.
- 12-Heinrich Focke 1939 German patent for his VTOL Fw Schnellflugzeug Rochen.
- 13-Rudolf Hess’s interrogations files in Britain.
- 14-Accounts and numerous statements by Rudolph Schriever, Luftwaffe’s Captain, test-pilot, BMW senior scientist, and aircraft designer.
- 15-An addendum to the Luftfahrt International Report.
- 16-Account of Renato Vesco, an Italian engineer who worked with the Germans during the Second World War, and who afterwards held a cabinet position with the Italian government. Renato Vesco stated that Kahla was the location where a turbo-jet powered German saucer lifted off in its maiden flight in February of 1945, and Maria’s technical data and sketches were used by SS engineers and the Luftwaffe.

Asking him: Where you involved with any of Germany’s UFOs programs?
Hess: No.
Question: Who was in charge of the UFOs programs in Germany?
Hess: Himmler was certainly in charge.
Question: Did the Third Reich build any UFO?
Hess: Yes…various types.
Question: To the best of your knowledge, do you think the Allies got hold of secret files on German UFOs?
Hess: No doubt.

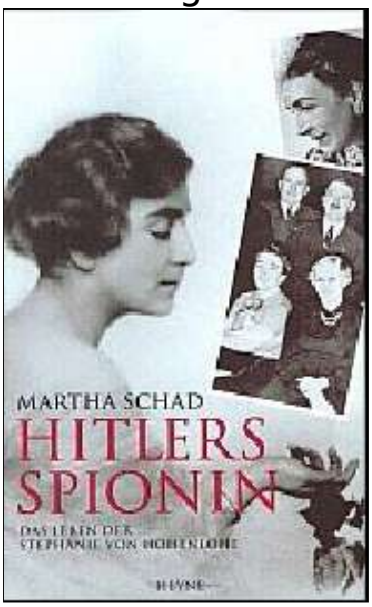
- 24-Princess Stephanie Marie von Hohenlohe's (She was Jewish), deposition and interrogations at the FBI Bureau in California: Accounts and testimonies of German spy, Princess Stephanie Marie von Hohenlohe, who was captured by the OSS, and later detained in a German detention camp in Texas. Princess von Hohenlohe was an international celebrity with strong contacts in Europe and the United States. Excerpt from an article published by Life Magazine, June 26, 1939 issue: "He (Fritz Wiedemann, the German Consul in San Francisco,) and Hitler are thinking of summoning Stephanie, Princess Hohenlohe to San Francisco. This remarkable woman, with her wide international contacts, has more than once performed miracles for the Third Reich... She can give parties to which her title will attract the potentates of the West Coast, and 'Captain Fritz' will casually drop in." When Princess Stephanie arrived to San Francisco in December 1939, the FBI began to watch her around the clock. J. Edgar Hoover put her under 24 hour surveillance, because

he was fully convinced that Adolf Hitler had sent her to San Francisco to help Fritz Wiedemann set up a Nazi espionage network. Hoover called her the “Most dangerous woman in the world.” And finally the FBI arrested her in December 1941. Princess Stephanie Marie von Hohenlohe knew a lot about the German UFOs and what she told the OSS and the FBI about Maria Orsic and the various types and mode of operation was mind bending.



The Princess on the cover of the excellent book “Hitler’s Spionin” by Martha Schad.

Leopoldskron Castle in Salzburg, Austria.

Even though she was Jewish, Adolf Hitler overlooked her ethnic background. In 1938, Adolph Hitler gave Princess Stephanie the Leopoldskron Castle, which he confiscated from Max Reinhardt, director of a German theater, and on the top of that, he gave her a most unusual title “Honorary Aryan”, and the insignia of the NAZI party, even though she was Jewish!
How can you explain that?

When she was arrested by the FBI in 1941, the Princess told us a lot about German UFOs programs, and especially about Maria Orsic and her Vril, but she was polite and very proper, but not so, when she was asked by the FBI to draw a psychological

profile of Adolf Hitler. Later on, she became a spy for the OSS, the precursor of the CIA.

After the war, Dr. Sänger relocated to France, and established Fédération Astronautique. Sänger's Silbervogel and sketches of a new version of UFOs fascinated Joseph Stalin who tried hard to convince Sanger to come to Moscow and work for the Soviets. Sänger refused. Then, Stalin sent his own son Vasily, and a noted Russian scientist Grigori Tokaty to talk to Sänger and win him over, but as expected all their attempts remained in vain. Then Stalin ordered NKVD agents to kidnap him, and they failed too.

- 32-Report of Russian scientist Grigori Tokaty. By order from Joseph Stalin, Grigori Tokaky via a double agent working for the NKVD, tried to contact Maria Orsic, hoping to convince her to flee to Moscow. The Russians were aware that their ally, Marshal Tito of Yugoslavia was in correspondence with Maria. Maria got the message of Tokaty, and replied that she will not betray the motherland (Germany).

This, does not mean that she was on the side of Hitler, far from it. The NKVD knew that Maria was up to something, but could not figure out how advanced she was with her UFO super flying machine.

Russian scientist, Lt. Colonel Grigori Tokaty (Grigori Alexandrovich Tokaev)
Lt. Colonel Grigori Tokaty was the former Head of Russia's Aeronautics Laboratory, and a powerful figure at the Kremlin. But later, he deserted Stalin and fled to England, and became a professor at City University in London. In the sixties, the United States asked him to work on the Apollo lunar program.

Later on, Tokaty was able to meet with Dr. Eugen Sänger, a major German scientist who has developed an extraordinary airplane. Same scenario; Tokaty in a personal meeting with Dr. Eugen Sänger tried to win him over, and convince him to work for the Russians, and Dr. Sänger turned him down.
Finally, the NKVD tried to kidnap him on two occasions, and they failed too. At the time the two men met, Vasily Stalin, the son of Joseph Stalin was present. This is a common knowledge. And the event was documented by Dr. Sänger's personal account, the NKVD file on Maria and a report by an intelligence agent who worked for the OSS in Geneva, Switzerland.

Zhukov learned about a certain correspondence Tito had with Maria Orsic and asked the Yugoslavian leader to report on the matter. Tito categorically denied any involvment with the Croatian-German medium.
However, our intelligence agents in Eastern Europe, Bonn and Geneva, learned that long before Zhukov captured Berlin, he was aware of the progress of Maria, and when he entered Berlin, he blocked all routes of escape from Berlin, hoping to capture her alive.

Epp stated that 15 UFOs prototypes were built and flew successfully. On other occasions, he mentioned only 7!! He added that the early German UFOs were based upon blueprints and instructions given by Maria Orsic’s Vril Society. Epp in his own words, describing the UFO mode of operation: The circular wing blades rotated independently and smoothly around the external body (Chassis) of the machine as the craft moved forward in a centrifugical manner (Auto-gyrocopter), and the craft took off vertically in a spiral mode. Walter Horten and Reimar Horten.

Maria told the Hortens to get out of Berlin, before it is too late. And they did. After WWII, both immigrated to Argentina.

Encouraged by Peron, the Horten brothers continued to design and build civilian and military airplanes. Reimar Horten passed away in 1994 and Walter Horten in 1998. Worth mentioning here that the two men were ridiculed by Adolf Hitler, and Heinrich Himmler who did not trust anybody placed them under 24 hours-surveillance.

An intelligence report revealed that Lt. Colonel Walter Horten: 1-Worked as an engineer on the Avro Canadian-American UFO in Toronto.

2-Reported on Maria Orsic's Aldebaran technical data, that was later used to build the first prototype of a functional UFO.

Because of his extraordinary spying talent and services rendered to the Allied Forces, Garcia received an honorary knighthood from England. And ironically, he also received the Iron Cross II from Mazi Germany, for being an excellent German spy! Try to figure it out!! Worth mentioning here that Garcia was nicknamed Garbo because of his most unusual spying-acting talent. (In reference to Hollywood legend, actress Greta Garbo) It was Garbo who told Adolf Hitler and Hermann Goering that the Americans/Allies will land at Pas-de-Calais, and not on the beaches of Normandy. He did us a great favor!
And it was Garbo too who told the OSS and British intelligence about Maria Orsic Vrill UFO.
And it was Garbo too who blew the whistle on the British army trapped in Dunkerque. What a character!!

- 51-Verbal and written accounts of Ernst Franz Sedwick Hanfstangl. Hanfstangl, was a leading figure in Nazi Germany and a close friend to Adolf Hitler. He served as Hitler Nazi Press Chief.

Ernst “Putzi” Hanfstaengl together with Adolf Hitler, at Cafe Heck in Munich in the 1920s.

Despite his loyalty to Hitler, Hanfstangl did not tell his boss everything he knew about Maria’s Vril and the UFO-Bell. This is factual, and it was documented in the testimonies he gave to the Office of Strategic Services, and during a series of secret meetings he had with J. Franklin Carter, then, a senior Presidential Assistant to President Roosevelt. Worth mentioning here that Ernst Franz Sedwick Hanfstangl fled Germany to Great Britain in 1937, where he was imprisoned and later on, he was shipped to a German prisoners’ camp in Canada. In March of 1942, we learned that Hanfstangl received pertinent information on the German UFOs, (even though he was detained in Canada) from “inmates” Nazi scientists. Immediately he was transferred to the United States per a Presidential request from The White House, where he met Presidential Assistant, J. Franklin Carter. As the historical records show, Hanfstangl worked for both Adolph Hitler and President Roosevelt.

William Donovan, the head of the OSS.

Truman got rid of him. He abolished the OSS and replaced it with the CIA. Mr. Donovan was a very practical man, highly educated, a lawyer and an analytical thinker. He was able to amass a huge file on Maria Orsic. And on one occasion he told one of his assistants: “I would love to meet this woman.” Sarcastically his assistant replied, “You are not an alien sir, are you?” I don’t find his remark very amusing!

- 52-OSS “Office of Strategic Services” files (Precursor to CIA): The OSS was created by President Franklin D. Roosevelt on June 13, 1942. President Truman did not fully trust the OSS; in fact, by an executive order signed on October 1, 1945, he got rid of the OSS, and William Donovan, the head of the OSS lost his job. Reports on German UFOs were ridiculed by Truman. Even amid an avalanche of meetings with aliens in the years to follow, Truman referred to the aliens as “Space Monkeys”. Truman was a very complicated man, and did not trust anybody. Behind the screen, he had developed his own plans regarding German UFOs and aliens’ technology. He

replaced the OSS with the Central Intelligence Agency by the 1947 National Security Act, and gave the agency an unlimited power to investigate everything and anything related to Germany' UFOs and the alien phenomenon. A sheer number of reports on these two subjects were read by his trusted advisors at The White House. (Note: Out of the 13,210 employees who previously worked for the OSS in Europe and the United States, 10,260 were asked to stay on the job and join the Central Intelligence Agency.)

- 53-Alberto Fenoglio, who was a close associate of Giuseppe Belluzo (Former Minister of National Economy under Mussolini), claimed that he heard from Belluzzo, that one UFO was massive, and was built to fly over New York and drop an atomic bomb. He added that German and Italian flying discs were already highly advanced, and Orsic was an "inspirational force."
- 54-Giuseppe Belluzzo, the former Minister of National Economy under Mussolini. Belluzzo, who was also a noted scientist, publicly stated that several types of UFOs were designed and manufactured both in Germany and Italy. "The first design of a highly operational Nazi UFO appeared in March 1942," Belluzzo told the Italian newspaper Il Giornale d'Italia. Giuseppe was also a noted scientist. Giuseppe Belluzzo wrote numerous books on Steam Turbines, Modern Turbine Hydrolics, and papers on anti-gravity flying saucers. Numerous newspapers around the world, including the Los Angeles Mirror, the New York Times, Il Tempo, and Il Giornale d'Italia wrote about his role and/or involvement in the original phases of the German UFOs. Belluzzo worked with Dr. Heinrich Richard Miethe on UFOs' projects in Breslau and Dresden in Germany, and with Rudolf Schriever at Peenemuende, and Stettin in Poland; this was confirmed by General Dr. Walter Dornberger, and Joseph Andreas Epp.

SENSAZIONALI RIVELAZIONI DI UN FERRARESE

La “sfera volante,, arma italo - tedesca?

Mussolini cedette a Hitler i piani della scoperta che è stata poi realizzata in Norvegia - Due tipi di dischi volanti sarebbero costruiti in America - Anche in Russia esperimenti a buon punto

BOLOGNA, 4 aprile

Il signor Lino Scaglioni, da Dosso (Ferrara), in una lettera al «Giornale dell'Emilia» esprime le dichiarazioni fatte dall'ing. Giuseppe Belluzzo, al «Giornale d'Italia», secondo cui i dischi volanti furono ideati nel 1942 da italiani.

«Mussolini, informato della cosa, ne tenne parola a Hitler, il quale inviò in Italia una commissione di scienziati di sua personale fiducia, ai quali diede l'incarico di accertarsi «de visu» della possibilità di sfruttamento della nuova scoperta e del conseguente suo impiego come arma offensiva. Avuta la conferma positiva, Hitler, temendo che la voce della nuova importante scoperta potesse giungere agli anglo-americani, chiuse ed ottenne da Roma che tutti gli esperimenti inerenti al perfezionamento di questo nuovo ordigno venissero fatti in territorio controllato dalla Germania. A tal scopo furono costruiti alcuni fabbricati in mezzo a una boscaglia nella parte nord-est della Norvegia, a circa 150 chilometri dal luogo ove era stato installato il Centro per la produzione dell'acqua pesante, destinata ad essere impiegata per la fabbricazione della bomba atomica.

Mentre le incursioni americane su questo fabbricato ebbero esito positivo, l'azione sul centro dei dischi volanti, azione alla quale doveva partecipare anche lo Scaglioni, si concluse con il ripiegamento di Hitler proveniente dalla Russia.

Terminata la guerra, gli anglo-americani poterono perfezionare i risultati conseguiti nei laboratori tedeschi, realizzando i dischi, che già si staccano da terra, mentre i russi, che avrebbero carpito il segreto, starebbero per fare altrettanto.

I «piatti volanti» che solcano i cieli americani sarebbero di due tipi e ciò in base alle dichiarazioni fatte a New York dal radiocommentatore Henry J. Taylor.

Uno dei due tipi è costituito da un autentico piatto volante, un disco che passa sibilando attraverso l'atmosfera, si ferma sospeso nell'aria, sale fino a diecimila metri ed anche più, scende fino a trecento metri, o quindi si dilaterà nell'aria.

Questi dischi hanno un diametro variante da 50 a 75 cm.

Gli altri oggetti sono i «fuochi volanti», vale a dire degli aerei a reazione del tipo «XF 50» che la marina americana ha ammesso di avere attualmente in esperimento.

Taylor ha descritto questi apparecchi come oggetti circolari, privi di ali, e capaci di volare a velocità fantastiche. Coloro che li hanno visti hanno affermato che essi assomigliano a «angeli volanti».

Il radio commentatore ha affermato che gli esperimenti coi «piatti volanti» avrebbero avuto inizio il 25 giugno 1947, e da allora sarebbero stati effettuati su una scala sempre maggiore.

La rivista *United States news and world report* ha annunciato che i piatti volanti sono nuovi aerei «rivoluzionari» costruiti probabilmente dalla Marina nel corso dello sviluppo di telecomandi radio-comandate.

«Truman non è al corrente della esistenza dei «dischi volanti» come armi segrete appartenenti agli Stati Uniti o a qualsiasi altro Paese» ha dichiarato Charles Rose, portavoce della Casa Bianca, ai giornalisti che l'interrogavano sull'articolo della rivista *United States news and world report*.

Kennet du Courey, direttore del l'Intelligence Digest», giunto a Montreal per un ciclo di conferenze, ha dichiarato che i russi hanno già esploso una bomba all'idrogeno durante la scorsa estate.

Le Courey ha anche detto che i russi stanno facendo esperimenti su larga scala di guerra batteriologica.

Mussolini e Hitler se ne interessarono - Oggi qualche grande potenza sta utilizzando l'arma a scopo di studio

Il mondo è oggi posto a rumore dalle notizie sulla, secondo alcuni presenza e secondo altri consistenza, esistenza dei cosiddetti dischi volanti che hanno fatto levare la fantasia di cuoco i quali, non conoscendo i progressi e le risorse possibilità della tecnica, hanno adducendo dei dubbi sulla possibile esistenza di questi nuovi strumenti di distruzione.

La verità vera è che questi strumenti di distruzione si possono costruire e fare funzionare, e che di essi già nel 1942 si erano studiati e disegnati in Germania ed in Italia alcuni prototipi nell'intento di fornire alla Patria in guerra uno strumento formidabile per la vittoria. Vittoria che si sarebbe realizzata se la moralità e la coscienza di alcuni uomini che oggi vanno per la maggiore, fossero state diverse.

Ma ritorniamo a dl uno di armarlo, a bombardamento i nuovi strumenti di guerra potranno allora trasportare, senza pericolo per gli aviatori che non erano necessari, cariche di esplosivo di ogni specie e peso, ed oggi bombe atomiche in grado di distruggere intere città anche con dieci chilometri di diametro.

One of them was Bishop Alois Hudal, who for helping SS and Nazi officers to escape justice and flee to countries where the Vatican exerted an

extraordinary “Catholic” influence, received Germany’s WWII top secret files on Maria Orsic’s UFO, German supersonic crafts, including UFOs, and highly advanced genetic research/programs carried by SS physicians like Dr. Josef Mengele. The files ended in the hands of Pope Pius XII.

Marshal Tito was fully aware of Maria Orsic's Vril UFO, and the whole spectrum of the German Bell-UFO.
Tito had a few communiqués exchanged with Maria, and he did talk about it in his correspondence with Nikola Tesla.
And Tesla told Tito about a device he was working on, which could facilitate communications with extraterrestrials. In fact, he was working (Or perhaps still working) on two devices: a-Teslascope (Some sort of an extraterrestrial radio transmitter) and b) The exotericon.
Tesla's papers were seized by the FBI, after he passed away in his room at the New Yorker Hotel.
His papers included elaborate details, drawings and blueprints of an anti-gravity flying machine, which closely resembled the German Bell-UFO.In addition to two communiqués from Maria Orsic. The Tesla Society stated that "Marshal Tito of Yugoslavia wished to place the Nikola Tesla commemorative plaque when he visited New York. But it could not be done for political reason." Floating Mystery Ball Is New Nazi Air Weapon

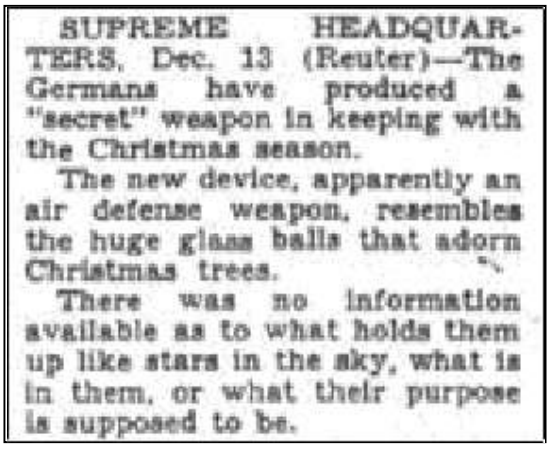
SUPREME HEADQUARTERS, Allied Expeditionary Force, Dec. 13—A new German weapon has made its appearance on the western air front, it was disclosed today.

Airmen of the American Air Force report that they are encountering silver colored spheres in the air over German territory. The spheres are encountered either singly or in clusters. Sometimes they are semi-translucent.

News-wire from Reuter, December 13, 1944



SUPREME HEADQUARTERS, Dec. 13 (Reuter)—The Germans have produced a "secret" weapon in keeping with the Christmas season.

The new device, apparently an air defense weapon, resembles the huge glass balls that adorn Christmas trees.

There was no information available as to what holds them up like stars in the sky, what is in them, or what their purpose is supposed to be.

General Friedrich-Wilhelm Müller was executed on May 2, 1947 in Greece. He gave the allies detailed reports on German-Italian joint programs on UFOs, and Maria Orsic's Vril.

Dr. Hermann Oberth

The foremost authority on rocketry outside the United States was Dr. Hermann Oberth, a Hungarian-born German. In 1923, he published a book about rocket travel into outer space. Because of his important writings, many small rocket societies sprang up around the world. In the spring of 1930, a young Wernher von Braun assisted Oberth in his early experiments in testing a liquid-fueled rocket with about 15 pounds of thrust. Photo & text credit: NASA.
Dr. Hermann Oberth had access to the “Aliens Transcripts”.

He stated: “We cannot take credit for our record advancement in certain scientific fields alone; we have been helped from people of other worlds.” Similar statements were given by Dr. Otto Schumann and the Ladies of Vril.

Alfred Saalwächter was executed in February 4, 1947 in Czecheslovakia. Like Alfred Saalwächter, he gave the Russians a detailed report on Maria Orsic, and the German UFOs' programs and research conducted in various facilities in Germany.

- 75-The 1945 and 1946 Russian interrogations of General Alfred Saalwächter.

In Berlin, Charles Lindbergh was seduced by the aura of Maria Orsic.

- 76- Lindbergh told Carl Jung that the United States Air Force investigated hundreds upon hundreds of UFO sightings without finding any evidence of supernatural phenomenon link to the UFOs, because they were real machines.

Lindbergh was fully convinced that those UFOs/USOs were of a German origin, and the first to have worked on these enigmatic flying machines was Maria Orsic. Lindbergh admitted that he had discussed the subject of the German UFOs with General Spaatz, then Chief of the United States Air Force, and told him about Orsic’s super flying machine.

Some have accused Lindbergh of having an affair with Maria Orsic. And because he was anti-Semite, Maria Orsic did not hesitate to tell him almost everything about the Aryan UFO she was working on.

Photo: Inventor Dennis Gabor.
Born in Budapest, Hungary, on June 5, 1900, and died on February 8, 1979.
He was a major scientific link between the aliens' technology, the German UFOs and the United States military.
In 1972, he admitted that he had much unfinished technological work on his hands, and part of it was closely related to alien reverse-engineering.

New Books by Maximillien de Lafayette

Transcripts of what the Aliens, Extraterrestrials and Intraterrestrials Told our Governments

Maximillien de Lafayette
Transcripts of what the Aliens, Extraterrestrials and Intraterrestrials Told our Governments

The Aliens' Transcripts (AT) are a collection, a record, a detailed account, a huge dossier on all the meetings with non-human entities that occurred from 1947 to the present. The Aliens' Transcripts have a paramount military significance and an enormous national security importance.

This book is based upon the original Aliens' Transcripts which contain thousands upon thousands of pages, sketches, illustrations, charts, graphs, communiqués, notes, statistics, secret Presidential orders, addenda, revised, and re-revised and updated addenda on everything pertaining to encounters and meetings with aliens. AT are strictly and exclusively transcripts of meetings with aliens, extraterrestrials, and the Grays intraterrestrials. And do not expect these transcripts to be declassified. They will never be! Perhaps some of the pages and reports will be made public in 2021, when the "Aliens Protocol" will be released to the general public; another fascinating document on aliens. Even 4 star generals could not access these transcripts. President …tried and failed. Senator…did everything he could to have a glance at AT and he was "sent away". Vice President…inquired about AT, and he was told, there is no such thing as Aliens' Transcripts. A congressional hearing was scheduled to inquire about AT and conduct some sort of questioning, deposition and investigation, but 2 two days later, it was cancelled.

ANUNNAKI GENETIC CREATION OF THE HUMAN RACES, DEMONS GODS, ANGELS AND SPIRITS.
HOW GOD WAS INVENTED BY THE EGYPTIANS, SUMERIANS, PHOENICIANS AND HEBREWS!
THE MOST IMPORTANT ASPECTS AND CHARACTERISTIC FEATURES OF THE ANUNNAKI TEACHINGS & SECRETS

ANUNNAKI GENETIC CREATION OF THE HUMAN RACES, DEMONS AND SPIRITS. How God was invented by the Egyptians, Sumerians, Phoenicians and Hebrews! AND WHY THE BIBLE IS FAKE!

The book IS EXPLOSIVE and AUTHORITATIVE! It contains hundreds of photographs, illustrations, maps, sketches and inscriptions, tablets, slabs translated from Sumerian and Akkadian by the author, a world authority on ancient languages and Anunnaki. 5,000 year old tablets demonstrated that WE ARE NOT CREATED BY THE GOD OF THE BIBLE. We were genetically created by the Anunnaki. This book has all the proofs to convince you once for good! The Anunnaki created the human race, God, Gods, angels, spirits and demons before the dawn of the history of Man. Don’t be offended, GOD was created by the Egyptian priests, and the Mesopotamian myths/epics. And organized religions are cashing on it! The extraterrestrials created many species and different human races here on planet Earth. But there are other early human beings who were created in space, and on other planets, and like the very small and very tall species, they were not part of the evolutionary process of the modern human beings. In total, 36 (some say 46) different human and quasi-human species lived on planet Earth in many regions of the globe. And none of them were created by the “God” we know and worship. After all, they did not look like humans, and if we have to believe that humans were created in the image of “God”, as Judaism, Christianity and Islam tell us, then, most certainly those early 36 different species who looked like ferocious beasts, were not made in the image of “God”.

LEARN HOW TO SPEAK THE ANUNNAKI LANGUAGE

LEARN HOW TO SPEAK THE ANUNNAKI LANGUAGE: Dictionary, Vocabulary, Conversation.

Including etymology, epistemology, the study and linguistic investigation of the derivation and origin of the ancient Middle and Near East languages, Semitic and non-Semitic languages and dialects, including, but not limited to Old Babylonian, Akkadian, Sumerian, Assyrian, Chaldean, Aramaic, Phoenician, Ugaritic, Hebrew, Hittite, Arabic, etc.

Comparison with Akkadian, Sumerian, Assyrian, Arabic, Hebrew, Aramaic, Phoenician, Chaldean, Hittite, Ugaritic, Babylonian. A WORLD PREMIERE EVENT. For the first time in philology's history, and chronicles of civilizations of the ancient world, Maximillien de Lafayette, a world renowned expert linguist (Ancient Languages) provides us with the first lexicon/thesaurus/dictionary of the Anunnaki and Ulemite languages. This book is a treasure. It consists of a set of 4 volumes. The last volume focuses on Anunnaki and Igigi language conversation. And YES you will be able to speak their terrestrial and extraterrestrials languages as spoken on Earth and their planet. This unique work consists of definitions of words, etymology, epistemology, the study and linguistic investigation of the derivation and origin of the ancient Middle and Near East languages, Semitic and non-Semitic languages and dialects, including, but not limited to Old Babylonian, Akkadian, Sumerian, Assyrian, Chaldean, Aramaic, Phoenician, Ugaritic, Hebrew, Hittite, Arabic, etc.

Ana'kh is the language of the Anunnaki who descended on ancient Turkey, Mesopotamia, and Phoenicia according to the Ulema. It is of an extraterrestrial origin. Ulema Al Bakr stated that it was used by early the human beings who lived in ancient Anatolia, on the Island of Arwad, in Tyre, Sidon, Byblos, Ugarit, Amrit, and Mu. He added that from the Ana'kh derived the primitive languages of the Near East and the Middle East. Ana'kh was never made public. It remained a secret language known only to the Ulema, and later on to the Allamah. It sounds Semitic, because of its phonetics. But it is "not Semitic at all", said Ulema Ghandar Gupta. It has no grammar, but it has an extremely rich vocabulary and an abundance of metaphoric expressions.

A considerable number of Akkadian and Sumerian words that appeared in the Sumerian, Akkadian, and Chaldean Epic of Creation and the Bible derived from Ana'kh. Around 569 A.D., a group of Ulema (Munawareen) in the Near East (Non-Islamic scholars) compiled an extensive list of Ana'kh words and phrases.

In 625, A.D., two leading figures of the Ulema brotherhood wrote the Book of Rama-Dosh; a compilation of Ana'kh terminology, a lexicon, and Kiraats (Readings). Ulema AL Bakr stated that the Ulema are not member of a religious group. They are neither Muslim nor members of any organized religion. In fact, they were persecuted by the companions of the Prophet Muhammad, and were expelled from the Arab Peninsula. They found refuge in Cyprus and Marseille. But the honorable Ulema was quick to point out that the early Sufi masters, poets and Sufi trance dancers were Ulema. He added that Ulema should not be confused with the Islamic Ulema who teach Islamic law, or with the Allamah who were the leading Islamic figures of science and letters in medieval times. Farid Tayarah, an Ulema himself, and a former head of a Masonic Lodge stated that the Ana'kh was used during Masonic sessions and services. He added that a considerable number of Masonic words and expressions are pure Ana'kh, especially those words referring to levels and degrees in Freemasonry, and initiation ceremonies. Many of the original words of this language, as well as numerous linguistic derivations are included in this book.

THE ESSENTIAL MAXIMILLIEN DE LAFAYETTE
THE OFFICIAL ANUNNAKI ULEMA TEXTBOOK FOR THE TEACHER AND THE STUDENT

Cover of Vol.1 Cover of Vol.2

THE ESSENTIAL MAXIMILLIEN DE LAFAYETTE: The Official Anunnaki Ulema Textbook for the Teacher and the Student. In 2 Volumes

THE ESSENTIAL MAXIMILLIEN DE LAFAYETTE is a synopsis of the 200 books, the author wrote on the subjects of the Anunnaki, the afterlife, the supernatural powers of the Anunnaki Ulema, the paranormal, the occult, parallel dimensions, multiple universes, the Conduit, the Supersymetric Mind, the Double, the Astral Body, communications with spirits and entities from the world beyond, the power of the mind, mediumship, channeling, the enlightenment, the Fourth Dimension, the Fifth Dimension, Earth energy, healing, the world outside time and space, extraterrestrials, time-travel, reading the future, and similar topics. This is NOT a repetitious book. It was intentionally compiled from the most important concepts, theories, esoteric techniques, wisdom, Eastern philosophy, the world of the mystic seers “The Ulema”, and particularly the teaching of Maximillien de Lafayette.

This series consists of 2 massive volumes, each exceeding 700 pages (50 MB). This manual is also the Official Anunnaki Ulema Textbook for the Teacher and the Student. De Lafayette wrote more than 800 books, 200 of them are in these fields. Consequently, it is quasi-impossible for the reader to purchase all these books. The present work contains knowledge, techniques and revelations, no other author has ever discussed, simply because they emerge from the teachings of the author’s Enlightened Masters and his own philosophy. Add to the fact, that no other author or researcher has ever approached these topics, simply because they were brought to the West, for the first time in history, from the author’s own vision and perspective. You will NOT find the material of this book in any other work, and/or in any library. As a matter of fact, the material of the present work (Volumes 1 and 2) is to a certain degree in sharp contrast with what it has been said or written in these fields. No one can claim that this book was inspired by or based upon any existing published book. It is a journey to new dimensions, and analysis of the physical and mental worlds as interpreted personally by the author.

The contents include:1. Description of the Afterlife in all its states and dimensions. 2. What do we see when we enter the afterlife zone? 3.
